NORAHG RESPONSE

HUDSON'S ANTI-PESTICIDE MAYOR & HIS CO-CONSPIRATORS DESERVE THE TERROR OF THE COURTS

Hudson was/is infested with corrupt truth-challenged crooks and tax-evading criminals who were also, not surprisingly, anti-pesticide extreme-radical left-wing politicians. They stated lies like they were truth, and in a way that made people listen to them. Mayor Michael Elliot, and his lunatic co-conspirator councilors and managers were lunatic-liars ! They lied about pesticides. They lied about their personal income tax. They lied about town finances. They lied and lied and lied. Because of their lies, these lunatics annihilated the professional lawn care industry, coast-to-coast. Their lies led to the reckless, arbitrary, and insidious imposition of prohibition against pest control products used in the urban landscape. Subsequently, their lies created a trail of economic destruction with thousands of people out of work. <http://wp.me/P1jq40-43B> Their lies discredited Health Canada in order to prohibit products that had been scientifically-approved by the highest quality experts. In fact, Elliott and his co-conspirators were the least qualified to provide any advice about pest control products. Or about simply being honest. Observers are dismayed that these extreme radical left-wing politicians were ever allowed to run for office. They should all be sterilized so that their offspring cannot run for office. But seriously, observers are expecting that these lunatics lose their businesses, lose their assets, lose their homes, lose their lifestyles, lose their pensions, lose their families, lose their children, lose their loved-ones, and lose their futures. Why not ? Because of their insidious pesticide ban, the owners, employees, and families dependent on Professional Lawn Care businesses have faced TERROR, DESPAIR, and DESTITUTION. Elliott and his co-conspirators deserve the spotlight of anti-corruption scrutiny and the terror of the courts.
