

Hi Friend,

I'm not sure if you've heard the news yet?

Today I feel deeply honoured that Elizabeth May has named me Deputy Leader of the Green Party of Canada.

As Deputy Leader I'm looking forward to meeting with Canadians from coast to coast to coast, to working for my constituents, to standing up for you in the House of Commons.

I am so proud to be a strong Green voice for you in Ottawa.

What's more, I am excited to be coming on board at this historic and exciting time in GPC history -- all signs show 2013 was our best year yet:

- Over 35 000 Canadians signed up to stay informed on what Elizabeth (and now myself) are doing in Ottawa to bring Green change to Canada
- We are growing from the grassroots: our membership has never been larger
- 15 000 Green Canadians like you gave over \$2 million for the first time ever (**\$2,218,882 to be exact!**)

So it's pretty clear: **we've got momentum!**

And now -- together -- we can make 2014 even stronger for our party - **[so let's start it off right.](#)**

Add your name below to tell Elizabeth and me that you want to be a part this historic year. Then forward this link to your friends and family who also want to see Green change come to Canada:

This is exciting Friend and I'm glad to be part of it with you,
