Keeping the Lies BIG and SIMPLE

Anti-Pesticide Activists deserve NO LESS than ARRESTS, FINES, and IMPRISONMENT.

Anti-Pesticide Activists are basically Lying Sacks of Cwap !

They LIE ... and LIE ... and LIE ... and LIE !

Anti-Pesticide Activists NEVER Stop !

Anti-Pesticide Activists are congenitally UNABLE TO TELL THE TRUTH about environmental issues, and that is why what they say is MERE FICTION.

Their actions are based upon the strategies of another lunatic, a German dictator with a tooth-brush moustache.

« Make the lie big, make it simple, keep saying it, and eventually they will believe it. » — Adolf Hitler.

Similarly, Anti-Pesticide Activists MAKE THE LIE BIG, make it simple, keep saying it, and eventually the public believe them.

These activists should also be wearing tooth-brush moustaches

Anti-Pesticide Activists use emotion for the many, and reserve reason for the few.

« How fortunate for leaders that men do not think. » — Adolf Hitler.

How fortunate for these activists that the people they deceive also DO NOT THINK.

They represent their own interests ONLY, seek to IMPOSE life-style choices on an unsuspecting public.

They do so by the CONCOCTION of MYTHS, DECEPTIONS, MISCONCEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products.

These Culprits CONSPIRE AGAINST the use of pest control products, or any other product they arbitrarily deem as unwanted.

Anti-Pesticide Activists also SCAM Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of conventional pest control products that are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

Culprits Will Feel the Terror of the Courts

Anti-Pesticide Activists are advised that all names, statements, activities, and affiliations have been ARCHIVED for eventual CRIMINAL CHARGES.

These liars will be CHARGED with FRAUD and CONSPIRACY under the CRIMINAL CODE.

When criminal charges for FRAUD and CONSPIRACY are laid, Anti-Pesticide Activists should be advised that they have ALL have been identified on the basis of their statements, activities, affiliations, and whereabouts.

When criminal charges for FRAUD and CONSPIRACY are laid, legal experts say that there is sufficient information to lead to a SUCCESSFUL PROSECUTION !

Many Anti-Pesticide Activists may be ARRESTED and JAILED for FRAUD !

In court, Anti-Pesticide Activist-Defendants will realize that NOT A SINGLE PERSON within their organizations has ANY recognized expertise, training or background in matters concerning pest control products !

In court, Anti-Pesticide Activist-Defendants will be unable to provide ANY SCIENTIFIC BASIS for their NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT pest control products !

In court, Anti-Pesticide Activist-Defendants will be « *left out to dry* » by their former co-conspirators !

Other activists will « *rat out* » their former co-conspirators.

These CULPRITS will be LIABLE FOR DAMAGES worth MILLIONS OF DOLLARS.

Anti-Pesticide Activists, and their Tax-Exempt Prohibition-Terrorist-Organizations, deserve NO LESS than ...

- ARRESTS
- CHARGES OF MANSLAUGHTER
- CHARGES OF FRAUD
- CHARGES OF CONSPIRACY
- FINES
- IMPRISONMENT
- RESCINDING OF TAX-EXEMPT CHARITY STATUS

NORAHG manages the Library Computer Access and Retrieval System for all Anti Pesticide Terrorist Acts of Subversion.

The NORAHG Library Computer Access and Retrieval System is a VAST ARCHIVE of DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL Anti-Pesticide Activities has been made AVAILABLE through NORAHG to anyone interested in litigation.

These ARCHIVES contain names, statements, activities, and affiliations of ALL Anti-Pesticide Vermin, including Government Officials, as well as Charitable Prohibition-Terrorist-Organizations that DO NOT DESERVE ANY Tax Exempt Status.

Interested parties need only to send NORAHG their REQUESTS for ANY INFORMATION needed in the War Against Lunatic-Terrorist-PROHIBITION.

Civil Action in Ontario

In January 2010, the Professional Lawn Care Industry outlined the LIST OF CHARGES against the Government of Ontario and the Ministry of the Environment.

Additionally, individual Anti-Pesticide Activists also faced FRAUD CHARGES under the Canadian Criminal Code.

The LEGAL CHALLENGE was organized by Jeffrey P. Lowes and M-REP Communications.

Summary of alleged offences —

- 133 charges and 29 culprits
- Conspiring to prevent the supply of approved pest control products
- Defrauding access to products
- Impeding access to approved pest control products
- Misleading with peer-reviewed assessments, reports, and studies
- Presenting false and misleading information
- Undermining the people and companies in Professional Lawn Care Industry.

By August 2010, M-REP Communications commenced CIVIL ACTION to recover the HORRENDOUS LOSSES caused by the PROHIBITION CONSPIRACY.

Now that the Ontario General Election is concluded, M-REP Communications is resuming the CIVIL ACTION.

Jeffrey Lowes — August 21st, 2011

On August 21st, 2011, Jeffrey Lowes, of M-REP Communications, in the Toronto Sun newspaper, said politics, not science, is driving the Ontario PROHIBITION of pest control products in the Urban Landscape.

The Government of Ontario was more interested in appeasing lobbyists and environmental groups than developing policy based on facts, he said.

Lowes said he is currently preparing LEGAL CHALLENGES TO THE BAN on behalf of lawn care companies struggling to do their jobs with alternatives that are largely ineffective.

According to Lowes, when customers can't get the results they want from the companies, they cancel their contracts and buy the banned products themselves.

He estimated that PROHIBITION costs Professional Lawn Care companies 350 MILLION DOLLARS PER YEAR.

One firm was fined tens of thousands of dollars for using up the banned product left in its inventory, he said.

« That's why the lawn care companies are scared because they've not only made a law based on false medical reports, the ministry of the environment has an enforcement branch that is basically walking around in jackboots, you know, prosecuting anyone that has a nice lawn. Unless, of course, you own a golf course, » Lowes said, referring to a controversial exemption to PROHIBITION.

Quebec Could NOT Validate PROHIBITION

Pest control products are SCIENTIFICALLY SAFE and prohibitions are now IRREFUTABLY INVALIDATED.

On May 25th, 2011, Dow AgroSciences, the manufacturer of the pest control product 2,4-D, SETTLED THE NAFTA CHALLENGE CASE with the Canadian government.

The North American Free Trade Agreement, or NAFTA, is an agreement signed by the governments of Canada, Mexico, and the United States, creating a tri-lateral trade block in North America.

As part of the agreement, a VICTORY for the company, the GOVERNMENT OF QUEBEC was HUMILIATED into making a STATEMENT saying that ...

« 2,4-D DOES NOT POSE AN UNACCEPTABLE RISK to human health or the environment. »

Quebec was the first province to declare weed control products containing 2,4-D as POSSIBLY carcinogenic, which has now been DEEMED AS FALSE.

On that basis, municipalities in Quebec instituted NEEDLESS, SENSELESS, and MALICIOUS PROHIBITIONS of 2,4-D use as a lawn pest control product.

Other jurisdictions outside of Quebec also CONSPIRED to IMPOSE the Anti-Pesticide PROHIBITIONS of 2,4-D under the PRETEXT that it was a so-called carcinogen.

In fact, ABSOLUTELY NO regulatory body in the world classifies 2,4-D as a human carcinogen — 2,4-D is probably the MOST STUDIED and BEST UNDERSTOOD of ANY chemical — not just pesticide — in existence.

2,4-D DOES NOT POSE AN UNACCEPTABLE RISK to human health or the environment.

Prohibition NOT Necessary

Any PROHIBITION of pest control products is NOT JUSTIFIED because STRICT REGULATIONS BASED ON SCIENTIFIC RESEARCH ALREADY PROTECT OUR HEALTH and OUR ENVIRONMENT.

ALL PROHIBITIONS are 100 per cent Politically-Based and 0 per cent Science-Based.

The MAJOR SOURCE of exposure to pest control products is from FOOD SUPPLY, and NOT the Urban Landscape.

Incredibly, some jurisdictions ARBITRARILY PROHIBIT pest control products that are, in fact, ...

- Health-Canada-Approved
- Federally-Legal
- Safe For Children *
- Scientifically-Safe
- Practically-Non-Toxic
- Cause No Harm
- Do Not Cause Cancer

- Do Not Run-Off Into Lakes and Streams
- Enhance the Urban Landscape
- Good for the Environment
- * Except when stored improperly in the home.

In jurisdictions like Ontario, PROHIBITION led to the DEATH of an elderly man who was forced to hand-pull TOXIC NOXIOUS WEEDS.

PROHIBITION INFLICTED IMMENSE LOSSES to the Professional Lawn Care Industry, in the HUNDREDS OF MILLIONS OF DOLLARS.

Because of PROHIBITION, green spaces are OVER-RUN WITH WEEDS, INFESTED WITH INSECTS, and DISMALLY DESTROYED — they look like GARBAGE DUMPS.

Overall, when pest control products are used properly, there are NO harmful irreversible effects to health and the environment !

WILLIAM H. GATHERCOLE AND NORAH G

National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG).

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization dedicated to representing the work of RESPECTED and HIGHLY-RATED EXPERTS who promote PESTICIDE-REALISM and PESTICIDE-TRUTHS.

We are living in the DARK AGE OF ANTI-PESTICIDE TERRORISM where sound science is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry. There is NO RECOURSE but LITIGATION against these HUJE, as well as the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX-EXEMPT STATUS of their organizations.
