Re: Cancer society using fear tactics (letter in March 21 issue of the Grand Forks Gazette)

Our doctors' organization is extremely disappointed to see the chemical industry attacking the Canadian Cancer Society. Goodness knows health authorities and industry lobbyists don't agree on everything but all parties have a responsibility to engage in civil discourse.

The industry's unfounded allegations – against one of Canada's most respected and trusted health charities – are just beyond the pale. No one benefits when debate is carried on in this manner.

Gideon Forman, Canadian Association of Physicians for the Environment

Norah G Fon ·

Boo-Hoo!

Gideon Forman is PRETENDING MOCK-INDIGNATION.

According to Forman —.

« Our doctors' organization is extremely disappointed to see the chemical industry attacking the Canadian Cancer Society. Goodness knows health authorities and industry lobbyists don't agree on everything but all parties have a responsibility to engage in civil discourse. » [?]

Gideon Forman's organization, Canadian Association of Physicians (CAPE) for the Environment, is a FUND-RAISING, PROFIT-SEEKING, and LOBBYING organization, and NOT a science, research, health, or physicians' organization.

The VAST MAJORITY of CAPE members ARE NOT EVEN PHYSICIANS.

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors.

CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.

...

In fact, CAPE functions as a PUBLIC POLICY SHIELD for Green Party of Canada and Canadian Cancer Society.

Forman's MOCK-INDIGNATION about Canadian Cancer Society is NO SURPRISE since he has a HUGE VESTED INTEREST IN PERPETUATING the IMAGINARY DANGER of pest control products.

Here are the FACTS that are CONVENIENTLY OVER-LOOKED by Forman —.

It is now common-knowledge that THE PRIMARY REASON FOR THE EXISTENCE of Canadian Cancer Society is BUSINESS, CASH-FLOW, and PROFIT.

THE MAJORITY OF ITS FUNDS DO NOT GO INTO RESEARCH.

The MAJORITY OF DONATIONS goes to paying for Activists / Lobbyists / HIRED GUNS, and clerical employees.

Moreover, Canadian Cancer Society is WASTING ITS MONEY AND RESOURCES to CONSPIRE AGAINST pest control products.

Pest control products that are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSE NO HARM.

By early 2012, Canadian Cancer Society SQUANDERED between 2,500,000 AND 5,000,000 DOLLARS on SUBVERSIVE Anti-Pesticide CONSPIRACIES.

These LUNATIC-CONSPIRACIES DESTROYED THE MODERN PROFESSIONAL LAWN CARE INDUSTRY by DESTROYING HUNDREDS OF LEGITIMATE BUSINESSES and UNEMPLOYING THOUSANDS OF DECENT HARD-WORKING PEOPLE.

NO ONE at Canadian Cancer Society has ANY recognized expertise, training, or background in matters concerning PEST CONTROL PRODUCTS.

Canadian Cancer Society ALLEGES having UNDISCLOSED, NON-EXISTENT AND UNVERIFIABLE SECRET EVIDENCE about the safety of pest control products.

Canadian Cancer Society has NEVER provided ANY credible information to Health Canada that justify its Anti-Pesticide CONSPIRACIES.

Furthermore, Canadian Cancer Society has NEVER explained how it can somehow accept other uses of pest control products, such as for the Agriculture Industry, which uses the VERY SAME INGREDIENTS as the Professional Lawn Care Industry.

Even FRESH DAFFODILS sold by Canadian Cancer Society are PESTICIDE-TREATED with the VERY SAME INGREDIENTS used to maintain turf and ornamentals in the Urban Landscape.

Cancer-Lunatic-Activists, operating as HIRED GUNS or LOBBYISTS, are PAID VAST SUMS OF MONEY to COERCE, INTIMIDATE, and TERRORIZE Government Officials by CONCOCTING FRAUDULENT LIES AND IMAGINARY DANGER about pest control products.

Cancer-Lunatic-Activists give the public the FALSE AND FRAUDULENT IMPRESSION that children and adults are being exposed to cancer-causing agents whenever a pest control product is used.

These activists DECEIVE GOVERNMENT OFFICIALS by blurting out HOLLOW and DESPICABLY-ALARMIST expressions like « cancer-causing » and « children at risk »!

Cancer-Lunatic-Activists DESPICABLY USE CHILDREN AS WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR in order to ALARM Government Officials into IMPOSING PROHIBITION of pest control products in the Urban Landscape.

Any PROHIBITION of pest control products is NOT JUSTIFIED because STRICT REGULATIONS BASED ON SCIENTIFIC RESEARCH ALREADY PROTECT OUR HEALTH and OUR ENVIRONMENT.

If Canadian Cancer Society were to devote the same level of energy to the primary causes of cancer, that being life-style, rather than SUBVERSION and FUND-RAISING, LESS PEOPLE WOULD DIE.

Canadian Cancer Society DOES NOT DESERVE ANY DONATIONS OR SUPPORT.

Nor does Canadian Cancer Society deserve a TAX-EXEMPT status.

Canadian Cancer Society is SUBVERSIVE, CONTEMPTIBLE, and RADICAL.
