

Jiminy Glick gets Ronald McDonald to tell all about McDonald's !

Andy Dick's
Outrageous Ronald
McDonald Video

Famed celebrity interviewer Jiminy Glick (aka Martin Short) gets "Ronald McDonald" (aka Andy Dick) to open up about how he and McDonald's workers boil chickens alive and break their legs before turning them into McNuggets in this PETA video.

PETA is a U.S. Environmental Terror Organization.

Some of us were actually cheering for Ronald !

Nonetheless, the video is hilarious. Go to the following link :
