## Website set-up to hold David Suzuki accountable

November 6, 2013 — BC Blue

You have to love this website which features videos from Sun News' Ezra Levant's show exposing CBC's David Suzuki as a hypocritical fraud, a section devoted to his nutbar pseudo-science and includes a petition for people to sign:

- **To downsize from your 8 million dollar, double-lot, seaside mansion to a normal-sized home;**
- **To reclaim your other three homes, and plant them with carbon-absorbing trees and mosses and lichens;**
- **To appear at your public events by videoconference, instead of jetting to the events across the country and around the world;**
- **To bicycle, not take chauffeured vehicles;**
- **To stop your creepy and sexist demands for female bodyguards to escort you in our schools;**
- **To speak to Canadian students altruistically, not charge \$41,000 fees;**
- **And, to stop pretending you're the victim, when in fact you're the bully;**
- **In short, to live like you believe what you're preaching (see here)**

In your face Suzuki.

What a fraud...an oversexed old coot in his "Shades". His days are numbered since Ezra showed us what a no nothing jerk he is.

It is a nice thought. However, the thing about one being held accountable is that one also has to be credible. Since Suzuki is hardly the latter the former is impossible.

SUZUKI WILL NOT BE ADMIRER FOR LONG

Observers have suggested that David Suzuki hates people, and could not care less about the consequences of the mis-information he provides. According to reports, Suzuki does not hate all people, and seems to like pretty females who serve as his bodyguards. However, David Suzuki has provided reasons for believing that he hates people, at least certain types — Suzuki hates everyone in the lawn care industry, and has destroyed it by ruining businesses and putting people out of work. Suzuki hates golfers and despises the game of golf. Suzuki hates his fans by staring at them woodenly with icy silence. Suzuki hates humans because he believes they are maggots. Suzuki hates Santa Claus and ruins Christmas for children. In public, Suzuki uses profanity against those people he does not like, and seems so angry that they are afraid that he was going to hit them. Suzuki forgets that the price of greatness, as a celebrity, is responsibility.
