

OCTOBER 3RD, 2011
LETTER TO THE EDITOR
RESPONSE TO FARRAH KHAN
SUSTAIN ONTARIO BLOG
PROVINCE OF ONTARIO

According to Farrah Khan — « *Local, sustainable food policies will boost our economy, improve our health and save our planet.* »

We are well aware of her organization's policy of REPEATING THE SAME NON-EXPERT DRIVEL OVER AND OVER AGAIN.

So far, Khan and her buddies have LEFT QUITE A LEGACY in Ontario —

- LOST JOBS and HARDSHIP for people
- DESTROYED economies
- WEAKENED communities
- DANGEROUS playgrounds maintained like GARBAGE DUMPS
- ANXIOUS children FEARING modern technology
- WASTED MONEY on PROHIBITION CONSPIRACIES

Activists, like Khan, who are employed at Canadian Association of Physicians for the Environment, are DESPERATE for a McGuinty VICTORY, otherwise, their GREEN JOBS WILL NOT BE SAFE AND SECURE.

In the event of a McGuinty DEFEAT — NO MORE FREE MONEY FROM GOVERNMENT GRANTS.

The McGuinty Regime is the POLITICAL SHIELD for Anti-Pesticide and Enviro-Lunatic Terror-Activists like Farrah Khan.

Through the Ontario Trillium Foundation, the McGuinty Regime SQUANDERED MILLIONS OF DOLLARS ON THE SUBVERSIVE ANTI-PESTICIDE CONSPIRACY leading to PROHIBITION.

In fact, McGuinty MISAPPROPRIATED OVER 2,000,000 DOLLARS !

McGuinty gave, TAX-FREE, to Canadian Association of Physicians for the Environment a STAGGERING 255,000 DOLLARS from 2002 to 2007.

This FREE TAX-EXEMPT MONEY helped pay for a LARGE CHUNK of Khan's salary as a NON-EXPERT secretary who worked for an organization that TERRORIZED and DESTROYED the Professional Lawn Care Industry.

In return, Canadian Association of Physicians for the Environment CONSPIRED to ANNIHILATE the Modern Professional Lawn Care Industry by PROMOTING the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products.

In fact, pest control products are ...

- Health-Canada-Approved
 - Federally-Legal
 - Safe For Children *
 - Scientifically-Safe
 - Practically-Non-Toxic
 - Cause No Harm
 - Do Not Cause Cancer
 - Enhance the Urban Landscape
 - Good for the Environment
- * Except when stored improperly in the home.

Ontario Anti-Pesticide PROHIBITION led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Professional Lawn Care Industry.

Canadian Association of Physicians for the Environment is a VAST FUND-RAISING MILLIONAIRE MULTI-MILLION DOLLAR PROFIT-MAKING MACHINE operated by a handful of Enviro-Lunatic-Activists, like Khan, who are PAID-FOR-PROFIT as SUBVERSIVE LOBBYISTS.

Even now, within the City of Toronto, the recently-elected Mayor Ford is CLEANING HIS MUNICIPAL HOUSE, and organizations like Toronto Environmental Alliance are LOSING THEIR FREE GOVERNMENT MONEY.

Activists at Toronto Environmental Alliance are being TERMINATED FROM EMPLOYMENT at a rate of ONE-PER-WEEEEK.

A DEFEAT of the McGuinty Regime will mean that secretaries like Farrah Khan will also be TOSSED OUT of Canadian Association of Physicians for the Environment.

Khan will hopefully feel the SAME TERROR, DESPAIR, and DESTITUTION that she and her buddies INFLICTED on THOUSANDS OF HAPLESS VICTIMS throughout the Professional Lawn Care Industry.

Get OFF Our grASS, and Roast In The Unemployment Line (and In Hell).

WILLIAM H. GATHERCOLE AND NORAH G

National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG).

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization representing RESPECTED and HIGHLY-RATED TRUE EXPERTS who promote PESTICIDE-REALISM and PESTICIDE-TRUTHS — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry. They are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.
