LETTER TO THE EDITOR

RESPONSE TO PAUL TUKEY ( LONG VERSION )

ENEWS PARK FOREST

PARK FOREST, ILLINOIS, U.S.A.

When Paul Tukey speaks, readers need to maintain some perspective, and understand the TRUTH about so-called Pesticide-Free Organic Maintenance and Green Alternatives.

## **Green Alternatives and Organic Maintenance Are BOGUS**

Green Alternatives are products that are supposed to REPLACE conventional pest control products.

Unfortunately, there are NO valid economical alternatives to replace the PROHIBITED products, and there will likely be NONE within our collective lifetime.

So-called Green Alternatives, such as Corn Gluten Meal, Fiesta, Nematodes, and Sarritor, are DISMAL FAILURES.

Virtually all Green Alternatives are BOGUS — they DO NOT WORK and they are NOT INNOVATIVE products.

Organic Lawn Maintenance companies are also a DISMAL FAILURE.

These companies are now going into BUSINESS FAILURE and BANKRUPTCY.

Tukey can BLAH BLAH BLAH all he wants.

It is difficult to take DISCREDITED ENVIRO-LUNATICS like Tukey seriously, since demands have been made to have him BANNED from entering Canada for his role in the SUBVERSION of the Justice and Legislative Systems, and the AVOIDANCE of the payment of taxes.

Additionally, Tukey persists in using CHILDREN as WEAPONS OF COERCION and ULTIMATE ENVIRONMENTAL-TERROR in order to increase his PROFITS and TAX-FREE DONATIONS for SafeLawns, an Anti-Pesticide Organization that DOES NOT DESERVE A CHARITABLE TAX-EXEMPT STATUS.

Tukey has also been BANNED from making public presentations by high-profile trade shows like Canada Blooms.

He is, or was, a so-called MOTIVATIONAL LEADER of the Environmental-Terrorist-Movement.

But not anymore.

## **The DISMAL FAILURE of Paul Tukey**

Tukey is now a DISMAL FAILURE as a guest speaker.

Requests for Tukey as a speaker are CONSIDERABLY LOWER THAN LAST YEAR.

Tukey's IMPORTANCE HAS DWINDLED, to such an extent that he spent EARTH WEEK 2011 in the company of a BUNCH OF BACK-WOODS LOSERS IN THE MIDDLE OF NOWHERE IN THE BRITISH COLUMBIA INTERIOR.

EARTH WEEK is the HOLY WEEK for Enviro-Lunatics — it is the MOST IMPORTANT ENVIRO-LUNATIC WEEK OF THE YEAR.

During EARTH WEEK 2011, NOBODY wanted to hear Tukey's LIES concerning pest control products, nor did they want to hear HIS SHILLING about HIS array of BOGUS For-Profit Green Alternatives.

Tukey is NO LONGER the Flavour-of-the-Month, and is now a DISMAL FAILURE as a guest speaker.

Rumours are now circulating that Tukey can only find work as a SEX-WORKER-MANAGER since FEMALE-ENVIRO-LUNATICS think he is somehow attractive. :-)

Additionally, some of us at NORAHG actually knew and worked with Dr. Troll.

It is LAUGHABLE to believe that Tukey even attempts to INVOKE his name.

Troll would have found Tukey to be a DISGRACE.

Let's keep things in perspective, and understand who and what Tukey is really all about.

WILLIAM H. GATHERCOLE AND NORA H G

National Organization Responding Against HUJE that seek to harm the Green Space Industry ( NORAHG ).

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization representing RESPECTED and HIGHLY-RATED TRUE EXPERTS who promote PESTICIDE-REALISM and PESTICIDE-TRUTHS — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry. They are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.
