

Enviro-Terror-Organizations

Organizations That Conspired To Prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE** Pest Control Products Across Canada

In the list below, **EVERY SINGLE ORGANIZATION** is **INFESTED** with **Environmental-Maniac-Activists** that have **CONSPIRED TO PROHIBIT** pest control products. These organizations are **NOT** to be trusted.

NOT A SINGLE PERSON within these organizations has **ANY** recognized expertise, training or background in matters concerning pest control products or turf management. The opinions of **EVERY SINGLE ONE** of the **Enviro-Maniacs** within these organizations are **TOTALLY VALUELESS** and **UTTERLY WORTHLESS** in matters concerning pest control products.

Many of the following organizations are mere garden clubs with cutesy titles. Many have disappeared into obscurity once prohibition was legislated in the local community, or once grant and tax-payer money was no longer available.

Burke Mountain Naturalists (British Columbia)
Campaign For Pesticide Reduction (Winnipeg, Manitoba)
Canadian Association of Physicians for the Environment (CAPE)
