

LETTER TO THE EDITOR. RESPONSE TO COTTAM GHOST-WRITERS. JULY 8th, 2011. BCLOCALNEWS.COM. BRITISH COLUMBIA.

MISS KAZIMIERA JEAN COTTAM is truly an old-fashioned kind of gal since she is an 80-year-old divorced chronologically-gifted octogenarian.

Sadly, because of her age and diminished capacity, activists have been using MISS KAZIMIERA as « cannon fodder » for several years.

For the most part, her letters are scripted by GHOST-WRITERS who do not wish to be identified.

COTTAM GHOST-WRITERS HAVE WRITTEN in blogs and newspapers across Canada to express their TOTALLY VALUELESS AND UTTERLY WORTHLESS opinions regarding conventional pest control products.

NONE HAVE ANY RECOGNIZED EXPERTISE, TRAINING, OR BACKGROUND, IN MATTERS CONCERNING PEST CONTROL PRODUCTS !

In 2004, officials at HEALTH CANADA were deceived by COTTAM GHOST-WRITERS' false credentials, and took the time to answer EVERY SINGLE ONE of their concerns regarding pest control products.

NOT ONE of their allegations was confirmed.

MISS KAZIMIERA's own lawn, as well as lawns in jurisdictions where pest control products have been PROHIBITED, LOOK LIKE GARBAGE DUMPS.

Manual weed-pulling is NOT an option, and DOES NOT WORK.
