Comments On - Frisco Mayor Vetoes Sharp Park Legislation

NORAHG Responds to the SIEGE OF ENVIRONMENTAL TERROR Against Sharp Park Golf Course, San Francisco, California.

MEDIA RELEASE

The Mayor of San Francisco, Hon. Ed Lee, must be CONGRATULATED for SAVING Sharp Park Golf Course.

Five Supervisors who supported the Mayor must also be CONGRATULATED.

And the Mayor and Supervisors of San Mateo County have also EARNED OUR THANKS.

This golf facility has been under a SIEGE OF ENVIRONMENTAL TERROR under the PRETEXT of somehow protecting obscure and insignificant species.

In fact, Sharp Park Golf Course is NOT harming ANY animal species.

As usual, Enviro-Lunatics DESPISE the Game of Golf.

Anti-Golf Organizations like National Parks Conservation Association and Wild Equity Institute have TERRORIZED the City of San Francisco for years over the future of Sharp Park Golf Course.

The golf facility MAY STILL BE CLOSED because of their RELENTLESS AND UNCEASING LIES and MIS-INFOAMTION.

The habitat that Enviro-Lunatics are trying to « recover » was originally created when the golf course was built along with a sea wall, isolating the Laguna Sal from ocean waves.

IF the golf course had NEVER BEEN BUILT, there would be no habitat for the endangered species.

Anti-Golf Enviro-Lunatics seek the DESTRUCTION of the Golf Industry.

These terrorists ATTACK the Golf Industry under the PRETEXT of ALLEGED ill-effects on the habitats of obscure and insignificant species like Garter Snakes and Tadpoles.

The Golf Industry Should Tell Anti-Golf Activists to Get OFF Our grASS and Roast In Hell.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR ? scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

WILLIAM H. GATHERCOLE AND NORAH G

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the
