

Happy Holidays

Best Wishes from the Environmental Terror Movement to the Green Space Industry ☺

In 2010, there will still be NO END to the NEEDLESS HYSTERIA, FEAR, and TERROR that we need in order to satisfy our cravings as a POWER-HUNGRY, UNSCRUPULOUS, DEPRAVED-ENVIRO-MANIAC-INTELLIGENTSIA, because we also crave the ANNIHILATION of the Modern Green Space Industry. We will continue to do so with NEEDLESS, SENSELESS, and MALICIOUS prohibitionist policies that will inevitably lead to BANKRUPTCY, LOSS OF REVENUES, BUSINESS FAILURES, and UNEMPLOYMENT. We will continue to inflict TERROR, DESPAIR, and DESTITUTION on THOUSANDS of victims throughout the Green Space Industry. Once we are done destroying the Professional Lawn Care Industry, the Golf Industry is NEXT, then Nursery Production, and finally Agriculture !

We realize that many of us are simply GREEDY and AVARICIOUS ENVIRO-MANIAC-BASTERDS, but our efforts have been rewarded with MILLIONS OF DOLLARS from government and private donations, ensuring that we are provided with SAFE, SECURE, GUARANTEED, and WELL-PAYING ENVIRO-TERROR-JOBS. Hey ! The hardship of your industry is the price you have to pay for our wealth and fame and job security ! You guys should have joined us to become Rich Maniacs and Terrorists !

Even though our small Environmental-Terror-Movement across Canada is composed of a mere THREE HUNDRED active Enviro-Maniacs, we still seem to give an unsuspecting public the impression that we have considerable size and power, when in fact, we do not. Too Bad For Them !
