LETTER TO THE EDITOR — MEDIA RELEASE

RESPONSE TO GIDEON FORMAN

THE DAILY NEWS - POST MEDIA NEWS ( DON MILLS, ONTARIO )

NANAIMO DAILY NEWS ( NANAIMO, BRITISH COLUMBIA )

## **The MYTH of Cancer**

According to Anti-Pesticide Activist Gideon Forman ...

*« The science says people exposed to these poisons [ pesticides ] are MORE LIKELY TO HAVE CANCER, neurological illness and reproductive problems. » [ !?! ]*

Forman is RIDICULOUSLY WRONG !

Describing pest control products as somehow « *cancer-causing* » is a form of COERCION, INTIMIDATION, and TERRORISM.

There are NO pest control products that are known or probable carcinogens.

It is a MYTH to believe that pest control products somehow cause cancer.

There are THOUSANDS OF DEATHS per year from KNOWN CANCER-CAUSING SUBSTANCES such as cigarette smoke and alcohol.

There is NOT ONE KNOWN CANCER DEATH from the proper use of pest control products used in the Urban Landscape.

Pest control products are SCIENTIFICALLY SAFE, and NO HARM WILL OCCUR when they are used according to label directions.

For more information about CANCER, go to the following link ...

<http://pesticidetruths.com/toc/cancer/>

# NORAHG

## Who Is Gideon Forman ?

Forman is SCIENTIFICALLY ILLITERATE and EXPRESSES A MOCK-FEAR OF ALL MODERN CHEMICALS.

Government Officials PAY NO SERIOUS ATTENTION to Non-Expert Anti-Pesticide Activists like Gideon Forman.

Government Officials understand that activists like Forman have HUGE VESTED INTERESTS IN PERPETUATING IMAGINARY DANGERS about pest control products BECAUSE THEY ARE PAID TO DO SO.

Moreover, Anti-Pesticide Activists like Forman are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE concerning pest control products.

For more information about GIDEON FORMAN, go to the following links ...

<http://pesticidetruths.com/toc/forman-references-for-litigation/>

## There Is NO Increase In Cancer

According to Anti-Pesticide Activist Gideon Forman ...

*« Statistics Canada tells us the number of Canadians with cancer is INCREASING. » [?!?!]*

Why is anyone even bothering to listen to Forman ?

According to a REAL EXPERT, Dr. Leonard Ritter, ... just because there has been a 30 per cent increase in deaths from cancer in Canada does NOT mean there is any need for concern.

*« The reason for that increase is due to an AGING POPULATION and an INCREASING POPULATION. When you allow for that, there's NO INCREASE AT ALL. ».*

# NORAHG

Dr. Leonard Ritter is Chair Professor Emeritus of Toxicology, School of Environmental Sciences, University of Guelph, and Executive Director, Canadian Network of Toxicology Centres, with 35 years of experience in the field of toxicology and pesticide safety.

## **Pesticides Pose NO UNACCEPTABLE RISK**

According to Anti-Pesticide Activist Gideon Forman ...

*« The key point here is that pesticides are risky. Everyone, including Health Canada, agrees. » [?!?!]*

Describing pest control products as somehow « *risky* » is a form of COERCION, INTIMIDATION, and TERRORISM.

Health Canada has NEVER said that pest control products are « *risky* ».

Health Canada has said that pest control products POSE NO UNACCEPTABLE RISK.

## **Non-Existent Secret Evidence**

According to Anti-Pesticide Activist Gideon Forman ...

*« But doctors and the Canadian Cancer Society believe that when it comes to lawn pesticides, the risk isn't worth it.. » [?!?!]*

Canadian Cancer Society, through its promotional literature, continues to insist there is a link between pest control products and cancer, despite the fact that its U.S. counterpart, American Cancer Society, DOES NOT SHARE THE SAME VIEWPOINT.

Canadian Cancer Society ALLEGES having UNDISCLOSED, NON-EXISTENT and UNVERIFIABLE SECRET EVIDENCE about the safety of pest control products.

# NORAHG

In fact, Canadian Cancer Society is WASTING ITS MONEY AND RESOURCES because pest control products are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

Canadian Cancer Society is NOT a science or research organization.

Canadian Cancer Society is a FUND-RAISING organization.

This is an organization that PAYS HIRED-GUNS like Gideon Forman to be FEAR-MONGERING LOBBYISTS and to ATTRACT MORE PROFIT IN DONATIONS.

Neither Forman, nor anyone at Canadian Cancer society, has ANY expertise in matters concerning pest control products.

For more information about CANADIAN CANCER SOCIETY, go to the following links ...

<http://pesticidetruths.com/toc/canadian-cancer-society-references-for-litigation/>

## **There Are NO Green Alternative Pesticides**

According to Anti-Pesticide Activist Gideon Forman ...

« *Why risk cancer when we can beautify our yards and gardens using non-toxic [ Green Alternative ] products ?* » [ ?!?! ]

Non-Expert Fund-Raiser Gideon Forman ALLEGES that, even with Anti-Pesticide PROHIBITION, home-owners can somehow keep their properties beautiful using so-called « *non-toxic* » Green Alternative Pesticides.

Forman is WRONG !

Overall, Green Alternative Pesticides are INEFFECTIVE, INADEQUATE, HIGH-RISK, MORE TOXIC, and STUNNINGLY EXPENSIVE !

# NORAHG

In many cases, Green Alternative Pesticides are questionably HIGHER IN TOXICITY, and pose HIGHER ENVIRONMENTAL RISKS.

For more information about GREEN ALTERNATIVE PESTICIDES, go to the following link ...

<http://pesticidetruths.com/toc/green-alternatives-bogus-dismal-failures/>

## **Prohibition Is ILL-CONCEIVED**

Ostensibly, Gideon Forman wants the Government of British Columbia to IMPOSE a NEEDLESS, SENSELESS, MALICIOUS, and ILL-CONCEIVED PROHIBITION of pest control products used in the Urban Landscape.

According to a 2011 media release from The Fraser Institute ...

- British Columbia is considering adopting ILL-CONCEIVED laws restricting pest control product use that DO NOT accurately reflect the current state of scientific knowledge
- A HASTY BAN of pest control products SHOULD NOT BE IMPLEMENTED until the underlying science is conclusive and a comprehensive analysis of the potential side-effects resulting from the BAN has been undertaken

The Fraser Institute is an independent non-profit research and educational organization ( THINK-TANK ) that espouses free market principles.

For more information about THE FRASER INSTITUTE, please go to the following link ...

WILLIAM H. GATHERCOLE AND NORAH G

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

# NORAHG

WILLIAM H. GATHERCOLE AND NORAH G

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry.

There is NO RECOURSE but LITIGATION against these HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of their organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library Force Of Nature Reports and References, which is a VAST ARCHIVE of DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION against Anti-Pesticide Vermin.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that there is sufficient information to lead to a SUCCESSFUL PROSECUTION !
