

LETTER TO THE EDITOR. RESPONSE TO KELLY GEORGE. JULY 13th, 2010.
THE WESTERN STAR (NEWFOUNDLAND).

Environmental-Activists like Kelly George know NOTHING about pest control products !

But, they know lots about MINDLESS, SENSELESS, and FRAUDULENT FEAR-MONGERING !

These Activists CREATE TERROR, and it NEVER ENDS !

Activists often COMPENSATE for their LACK OF EXPERTISE by CONCOCTING IMAGINARY DANGER, MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

Environmental-Activists COERCE, INTIMIDATE, and ALARM government officials and the public by SPREADING THE MYTH that we need to get rid of so-called « unnecessary poisons » since they pose ALLEGED unnecessary risk to our health, our children's health, and the health of the environment.

NOT A SINGLE Activist has ANY recognized expertise, training or background in matters concerning pest control products !

Activists COMPENSATE for their LACK OF EXPERTISE by SCAMMING and DECEIVING the public by blurting out HOLLOW and DESPICABLY-ALARMIST expressions like « children at risk » and « childhood cancer »!

They also SPREAD FEAR-MONGERING with terms like « birth defects », « miscarriages », and « still-births ».

The Activists CREATE MALICIOUS ILLUSION, and the public believes it is REALITY !

Environmental-Activists CLAIM TO BE PROTECTING THE CHILDREN.

Environmental-Activists CLAIM to have some form of SECRET EVIDENCE that somehow « proves » that pest control products are unsafe.

Environmental-Activists CLAIM to have discovered some IMAGINARY DANGER.

In fact, they have NOTHING !

Consequently, the opinions expressed by these Activists are TOTALLY VALUELESS and UTTERLY WORTHLESS.

These Activists are DESPICABLE.

Activists COMPENSATE for their LACK OF EXPERTISE by USING AND ABUSING CHILDREN with IMPUNITY.

They DECEIVE the public into believing that CHILDREN are in some IMAGINARY DANGER with pest control products.

They DECEIVE the public by USING CHILDREN, even TERMINALLY-ILL CHILDREN, as WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR against the Professional Lawn Industry.

Environmental-Activists RESPOND WITH MOCK-HORROR when lawns are treated with so-called toxic chemicals —

— but do not think twice about treating children's heads with a drench for lice using the same class of chemistry.

CHILDREN, and even BABIES, are used to COERCE, INFLUENCE, STIFLE and INTIMIDATE government officials and the public.

Activists COMPENSATE for their LACK OF EXPERTISE by using CHILDREN, and even BABIES, as WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR.

The Activists CREATE TERROR, and the public GETS SCARED !

Activists COMPENSATE for their LACK OF EXPERTISE by STIFLING AND SILENCING PUBLIC DEBATE through the MYTH THAT CHILDREN and BABIES must somehow be protected from pest control products.

The Activists CREATE TERROR, and the public believes it is REALITY.

Consequently, Activists demand the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, and SCIENTIFICALLY-SAFE.

There are NO valid reports that confirm pest control products problems with children.

Furthermore, Environmental-Activists are willing to COMPROMISE ON THE SAFETY OF CHILDREN who need a cushion of high-quality turf when playing and running and falling.

Without pest control products, playing surfaces become thin, and yellow, and loaded with weeds, infested with insects, and totally unkempt.

Without pest control products, playing surfaces become GARBAGE DUMPS, and are a DANGER for children to play on.

Environmental-Activists like Kelly George COULD NOT CARE LESS ABOUT CHILDREN who use these DANGEROUS PLAYING SURFACES.

William H. Gathercole and Norah G

National Organization Responding Against Huje that TERRORIZE, HARM, and THREATEN the Green Space Industry (NORAHG)
