LETTER TO THE EDITOR — MEDIA RELEASE (SHORT VERSION)

RESPONSE TO SANGEET SINGH-GASSON

HIGHLAND PARK PATCH & TRIB LOCAL NEWSPAPERS

HIGHLAND PARK (CHICAGO), ILINOIS

Highland Park wants to use Confront, a product that NON-EXPERT Sangeet Singh-Gasson has ARBITRARILY DECREED as being a « *dangerous herbicide* ».

Sighn-Gasson ALLEGES that some provinces in Canada « *forbid* » the product Confront, and CONVENIENTLY IGNORES THE FACTS !

Confront was and has NEVER been available in Canada, and it certainly has NOT been « *forbidden* » from that market.

Overall, Sighn-Gasson is WRONG about Confront, and is MOST DEFINITELY WRONG about the safety of pest control products.

Anti-Pesticide Activists, like Sighn-Gasson, are NOT CREDIBLE experts on pest control products.

This PROBLEM WITH LACK-OF-ACTIVIST-CREDIBILITY reflects the overall larger problem with ALL Anti-Pesticide Activists.

There are NO Anti-Pesticide Activists who are scientists or researchers with credentials in the field of pest control products.

Sighn-Gasson is DEMANDING that Highland Park employ Chip Osborne as a FOR-PROFIT consultant, despite the fact that Osborne has NO background, training or expertise in the SUCCESSFUL management of Green Spaces.

Osborne is merely a PARTISAN-DIRECTOR for an Anti-Pesticide Organization with a HUGE VESTED INTEREST IN SUBVERSIVELY PERPETUATING IMAGINARY DANGERS about pest control products — Beyond Pesticides

Beyond Pesticides is a Non-Expert Tax-Exempt Partisan Anti-Pesticide Organization that is an expert in FUND-RAISING, but has NO EXPERTISE in science or research.

The PRIMARY CONCERNS of Beyond Pesticides is BUSINESS, CASH-FLOW, PROFIT, and CELEBRITY.

WILLIAM H. GATHERCOLE AND NORAH G

National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG).

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization dedicated to representing the work of RESPECTED and HIGHLY-RATED EXPERTS who promote PESTICIDE-REALISM and PESTICIDE-TRUTHS.

We are living in the DARK AGE OF ANTI-PESTICIDE TERRORISM where sound science is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry. There is NO RECOURSE but LITIGATION against these HUJE, as well as CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX-EXEMPT STATUS of their organizations.

NORAHG manages the Library Computer Access and Retrieval System for all Anti Pesticide Terrorist Acts of Subversion.

The NORAHG Library Computer Access and Retrieval System is a VAST ARCHIVE of DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL Anti-Pesticide Activities has been made AVAILABLE through NORAHG to anyone interested in litigation.

These ARCHIVES contain names, statements, activities, and affiliations of ALL Anti-Pesticide Vermin, including Government Officials, as well as Charitable Prohibition-Terrorist-Organizations that DO NOT DESERVE ANY Tax Exempt Status.

Interested parties need only to send NORAHG their REQUESTS for ANY INFORMATION needed in the War Against Lunatic-Terrorist-PROHIBITION.

When criminal charges for FRAUD and CONSPIRACY are laid, legal experts say that there is sufficient information to lead to a SUCCESSFUL PROSECUTION !
