

LETTER TO THE EDITOR. RESPONSE TO K. JEAN COTTAM. THE REVELSTOKE CURRENT. BRITISH COLUMBIA.

MISS KAZIMIERA JEAN COTTAM is merely an 80-year-old divorced chronologically-gifted octogenarian.

Sadly, because of her advanced age and diminished capacity, Environmental-Terror-Activists have been using MISS KAZIMIERA as « cannon fodder » for several years. For the most part, her letters are scripted by others.

Under the guise of being some kind of professionals, and using over a dozen pseudonyms, MISS KAZIMIERA, and her ENVIRO-MANIAC-GHOST-WRITERS, have written in blogs and newspapers across Canada to express their TOTALLY VALUELESS and UTTERLY WORTHLESS opinion regarding conventional pest control products.

MISS KAZIMIERA and her GHOST-WRITERS have NO recognized expertise, training, or background, in matters concerning pest control products !

And neither does the ENVIRO-MANIAC EDITOR of THE REVELSTOKE CURRENT.

All are TOTALLY UNQUALIFIED !

In 2004, HEALTH CANADA itself was deceived by MISS KAZIMIERA's false credentials, as well as those of her GHOST-WRITERS. Government Officials took the time to answer EVERY SINGLE ONE of their concerns regarding pest control products. NOT ONE of their allegations was confirmed.

MISS KAZIMIERA and her GHOST-WRITERS are like OLD, SICK, and DECREPIT FAMILY PETS that cannot help themselves by DEFECATING on anything that is good — such as the beautification of the Urban Landscape. They wish to ALIENATE the population from HAPPY, RESTFUL, and HEALTHY Green Spaces.

The MISERABLE MISS KAZIMIERA, who has alienated herself from her own family members, seems to wish to return to the time of her youth, when she was living under HITLER and STALIN, in a society that itself was SICK, UNHAPPY, MISERABLE, and DECREPIT. Under other circumstances, this might be considered LAUGHABLE or PITIFUL.

But enough is enough.

MISS KAZIMIERA, her GHOST-WRITERS, and the ENVIRO-MANIAC EDITOR of THE REVELSTOKE CURRENT, are NOT scientists or researchers in the field of pest control products.

They are IGNORANT ENVIRONMENTAL-TERRORISTS who wish to impose personal LIFE-STYLE CHOICES on their communities — with NO SCIENTIFIC JUSTIFICATION.

They may soon face the CONSEQUENCES FOR THEIR ACTIONS.

In January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and Enviro-Maniac-Government-Officials working in the Ministry of the Environment. Additionally, individual Enviro-Maniac-Members of known Environmental-Terror-Organizations are also facing CHARGES of FRAUD and CONSPIRACY under the Canadian Criminal Code.

There are a total of 133 criminal CHARGES against 29 Ontario Enviro-Maniac-Activists. The legal challenge is being organized by JEFFREY LOWES and M-REP Communications.

In court, Enviro-Maniac-Activist-Defendants will realize that NOT A SINGLE PERSON within the Environmental-Terror-Movement has ANY recognized expertise, training or background in matters concerning pest control products !

In court, Enviro-Maniac-Activist-Defendants will be UNABLE to provide any scientific basis for their prohibition conspiracy.

They will be LIABLE FOR DAMAGES worth MILLIONS OF DOLLARS.

Additionally, these activists will be « left out to dry » by their former buddies !

At this time, several Enviro-Maniac-Activists have « ratted out » their former buddies, since there is now the prospect to plead to the lesser charge of « mischief ».

In Revelstoke, the so-called Environmental-Movement is being led by seven UNEDUCATED housewives or single-mothers, one doctor whose nick-name is Ding-Dong and believes in ghosts, and a local UNEDUCATED newspaper editor with ties to Environmental-Terror-Organizations.

In court, will they be able to provide any scientific basis for their prohibition conspiracy !?!?

NO !

Their continued IGNORANT UNEDUCATED RANTS will lead to further CHARGES of FRAUD and CONSPIRACY under the Canadian Criminal Code.

They are MALICIOUSLY WRONG about conventional pest control products !

Conventional pest control products are SCIENTIFICALLY SAFE ! Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment !

These ENVIRO-MANIAC-TERRORIST-BASTERDS have made an enemy of the Green Space Industry.

They must now face the CONSEQUENCES FOR THEIR ACTIONS.

Let them feel the TERROR OF THE COURTS !
