

LETTER TO THE EDITOR. BRITISH COLUMBIA LOCAL NEWS. RESPONSE TO K. JEAN COTTAM (A.K.A. KAZIMIERA JEAN COTTAM AND GHOST-WRITERS). February 22nd, 2011.

Miss Kazimiera Jean Cottam is merely an 81-year-old divorced chronologically-gifted octogenarian.

Sadly, because of her age and diminished capacity, Environmental-Terror-Activists have been using Miss Kazimiera as « cannon fodder » for several years.

For the most part, her letters are scripted by others, such as the Enviro-Ghost-Writer Meg Sears.

Miss Kazimiera`s target newspapers are even chosen for her.

Under the guise of being some kind of professional, Miss Kazimiera, and her Enviro-Lunatic-Ghost-Writers, have written in blogs

and newspapers across Canada to express her TOTALLY VALUELESS AND UTTERLY WORTHLESS opinion regarding conventional pest control products.

Additionally, NEITHER Miss Kazimiera, NOR Her Ghost-Writers, HAVE ANY RECOGNIZED EXPERTISE, TRAINING, OR BACKGROUND, IN MATTERS CONCERNING PEST CONTROL PRODUCTS !

In 2004, officials at HEALTH CANADA were deceived by Miss Kazimiera's false credentials, and took the time to answer EVERY SINGLE ONE of her concerns regarding pest control products.

NOT ONE of her allegations was confirmed, so Miss Kazimiera and her Ghost-Writers decided to throw an Enviro-Lunatic-Activist tantrum and write to anyone who would dare listen to them.

Consequently, several people are strongly urging that Miss Kazimiera be included

among the names of those being charged with FRAUD, despite her advanced age and diminished capacity.

In January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and the Ministry of the Environment.

The legal proceedings were organized by Jeffrey P. Lowes and M-REP Communications.

Additionally, individual members of Environmental-Terror-Organizations also faced CHARGES under the Canadian Criminal Code.

By August 2010, M-REP Communications commenced CIVIL ACTION to recover the HORRENDOUS LOSSES caused by the PROHIBITION-TERRORISM-CONSPIRACY.
