National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

4/17/2011
The truth is not wonderful enough to suit the enviro-lunatics; so they enlarge upon it, and invent ridiculous embellishments.

— Adapted from Annie Sullivan, Educator

The production organization of Force Of Nature, and its various fore-runners, have followed the evolution of LUNATIC ENVIRONMENTAL-TERRORISM for over a quarter century, as early as 1982.

Force Of Nature Reports are THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG).

This is what we do. Don’t thank us. It’s a public service. And we are glad to do it.

Many FON Reports provide a sequence of historical events WITH COMMENTARY, the neutrality of which might be disputed.

It is a LINK DATABASE created to support efforts to fight and exterminate the Environmental-Lunatic-Vermin with reports developed for the education and entertainment of the reader.

Environmental-Lunatic-Vermin, or HUJE, are Lying Sacs of Cwap who rely on Junk Science, Fear-Mongering, and Terrorism to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with the use of conventional pest control products that are otherwise SCIENTIFICALLY SAFE for health and environment.

Force Of Nature Reports were launched for CONTINUOUS transmission on the Internet on January 1st, 2009. However, the VERY FIRST Stand-Alone Force Of Nature Report was issued on September 19th, 2008.

By early 2009, the reports were released no more than five times per week, but by August 25th, 2009, Force Of Nature was produced on a DAILY basis.

Uncle Adolph is an organization that operates INDEPENDENTLY from NORAHG and Force Of Nature, and its activities are restricted to posting and archiving.

Send us your REQUESTS for ANY INFORMATION that you need in your war against Lunatic-Environmental-Terrorists.

DOCUMENTS, AUDIO CLIPS, and VIDEO on ALL Enviro-Lunatic Activities are also AVAILABLE to SUPPORT the LAYING of CRIMINAL CHARGES of FRAUD and CONSPIRACY in virtually EVERY JURISDICTION — these ARCHIVES contain names, statements, activities, and affiliations of ALL Enviro-Lunatics, including Government Officials and Charitable Organizations.

The ENTIRE LIBRARY of FON Reports is also available on DVD or at Pesticide Truths — QUICK DOWNLOAD of ALL FON Reports —

THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)
Canadian Association of Physicians for the Environment

GLOATING, TREACHEROUS, AND REPUGNANT PROHIBITION TERRORIST ORGANIZATION

CAPE-Lunatics
LIE and LIE and LIE and LIE

REPUGNANT-CAPE is a PROHIBITION-TERRORIST-ORGANIZATION.

REPUGNANT-CAPE has MISAPPROPRIATED the money that it collected from the public and government by SQUANDERING hundreds of thousands of dollars on CONSPIRACIES leading to the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

REPUGNANT-CAPE HAS NOT SAVED A SINGLE LIFE or PREVENTED A SINGLE CASE OF CANCER with its PROHIBITION-CONSPIRACIES.

REPUGNANT Canadian Association of Physicians for the Environment (CAPE) has ABSOLUTELY NO CREDIBILITY and NO COMPETENT CAPACITY to handle matters concerning pest control products.
CAPE-Lunatics have NO recognized expertise, training or background in matters concerning pest control products!

CAPE-Lunatics are NOT well-informed about pest control products, but DELUDE THEMSELVES into believing that they know all there is to know.

In other words, CAPE-Lunatics knows NOTHING about pest control products!

CAPE-Lunatics compensate for their lack of expertise by CONCOCTING IMAGINARY DANGER, MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

Consequently, the opinions expressed by CAPE-Lunatics are TOTALLY VALUELESS and UTTERLY WORTHLESS.

CAPE-LUNATICS ARE NOT COMPETENT TO GIVE ADVICE!

REPUGNANT-CAPE is composed of Enviro-Lunatic-Health-Care-Workers and regular citizens — however, MOST CAPE MEMBERS ARE NOT EVEN PHYSICIANS.

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors — CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.
Moreover, REPUGNANT-CAPE was created for concealing the EXTREMIST VIEWS of supposedly moderate professionals, such as Enviro-Lunatic-Health-Care-Workers (i.e. Doctors and Nurses).

Not surprisingly, NOT A SINGLE CAPE-Lunatic has ANY recognized expertise, training or background in matters concerning pest control products!

In fact, the principal mandate of REPUGNANT-CAPE has been to attract MORE MEMBERS, MORE DONATIONS, and MORE PROFIT by SCAMMING THE PUBLIC with the CONCOCTION of FRAUDULENT LIES and IMAGINARY DANGER about pest control products.

CAPE-Lunatics have fulfilled their PRETENTIOUS and SELF-PROCLAIMED mandate by giving FALSE and FRAUDULENT impression that the public is being exposed to cancer-causing agents whenever a pest control product is used in the Urban Landscape. [Wrong!]

CAPE-Lunatics know NOTHING about pest control products.

They LIE and LIE and LIE and LIE.

It is truly amazing how CAPE-Lunatics CONCOCT their IMAGINARY DANGER with conventional pest control products, and SCAM and DECEIVE the public by blurting out HOLLOW and DESPICABLY-ALARMIST expressions like « cancer » and « leukemia » and « lymphoma ». [WRONG!]
CAPE-Lunatics also use terminally-ill children, or children in general, as a DRAMATIC WEAPONS OF ULTIMATE TERROR against the use of pest control products on the Urban Landscape — in fact, CAPE-Lunatics COULD NOT CARE LESS ABOUT CHILDREN.

In fact, CAPE-Lunatics are provided with HUGE FINANCIAL INCENTIVES to CONCOCT IMAGINARY DANGER, MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

And ... CAPE-Lunatics LIE and LIE and LIE and LIE.

In fact, pest control products are HEALTH-CANADA-APPROVED and SCIENTIFICALLY SAFE.

Is Repugnant-CAPE More Knowledgeable Than Health Canada ?!?!?

NO !

CAPE-Lunatics have conveniently considered the hundreds of qualified scientists of HEALTH CANADA's respected PEST MANAGEMENT REGULATORY AGENCY to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

In order to allow SOUND SCIENCE to be effectively practiced, the proper interpretation of scientific research about pest control products are performed by people who ARE COMPETENT to do it — HEALTH CANADA, and NOT CAPE.

NO pest control product can be sold or used until HEALTH CANADA’s scientists have evaluated ALL the existing evidence to determine whether the product meets stringent health and safety requirements.

Conventional pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at HEALTH CANADA !

Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment !

Summary —

Enviro-Terrorists were particularly encouraged because this meeting was one of the Minister’s very first consultations regarding PROHIBITION — It indicated the measure of the weight that terrorists have with government officials — Do the Activists and Government have a SECRET AGREEMENT ?!!?!

FON Report —

Summary

Attending the meeting with the Environment Minister were the Enviro-Lunatic-Leaders Jan Kasperski, Doris Grinspun, and Irene Gallagher — CAPE and its co-conspirators presented the Minister with a five-point statement that urged the government to BAN both pesticide use and sales in Ontario.

2009 — Calgary (Alberta) Terrorist Activities

Summary —

We live in a time when terror is spreading across Canada — Environmental-Terror-Organizations are working to win a pesticide BAN in Calgary — Calgary (with 1 million people) is the largest city in Canada with no pesticide restrictions [Big deal!]

FON Report —

Summary —

BASTERDLY LIES, AND MORE LIES — According to PROHIBITION-TERRORIST Forman, a Calgary pesticide by-law will be good for business and employment [Wrong!] — Enviro-Terrorists are driving legitimate and tax-paying Modern Professional Lawn Care companies into BANKRUPTCY, BUSINESS FAILURE, UNEMPLOYMENT, DESTITUTION, and DESPAIR! — The PROHIBITION of Federally-Legal, Scientifically-Safe, and Totally-Irreplaceable pest control products HARMS and DESTROYS businesses in the Green Space Industry! — It is truly amazing how Enviro-Maniacs like Forman defend their arguments by ignorantly blurtting out terms like «birth defects» and «cancer» and «poison»!

Summary —

Now, Canadian-Cancer-Society is considering weighing in on whether these sprays pose a cancer risk to FARMERS, other rural residents near them, and to the wider public from eating foods carrying pesticide residues.

FON Report —

Summary —

According to Forman of Canadian Association of Physicians for the Environment, I think we recognize that golf courses have some special challenges, so they may need some extra time perhaps, but we would like to see them included in the ban — The evidence linking pesticide use and cancer is allegedly suggestive and growing — Children are allegedly vulnerable to the chemicals found in the preparations — MORE LIES from Forman … going pesticide-free is not only good for human and environmental health, it’s also beneficial for the lawn care industry [Wrong! Wrong! Wrong!]

FON Report —

Summary

The prohibitionist policies of CAPE lead to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, creating DESPAIR and DESTITUTION for THOUSANDS of people throughout the Green Space Industry. The actions of CAPE are viewed as a form of TERROR against the Green Space Industry.

Summary   —

The BOGUS-OCFP-Review is a so-called landmark document on the human health effects of pesticide exposure — The report overall is scientifically weak, its main flaw being to draw inappropriate conclusions and make impractical recommendations for risk management on the basis of superficial consideration of an incomplete and biased selection of the relevant scientific evidence

Canada Revenue Agency
Informant Leads Program

The Canada Revenue Agency (CRA) takes abuse of Canada’s tax laws very seriously. When an individual or business does not fully comply with tax legislation, an unfair burden is placed on law-abiding taxpayers and businesses and the integrity of Canada’s tax base is jeopardized.

The mandate of the Informant Leads Program is to co-ordinate all leads that the CRA receives from informants, to determine if there is an element of non-compliance with tax legislation, and to ensure that appropriate enforcement action is taken.

The program is regionalized into five offices across the country. To report suspected tax evasion, contact the office in your region (an informant’s identity will not be disclosed or you may provide information anonymously):
