LETTER TO THE EDITOR — MEDIA RELEASE

ENEWS PARK FOREST
PARK FOREST, ILLINOIS, U.S.A.

THE TRI-CITY NEWS
BRITISH COLUMBIA

Anti-Pesticide Government Officials Must Be RECUSED

ALL PESTICIDE BANS are 100 per cent Politically-Based and 0 per cent Science-Based.

And, for some activists, the INCENTIVE is 100 per cent GREED and AVARICE.

Too many Anti-Pesticide Activists always want some more MONEY for LYING and TERRORIZING !

Cases of ABUSE with ENVIRO-PROFIT have been repeatedly documented.

<http://wp.me/P1jq40-1IE>

The more activists CONCOCT IMAGINARY DANGERS, the MORE THEY BECOME RICH !

Canadian Cancer Society actually has PAY-OFF PROGRAMS to REWARD those who CONSPIRE to PROHIBIT pest control products.

<http://pesticidetruths.com/wp-content/uploads/2012/02/Force-Of-Nature-British-Columbia-Conspiracy-Coquitlam-2007-00-00-Consequences-PAY-OFFS-TO-BELL-BURROWS-pdf.pdf>

This Anti-Pesticide Organization is a mere FUND-RAISING, LOBBYING, and PROFIT-ACCUMULATING organization that has NO expertise in science or research, but has VAST EXPERTISE in providing INCENTIVES for activists.

<http://wp.me/P1jq40-1OW>

NORAHG

Moreover, Canadian Cancer Society actually doles out AWARDS for « *BEST Environmental Terrorists of the Year* » which has led to a DEAFENING OUTRAGE from within the Green Space Industry.

<http://wp.me/p1jq40-1zi>

Canadian Cancer Society is also known for its generosity in REWARDING those activists who have served them well, even when they are not directly employed.

<http://pesticidetruths.com/wp-content/uploads/2012/02/Force-Of-Nature-British-Columbia-Conspiracy-Coquitlam-2011-11-23-PROFIT-LOTTERY-PAY-OFFS-TO-EX-CCS-DIRECTOR-pdf.pdf>

Oddly enough, Canadian Cancer Society's own web-site states that scientific research does NOT provide a conclusive link between pesticides and human cancer.

With other Anti-Pesticide Organizations, like THE ENVIRONMENTAL FACTOR, there is a well-documented FINANCIAL REWARDS obtained by activists from City of Oshawa, Ontario.

<http://wp.me/P1jq40-2pp>

The largest ever exchange of REWARDS was provided by GOVERNMENT OF ONTARIO, through THE ONTARIO TRILLIUM FOUNDATION, to activists who CONSPIRED to PROHIBIT pest control products in the Urban Landscape.

<http://wp.me/P1jq40-2s4>

It is highly likely that some Coquitlam Government Officials are BENEFITING from REWARDS also, through PAY-OFF PROGRAMS provided by organizations like Canadian Cancer Society.

DEMANDS are being made for Coquitlam's Anti-Pesticide Officials to release their TAX-RECORDS for the last three years, which covers the period of time that they would have been operating as LOBBYISTS for Canadian Cancer Society.

Moreover, BUSINESS, FUND-RAISING, GOVERNMENT, and TAXATION AGENCIES should be contacted to VERIFY whether these officials are actually declaring their income or gifts as LOBBYISTS for Canadian Cancer Society.

NORAHG

There are several COMPLAINT CHANNELS that can be used, either by Coquitlam City Council, or even concerned citizens.

<http://wp.me/P1jq40-1PE>

Furthermore, Coquitlam's Anti-Pesticide Officials must be RECUSED from anything to do about pest control products, and all of their inputs in council meetings should be INVALIDATED.

Until these officials are FULLY INVESTIGATED, it would be prudent for Coquitlam City Council to put any proposed Anti-Pesticide legislation ON HOLD INDEFINITELY.

Besides, ANY PROHIBITION of pest control products is NOT supported by health and policy experts, and, according to polling, is not supported by local residents.

<http://wp.me/P1jq40-2bo>

Scientific research shows, as reported through Health Canada's vast toxicology database, that NO harm will occur when pest control products are used according to label directions.

If/when Coquitlam IMPOSES Anti-Pesticide PROHIBITION, it will have done so in DEFIANCE of Health Canada's ASSESSMENTS proving that pest control products are SCIENTIFICALLY-SAFE ... a process that can take up to TEN YEARS and COST HUNDREDS OF MILLIONS OF DOLLARS.

City of Coquitlam DID NOT SPEND ANY MONEY on the ASSESSMENT of pest control products.

Health Canada has THE ESSENTIAL EXPERTISE on the subject of pest control products.

NOT Coquitlam, and NOT Anti-Pesticide City Councillors.

It is even a MYTH to believe that SALMON STREAMS are somehow be affected by the use of pest control products in the Urban Landscape.

NORAHG

This allegation is FALSE, MISLEADING, and CONTRADICTS OVER TWENTY-FIVE YEARS OF RESEARCH.

<http://wp.me/P1jq40-27X>

WILLIAM H. GATHERCOLE AND NORAH G

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry.

There is NO RECOURSE but LITIGATION against these HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of their organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library Force Of Nature Reports and References, which is a VAST ARCHIVE of DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION against Anti-Pesticide Vermin.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that there is sufficient information to lead to a SUCCESSFUL PROSECUTION !
