

LETTER TO THE EDITOR. RESPONSE TO WARREN BELL. THE TOWNSMAN (BRITISH COLUMBIA). OCTOBER 19TH, 2010

Warren Bell is a PAID-FOR-PROFIT-LOBBYIST operating with Environmental-Terror-Organizations like Canadian-Cancer-Society and Canadian Association of Physicians for the Environment.

Bell is an « expert » in the CONCOCTION of IMAGINARY DANGER concerning pest control products !

In fact, Bell is PAID by these organizations to CONSPIRE in the PROHIBITION of pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Additionally, Bell has NO recognized expertise, training, or background in matters concerning pest control products, or the maintenance of sports turf.

In many jurisdictions, the prohibition of pest control products promoted by Bell and his buddies has been DEVASTATING for the maintenance of public green spaces and sports fields since there are NO valid economical Green Alternatives to replace prohibited products.

VIRTUALLY ALL Green Alternatives are almost TOTALLY INEFFECTIVE, except under very specific circumstances.

In jurisdictions where PROHIBITION-TERRORISM has been successful, public green spaces and sports fields have become weed-infested and insect-infested — they look like GARBAGE DUMPS.

They have been OVER-RUN by dandelions and other weeds, and have been DESTROYED by damaging insect pests.

MORE IMPORTANTLY — THE PROHIBITION OF PEST CONTROL PRODUCTS REPRESENTS A HAZARD TO ANYONE USING THESE PLAYING SURFACES, ESPECIALLY CHILDREN.

When it rains, pest-infested playing surfaces are SLIPPERY MUD BOGS.

When dry, pest-infested playing surfaces are AS HARD AS CONCRETE.

In the « Ding-Dong » world of Warren Bell, children are playing on pest-infested playing surfaces that are DANGEROUS !
