

Lies perpetrated by environmental opportunists :  
<< [ ... ] *legislation will be a boon to our economy --  
boosting business and creating green jobs.* >>

**There are now  
frightening predictions  
regarding the toll  
caused by environmental  
terrorism and the destructive  
policies leading to prohibition of  
legal, safe, and irreplaceable  
pest control products.**

Lies perpetrated by environmental opportunists :  
<< [...] *legislation will be a boon to our economy --  
boosting business and creating green jobs.* >>

**The following figures are based upon indicators in  
markets that have prohibited pest control products.**

**In the Province of Ontario, the  
Professional Lawn Care Industry  
will suffer the following damages  
because of the prohibition of  
legal, safe, and irreplaceable  
pest control products :**

**\$500 million in annual loss of revenue.**

**8,300 to 12,500 people unemployed.**

**780 business failures & bankruptcies.**
