Selected and adapted excerpts

Quebec's pioneering pesticide law needs to be updated, according to two PROHIBITION-TERRORIST-ORGANIZATIONS.

David Suzuki Foundation and Équiterre compared existing provincial pesticide laws across Canada, and, predictably, found that Ontario and Nova Scotia now have the strictest laws in the country. [ So what ? ]

Both Suzuki and Équiterre have CONSPIRED to IMPOSE PROHIBITION of pest control products.

Équiterre is actually Suzuki's ambassador in the Province of Quebec, so they basically function as ONE-IN-THE-SAME-TERRORIST-ORGANIZATION.

According to these UNSATIATED lunatics, Quebec's law, adopted in 2003, hasn't been updated, and must now include MORE products.

Quebec was never really fully Pesticide-Free, and the lunatics want to EXPAND their TERRORIST-CONSPIRACY against the Professional Lawn Care Industry.

As well, they urge, the province should compile a list of so-called « *lower-risk* » products that are, in many cases, SOLD-FOR-PROFIT by other lunatic-friends.

## History of LUNATIC-TERRORIST-PROHIBITION in Quebec

In 1991, the Town of Hudson, Quebec, governed by a SUBVERSIVE GROUP OF LUNATICS, enacted a by-law that PROHIBITED the use of pest control products that were otherwise HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Hudson officials easily capitulated under the pressure of a mere handful of Enviro-Lunatic-Activists.

The Agriculture and Golf Industries were provided with an Exception Status.

Mr. William H. Gathercole crafted the original Golf Industry Exception Status, which endures to this day for virtually all jurisdictions in North America.

In 1992, two Professional Lawn Care companies, ChemLawn and Spraytech, were each fined three hundred dollars for accidentally spraying pest control products on lawns located in the Town of Hudson.

The fine was LEGALLY CHALLENGED by the Professional Lawn Care Industry on the basis that the by-law was invalid, since it was PROHIBITORY and DISCRIMINATORY, and LIMITED or NEUTRALIZED PROVINCIAL AND FEDERAL LAWS.

Once the ACTS OF SUBVERSION of the Town of Hudson were VALIDATED by Enviro-Lunatic-Judges, the PROVINCE-WIDE CONSPIRACY BEGAN.

In 2002, the Government of the Province of Quebec moved to PROHIBIT pest control products used by the Professional Lawn Care Industry.

The PROHIBITION would be implemented under the Pesticide Management Code, over a three-year period, instituted in 2003 and ending in 2006.

However, it is a little-known fact that Quebec DID NOT PROHIBIT ALL PEST CONTROL PRODUCTS, and PERMITTED products such as Acclaim Herbicide, Betasan Herbicide, Deltagard Insecticide, Dicamba Herbicide, Dimension Herbicide, Imidacloprid Insecticide, and Spinosad Insecticide

Who says Quebec was ever Fully Pesticide-Free !?!?

# CARNAGE in Quebec and Across Canada

In the Province of Quebec and across Canada ...

LUNATIC-TERRORIST-PROHIBITION led to HORRENDOUS CARNAGE —

LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT.

Because of the LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses were forced to TERMINATE many or most of their employees.

PROHIBITION inflicted TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Professional Lawn Care Industry.

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

Consequently, Professional Lawn Care Companies were UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

In the Province of Quebec, OVER 60 PER CENT of the Professional Lawn Care Industry was ANNIHILATED.

PROHIBITION also spread to the Province of Ontario, where PROFESSIONAL LAWN CARE INDUSTRY LOST OVER 500,000,000 DOLLARS, with 8,300 TO 12,500 UNEMPLOYED.

All thanks to lunatics like DAVID SUZUKI.

## David Suzuki Foundation

---

David Suzuki Foundation is a PROHIBITION-TERRORIST-ORGANIZATION that CONSPIRES TO IMPOSE the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products.

Suzuki seeks to IMPOSE a NATIONAL PROHIBITION OF ALL PEST CONTROL PRODUCTS.

David Suzuki Foundation promotes itself as a national, non-profit, environmental organization.

David Suzuki Foundation was co-founded in 1991 by Non-Expert Enviro-Lunatic Fund-Raiser and Entertainer David Takayoshi Suzuki.

David Suzuki Foundation operates across Canada and the United States, but its business headquarters, with over FIFTY EMPLOYEES, is located in Vancouver, British Columbia.

It has branch offices in Ottawa and Montreal.

Suzuki is a MILLIONAIRE-FOR-PROFIT-LOBBYING-ORGANIZATION that operates with a budget of over SIX MILLION DOLLARS PER YEAR.

Suzuki is arguably the largest MULTI-MILLION DOLLAR MONEY-MAKING MACHINE.

David Suzuki Foundation uses POLITICIZED SCIENCE to COERCE, INTIMIDATE, and ALARM the public with NON-SENSICAL solutions to conserve nature and help achieve sustainability within a generation.

David Suzuki Foundation has developed expertise in the distribution of ideas related to POLITICIZED SCIENCE and public policy concerning the environment.

# DANGEROUS, HYPOCRITICAL, and INSATIABLE David Suzuki Foundation

## Suzuki Claims

---

DANGEROUS, HYPOCRITICAL, and INSATIABLE David Suzuki Foundation claims that ...

« *The David Suzuki Foundation works through science and education to protect the diversity of nature and our quality of life, now and for the future.* » [ ?!?! ]

In fact, Suzuki's MAIN OBJECTIVE is PROFIT, with MORE DONATIONS by SCAMMING THE PUBLIC with the CONCOCTION OF FRAUDULENT LIES and IMAGINARY DANGER about pest control products.

MORE LIES means MORE PROFIT.

Suzuki CONSPIRES to PROHIBIT pest control products that are otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and TOTALLY-IRREPLACEABLE.

Here are TWO interesting statements from David Suzuki Foundation —

« *The Ontario law [ prohibition of pest control products ] is something the David Suzuki Foundation, along with a range of health and environmental organizations, has been pushing for.* » — March 17th, 2009

« *The Suzuki Foundation challenges other provinces to meet or beat Ontario's ban on cosmetic pesticides to ensure a high standard of protection for human health and the environment across the country.* » — March 4th, 2009

## Suzuki FALSE Legacy

---

DANGEROUS, HYPOCRITICAL, and INSATIABLE Suzuki has spread MORE ENVIRONMENTAL MISINFORMATION THAN MOST other Environmental-Terrorist-Organizations.

Together, Suzuki and ALLIES in other Environmental-Terrorist-Organizations have EXPLOITED EMOTIONS and FEARS about a variety of issues, including pest control products — they have demanded accountability from everyone else BUT THEMSELVES.

They have PROFITED FINANCIALLY or POLITICALLY from FALSE STORIES and PREDICTIONS, and IMAGINARY DANGER, and have NEVER been held accountable.

Suzuki and ALLIES in other Environmental-Terrorist-Organizations use FALSE IDEAS that are presented OUT-OF-CONTEXT, then left uncorrected by lack of follow-up.

Suzuki's REAL LEGACY is DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP FOR PEOPLE, ANXIOUS CHILDREN, and WEAKENED COMMUNITIES.

Now in his 70s, David Suzuki himself is busy RE-WRITING HISTORY by promoting his FALSE LEGACY through books and events.

## Suzuki Funding

---

David Suzuki Foundation operates as a so-called non-profit INDEPENDENT charity that DOES NOT accept government grants.

However, this policy DOES NOT preclude Suzuki from accepting money from organizations that DO accept government grants.

Suzuki has claimed to be funded by more than forty-thousand donors from around the world ( including eighteen-thousand in Ontario ), as well as over fifty corporations and foundations.

Suzuki-Lunatics want to DESTROY the Golf Industry  
just as they DESTROYED the Professional Lawn Care Industry

## Suzuki and Golf

---

Suzuki DESPISES the Golf Industry !

Suzuki has also stated that it DOES NOT WANT ANY PROHIBITION EXCEPTIONS FOR THE GOLF INDUSTRY.

DANGEROUS, HYPOCRITICAL, and INSATIABLE Suzuki DEMANDS NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION for the Golf Industry.

David Suzuki himself made the following statement in 2008 —

« [ The new prohibition legislation in Ontario ] *allows GOLF COURSES to continue using pesticides and gives power to the Ontario minister of the environment to allow other exceptions, a potentially DANGEROUS LOOP-HOLE.* »

On its web site, David Suzuki Foundation has also made the following statement about GOLF EXCEPTIONS on October 15th, 2008 —

« *If provincial prohibitions exempt GOLF COURSES, as proposed in the discussion paper, MUNICIPALITIES need clear authority to RESTRICT PESTICIDE USE on GOLF COURSES within their boundaries to better protect public health and the environment.* »

### Suzuki, The Puppet-Master of the Environmental-Terrorist-Movement

---

Suzuki has definitely taken a LEADERSHIP role among those groups in the ENVIRONMENTAL-TERRORIST-MOVEMENT.

It appears that sometimes Suzuki even acts as THE PUPPET MASTER.

Suzuki has many PUPPETS that actively support the LUNATIC-TERRORIST-PROHIBITION of pest control products.

Sometimes, Suzuki simply pulls THE STRINGS, and makes these guys PERFORM.

It's actually FUN to watch.

## Suzuki Puppets

---

All SUZUKI PUPPETS are themselves PROHIBITION-TERRORIST-ORGANIZATIONS.

The PUPPETS play a part in the Suzuki-Enviro-Terror-ALLIANCES, but are basically operated by a mere dozen or so Enviro-Lunatic-Activists

Here are THE PUPPETS ( allies ) of THE PUPPET MASTER —

- ☒ Canadian Association of Physicians for the Environment
- ☒ Canadian-Cancer-Society

## Suzuki ALLIANCES

---

Environmental-Terror-ALLIANCES are agreements between two or more Environmental-Terrorist-Organizations.

Usually, the head of the alliance is itself a legitimate and independent group, such as David Suzuki Foundation.

Suzuki-Enviro-Terror-Alliances CONSPIRE to PRETENTIOUSLY PROHIBIT conventional pest control products that are otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, TOTALLY-IRREPLACEABLE, and ABSOLUTELY-INDISPENSABLE.

Suzuki-Enviro-Terror-Alliances are set up for one or several of the following reasons —

- For collecting MILLIONS OF DOLLARS in memberships and donations for the PROFIT of GREEDY RADICAL PROHIBITION-TERRORIST-ORGANIZATIONS.
- For concealing the views of supposedly moderate professionals, such as Enviro-Lunatic-Health-Care-Workers, in an attempt to mask their SUBVERSIVE LUNATIC views, hence DISCRETELY satisfying their cravings as a POWER-HUNGRY, AVARICIOUS, UNSCRUPULOUS, DEPRAVED ENVIRO-LUNATIC PSEUDO INTELLIGENTSIA.
- For ensuring that the non-profit tax status of the PARENT ORGANIZATIONS is not jeopardized by their SUBVERSIVE LUNATIC ACTIVITIES.
- For ensuring that the non-profit tax status of the participating lunatic organizations is not jeopardized by their activities
- For giving everyone the FALSE and FRAUDULENT impression that the Environmental-Terror-Movement has considerable size and power, when in fact, it DOES NOT — many of the so-called independent Environmental-Terror-Organizations are often ONE-IN-THE-SAME GROUP.
- For giving the public the FALSE and FRAUDULENT impression that there is grass-roots support for SUBVERSIVE LUNATIC public policies.
- For PROTECTING Suzuki and ALLIES from legal liability through the use of SHIELD ORGANIZATIONS.

## Suzuki ALLIANCES in Quebec

---

In 2009, the QUEBEC-Suzuki-Enviro-Terror-Alliances were formed with SEVEN PROHIBITION-TERRORIST-ORGANIZATIONS to CHALLENGE the threat against the Quebec PROHIBITION of pest control products.

The QUEBEC-Suzuki-Enviro-Terror-Alliances were operated by LESS THAN A DOZEN Enviro-Lunatic-Activists.

Some of the Enviro-Lunatic-Activists OPERATED MORE THAN ONE ORGANIZATION.

The QUEBEC-Suzuki-Enviro-Terror-Alliances opposed the Dow AgroSciences lawful challenge of Quebec's LUNATIC-TERRORIST-PROHIBITION under the North American Free Trade Agreement ( NAFTA ) Chapter 11.

The alliances were calling upon the Government of Canada to vigorously defend Quebec's LUNATIC-TERRORIST-PROHIBITION on pest control products.

They also wanted federal government to acknowledge that it makes sense to eliminate unnecessary chemical exposure to allegedly PROTECT human health and the environment.

Suzuki and its allies were extremely worried.

In fact, they went berserk !

If this scenario plays out in its entirety, the Canadian federal government may ultimately be forced to dispense HUNDREDS OF MILLIONS OF DOLLARS for every pest control product prohibited in every Province and municipality across Canada.

Suzuki, along with all other Environmental-Terrorist-Organizations that CONSPIRED to PROHIBIT pest control products, may also be liable for MILLIONS OF DOLLARS.

## Suzuki ALLIANCES in British Columbia ( BC )

---

In the August 25th 2009 Speech from the Throne, the Government of British Columbia committed to CONSULT British Columbians on ...

« *new statutory protections to further safeguard the environment from cosmetic chemical pesticides* »

The BC–Suzuki–Enviro–Terror–Alliances were created to SUBVERT the CONSULTATION PROCESS with a MERE DOZEN OR SO Enviro–Lunatic–Activists.

Some of the Enviro–Lunatic–Activists OPERATED MORE THAN ONE ORGANIZATION.

The BC–Suzuki–Enviro–Terror–Alliances are composed of ...

- ☒ Canadian Association of Physicians for the Environment
- ☒ Canadian–Cancer–Society — B.C. and Yukon Division

## Suzuki NATIONAL Lunatic Alliances

---

On November 19th, 2009, Suzuki organized National-Enviro-Lunatic-Alliances with twelve organizations representing all areas of the HEALTH SECTOR.

The National-Suzuki-Enviro-Terror-Alliances represent one of THE GREATEST THREATS to the future of the Modern Green Space Industry !

The OBJECTIVES of National-Suzuki-Enviro-Terror-Alliances is to COERCE, INTIMIDATE, and INFLUENCE government at all levels with so-called LINKS between health and the environment and incorporate these links into policy decisions through legislative [ i.e. PROHIBITION ] and budgetary actions.

If successful, the National-Suzuki-Enviro-Terror-Alliances will become the INSTRUMENT OF NATIONAL ANNIHILATION of the Modern Canadian Green Space Industry by seeking to IMPOSE a NATIONAL PROHIBITION of conventional pest control products.

The National-Suzuki-Enviro-Terror-Alliances are composed of ...

- ☒ Association of Canadian Academic Healthcare Organizations
- ☒ Canadian Association of Physicians for the Environment
- ☒ Canadian Coalition for Green Health Care
- ☒ Canadian College of Health Service Executives
- ☒ Canadian Dental Association
- ☒ Canadian Healthcare Association
- ☒ Canadian Healthcare Engineering Society
- ☒ Canadian Medical Association
- ☒ Canadian Nurses Association

# DANGEROUS, HYPOCRITICAL, and INSATIABLE David Suzuki Foundation

- ☒ Canadian Pharmacists Association
- ☒ Canadian Public Health Association
- ☒ David Suzuki Foundation
- ☒ National Specialty Society for Community Medicine

Besides, the LEGITIMACY of National-Suzuki-Enviro-Terror-Alliances WAS IN DOUBT since OFFICIAL DOCUMENTS were NEVER produced indicating that this so-called alliance truly existed.

Additionally, Suzuki has yet to provide documents indicating that the so-called alliances are with the groups themselves, and NOT JUST WITH ADMINISTRATORS.

The testimonial statements attached to the Suzuki alliance press release were from a MERE HANDFUL of Enviro-Lunatic-Activists with administrative titles such as chief executive officer, communications director, executive director, and association president.

Not one of these administrators had ANY recognized expertise, training, or background, in matters concerning pest control products.

Overall, their opinions were TOTALLY VALUELESS and UTTERLY WORTHLESS in matters concerning pest control products.

Virtually NONE of the testimonial statements attached to the Suzuki press release SPECIFICALLY ENDORSED ANY ALLIANCE.

Additionally, these groups have yet to RATIFY the conditions of the so-called Suzuki alliance with their membership.

Suzuki has yet to ally itself with ANY recognized experts in matters concerning pest control products.

In fact, the true recognized experts in matters concerning pest control products are opposed to most of the Suzuki IMAGINARY DANGER regarding pest control products.

The National-Suzuki-Enviro-Terror-Alliances was composed almost exclusively of groups composed of dentists, executives, nurses, pharmacists, physicians, and public health officials, and NOT scientists and researchers in the field of pest control products.

These dentists, executives, nurses, pharmacists, physicians, and public health officials have NO TRAINING and NO BACKGROUND and NO RECOGNIZED EXPERTISE in matters concerning pest control products — again, their opinions are TOTALLY VALUELESS and UTTERLY WORTHLESS in matters concerning pest control products.

## Suzuki SHIELDS

---

Suzuki-Enviro-Terror-Alliances have set up SHIELD ORGANIZATIONS that perform acts of FRAUD, CONSPIRACY, and SUBVERSION without the actions being attributed to Suzuki or its PUPPETS.

SHIELDS act for Suzuki without the actions being attributed to Suzuki directly.

SHIELDS are expected to provide some limited protection from legal liability.

SHIELDS ( also called UMBRELLAS or FRONT GROUPS or ALLIANCES or COALITIONS ) are often used by Suzuki and its PUPPETS.

## Suzuki SHIELD in Ontario

---

The Suzuki-Enviro-Lunatic-Alliance in the Province of Ontario is COALITION FOR PESTICIDE REFORM ONTARIO.

This coalition was created to ensure the passage of the Ontario Cosmetic Pesticides Ban Act.

COALITION FOR PESTICIDE REFORM ONTARIO was co-created by Canadian Association of Physicians for the Environment, Registered Nurses' Association of Ontario, and David Suzuki Foundation.

Here is a sample of the coalition's FRAUDULENT and SUBVERSIVE advertising on April 26th, 2008 —

« *Lawns and gardens are closer to where most people live and where children play. Lawn and garden pesticides represent a potentially significant and often involuntary pathway of exposure.* » [ Wrong ! ]

*Suzuki's LEGACY is DESTROYED ECONOMIES,  
LOST JOBS AND HARDSHIP FOR PEOPLE,  
and WEAKENED COMMUNITIES*

## Suzuki CARNAGE

---

Suzuki and its PUPPETS, ALLIANCES, and SHIELDS CONSPIRE to IMPOSE the PROHIBITION of conventional pest control products as a means of GUARANTEEING A FEW DOZEN WELL-PAYING ENVIRONMENTAL-TERRORIST-GREEN-JOBS.

The systematic LUNATIC-TERRORIST-PROHIBITION of conventional pest control products is a means of making Suzuki and its PUPPETS RICH !

Otherwise, the LUNATIC-TERRORIST-PROHIBITION of pest control products provides NO advantages for health or the environment, and NO advantages for society.

Federal, provincial, and municipal officials cannot EFFECTIVELY GOVERN THEIR JURISDICTIONS in a country that has PROHIBITION-TERRORIST-ORGANIZATIONS dictating public policy on matters such as the PROHIBITION of pest control products.

Now that Canada has become a HAVEN FOR ENVIRO-TERRORIST ACTIVITY, companies and investors SHUN CANADA, and GO ELSEWHERE — this has occurred in the pest control product manufacturing industry.

It is obvious that the LUNATIC-PROHIBITION-TERRORISTS within the Suzuki-Lunatic-Alliances must consider the hundreds of qualified scientists of the Pest Management Regulatory Agency of Health Canada to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

Perhaps the services of Health Canada should be terminated, and the Suzuki-Lunatic-Alliances can run the show themselves.

Unfortunately, there is NOT ONE Suzuki-Lunatic is competent to do this kind of work, especially in matters pertaining to pest control products.

LUNATIC-TERRORIST-PROHIBITION DESTROYED the Professional Lawn Care Industry — the owners, employees, and families dependent on Professional Lawn Care businesses have faced TERROR, DESPAIR, DESTITUTION, HORRIFIC FINES, and BUSINESS FAILURES.

Suzuki's REAL LEGACY is DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP FOR PEOPLE, and WEAKENED COMMUNITIES.

Suzuki is DANGEROUS, HYPOCRITICAL, and INSATIABLE.

## Suzuki Hypocrisy

---

On March 27th, 2009, Suzuki wrote ( with Lunatic-Ghost-Writer Faisal Moola ) ...

*« Now's the time to take science seriously.*

*How can any society make important decisions about these issues without being SCIENTIFICALLY LITERATE AND INFORMED ?*

*Too often, the role of science in solving our social, medical, and economic problems is poorly understood be-cause the nature of scientific research, discovery, and application is not understood.*

*[ ... ] good SCIENTISTS make important discoveries, and to maintain a top group of scientists, we need a culture that supports and honours its researchers.*

*That can't happen when science funding becomes a political hockey puck slapped around by whichever party comes into power.*

*We need generous long-term support for our top scientists so that they can create clusters of enthusiastic, inspired researchers. »*

Evidently, Suzuki SUPPORTS SCIENTISTS WHEN IT SUITS HIM.

He evidently DOES NOT SUPPORT those SCIENTISTS working for Pest Management Regulatory Agency of Health Canada.

How can any society make important decisions about pest control products without the expertise of the SCIENTIFICALLY LITERATE AND INFORMED Health Canada ?

In fact, Suzuki himself has NO expertise whatsoever in matters relating to pest control products.

# DANGEROUS, HYPOCRITICAL, and INSATIABLE David Suzuki Foundation

## Suzuki Lunatics

---

David Suzuki Foundation and its Enviro-Lunatics present themselves as a SUPPOSED EXPERTS in matters concerning pest control products. [ Wrong ! ]

Suzuki-Lunatics even present themselves as supposed experts in matters concerning TURFGRASS and ORNAMENTAL PLANT MANAGEMENT. [ Wrong ! ]

Suzuki-Lunatics merely represent their own interests only, and often seek to IMPOSE their LIFE-STYLE CHOICES on an unsuspecting public through the creation of LIES, FEAR-MONGERING, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES.

NOT A SINGLE Suzuki-Lunatics has ANY recognized expertise, training, or background, in matters concerning PEST CONTROL PRODUCTS !

This includes even David Suzuki himself.

In order to allow SOUND SCIENCE to be effectively practiced, it would be preferable leave the interpretation of scientific research to those people who are competent to do it — Health Canada — and NOT Suzuki-Lunatics.

Overall, the opinions of Suzuki-Lunatics are TOTALLY VALUELESS and UTTERLY WORTHLESS in matters concerning pest control products.

## David Suzuki.

David Suzuki holds a mere B.A. Honours in Biology and a mere Ph.D. in Zoology.

Suzuki has NO recognized expertise, training or background in matters concerning pest control products.

Actually, he is an expert in FRUIT FLIES.

In 1972, Suzuki COMPARED HUMANS TO FRUIT FLY MAGGOTS.

« Basically, we're all fruit flies. Most people in the world are content to stay as first or second-level MAGGOTS. The guys that become tenth-level MAGGOTS are really big wheels. »

As a broadcaster for PUBLIC TELEVISION, Suzuki has perpetually been in an ENORMOUS CONFLICT-OF-INTEREST between being a supposedly neutral television personality working for a government-owned public broadcasting corporation, and operating a partisan militant PROHIBITION-TERRORIST-ORGANIZATION.

Here are David Suzuki's PERSONAL CREDENTIALS with PROHIBITION-TERRORIST-ORGANIZATIONS that CONSPIRE to PROHIBIT pest control products —

- Honorary Board Member — Ecojustice Canada
- Honorary Board Member — Environmental Defence

« *The use of pesticides to improve the appearance of lawns, gardens, parks, and schoolyards poses UNNECESSARY RISKS to human health and the environment.* »

Meg Sears is a Suzuki-Enviro-Lunatic who has worked on some Suzuki projects in the CONSPIRACY to PROHIBIT pest control products.

Sears has NO recognized expertise, training or background in matters concerning pest control products.

Sears merely has a Doctorate in Biochemical Engineering.

She is neither a medical doctor, nor a scientist, although she appears to allow people to believe that she is.

So, why does Sears present herself as an EXPERT ?

Sears has come close to holding the GOLF INDUSTRY accountable for the sad death of her son.

Instead of lamenting and honouring his death, she appears to prefer using him instead as a DRAMATIC WEAPON OF ENVIRONMENTAL-TERROR against the GOLF INDUSTRY —

On April 30th, 2002, Sears made the following statement before a government committee. —

*« I'm not only a scientist, I'm also a mother. Science will never tell us what really happened, but this is somebody who possibly fell on the wrong side of your risk-benefit analysis. This is a picture of my son. He DIED just over a year ago, of a malignancy that was possibly caused ... When I was pregnant with him, they constructed a GOLF COURSE just down the road from me. They used a VAST QUANTITY OF PESTICIDES when they were doing that. »*

Here are Sears' personal credentials with PROHIBITION-TERRORIST-ORGANIZATIONS —

- Active member and representative — Canadian Coalition For Health and the Environment
- Adjunct investigator or health researcher — Children's Hospital of Eastern Ontario, Research Institute, Ottawa
- Head of steering committee, and scientific or science advisor — The Coalition For A Healthy Ottawa
- Representative — Organic Landscape Alliance
- Researcher and writer — DAVID SUZUKI FOUNDATION

- Margaret Atwood, Writer
- James Burke
- Paul R. Ehrlich, Enviro-Lunatic
- Gordon Lightfoot, Singer
- Sting, Enviro-Lunatic-Singer

In 1969, Enviro-Lunatic Paul R. Ehrlich issued the following light-hearted and needlessly alarming warning —

« *The oceans will die of DDT poisoning by 1979 [ ... ] the U.S. life expectancy will drop to 42 years by 1980 due to cancer epidemics.* »

## Dealing with Suzuki

---

In January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and the Ministry of the Environment.

The legal proceedings were organized by Jeffrey P. Lowes and M-REP Communications.

Additionally, individual members of Environmental-Terror-Organizations also faced CHARGES under the Canadian Criminal Code.

By August 2010, M-REP Communications commenced CIVIL ACTION to recover the HORRENDOUS LOSSES caused by PROHIBITION-TERRORISTS.

## DANGEROUS, HYPOCRITICAL, and INSATIABLE David Suzuki Foundation

Many Environmental-Terror-Organizations are now worried about litigation for their involvement in the CONSPIRACY to PROHIBIT pest control products.

David Suzuki Foundation has sanitized its web sites in order to try to squirm away from the spotlight. [ Too late ! We have downloaded and copied EVERYTHING ! ]

Everybody must STOP MAKING DONATIONS to David Suzuki Foundation !

The GOLF INDUSTRY must TERMINATE ALL RELATIONSHIPS with organizations within the Suzuki-Enviro-Terror-Alliances, like Contemptible and Radical Canadian-Cancer-Society, and suspend all related charitable tournaments that provide financial donations and support to these organizations.

The LOATHSOME and RIDICULOUS Golf Canada ( formerly RCGA, Royal Canadian Golf Association ) must immediately TERMINATE ALL RELATIONSHIPS with Environmental-Terrorist-Organizations like the Contemptible and Radical Canadian-Cancer-Society, World Wildlife Fund, and others, and suspend all related charitable tournaments and programs that provide financial donations and support to these organizations.

## Canada Revenue Agency Informant Leads Program

---

The Canada Revenue Agency ( CRA ) takes abuse of Canada's tax laws very seriously.

When an individual or business does not fully comply with tax legislation, an unfair burden is placed on law-abiding taxpayers and businesses and the integrity of Canada's tax base is jeopardized.

The mandate of the Informant Leads Program is to co-ordinate all leads that the CRA receives from informants, to determine if there is an element of non-compliance with tax legislation, and to ensure that appropriate enforcement action is taken.

The program is regionalized into five offices across the country.

To report suspected tax evasion, contact the office in your region.

An informant's identity will not be disclosed or you may provide information anonymously.

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE-TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
