NORAHG Responds Against Gideon Forman & CAPE – Child Exploitation Advertising Campaign Falsely Promotes Reckless & Arbitrary Prohibition Against Neonicotinoid Insecticides – 2014 11 17

November 18, 2014 WILLIAM H. GATHERCOLE AND NORAH G

Gideon Forman Is An Anti-Pesticide Terrorist Who Subversively Conspires With Other Jihadists To Impose Reckless And Arbitrary Prohibition Against Pest Control Products — They Are All Guilty Of Illegal Interference In Partisan Politics And Public Policy, And Consequently, They Are Guilty Of Violating Taxation Laws — Their Charity Tax-Exempt Statuses Must Be Revoked

NORAHG RESPONDS AGAINST GIDEON FORMAN AND HIS NON-SCIENCE-BASED CANADIAN ASSOCIATION OF PHYSICIANS FOR THE ENVIRONMENT (CAPE)

CAPE'S CHILD EXPLOITATION ADVERTISING CAMPAIGN FALSELY PROMOTES RECKLESS AND ARBITRARY PROHIBITION AGAINST NEONICOTINOID INSECTICIDES

Forman and his Bee Conspiracy Terrorists are WRONG !

They are RIDICULOUSLY IMPLYING that their NON-EXPERT ASSESSMENT is somehow being withheld from Health Canada and every other regulatory agency in the world.

Overall, Neonicotinoid Insecticides are NOT THE CAUSE of so-called Bee Colony Collapse Disorder.

In Forman's Subway Advertising Campaign, there is clear intent to DESPICABLY EXPLOIT CHILDREN AS WEAPONS OF ENVIRONMENTAL TERROR AND ANTI-PESTICIDE PROPAGANDA. <http://tinyurl.com/mtjks7>

This is also WRONG !

Moreover, the vast majority of members in Forman's organization, Canadian Association of Physicians for the Environment, are not even doctors and

nurses, and are certainly NOT COMPETENT TO MAKE ANY ASSESSMENTS regarding Neonicotinoid Insecticides.

Forman and his Bee Conspiracy Terrorists CONVENIENTLY IGNORE LEGITIMATE SCIENTIFIC REPORTS like the Scott-Dupree Study on Neonicotinoid Insecticides.

The only reason why they lobby in favour of prohibition is because they are PAID TO CONTRADICT AND SUBVERT AGAINST THE LEADING EXPERTS on pest control products, such as Health Canada.

Forman and his Bee Conspiracy Terrorists have HUGE VESTED INTERESTS in SUBVERSIVELY INTERFERING on issues that THEY KNOW NOTHING ABOUT. <http://wp.me/P1jq40-3s4>

LEADING EXPERTS, who have REAL recognized expertise, training and background in matters concerning pest control products, have assessed, in one form or another, that the ingredients in these products are SCIENTIFICALLY-SAFE, and WILL NOT CAUSE HARM TO BEES, as well as TO PEOPLE and TO THE ENVIRONMENT. <http://wp.me/P1jq40-8hT>

The alleged losses of bees are, in fact, THE FAULT OF THE BEE-KEEPERS AND THEIR MIS-MANAGEMENT PRACTICES.

THEY are responsible, and NOT Neonicotinoid Insecticides.

LEADING EXPERTS agree that, in recent years, Bee Colony Collapse Disorder is also the result of a combination of factors, including parasitic mites and diseases.

Recent scientific research points toward a combination of parasitic mites (specifically the *Varroa* Mite) and pathogens (such as *Nosema* and viral diseases) as main factors.

Forman's organization, CAPE, is a mere FUND-RAISING, LOBBYING, and PROFIT-SEEKING organization, and NOT a science, NOT a research, NOT a health, and NOT a physicians' organization.

It is CERTAINLY NOT SCIENCE-BASED !

With Forman's Subway Advertising Campaign, CAPE along with David Suzuki Foundation and Registered Nurses' Association of Ontario are INTERFERING WITH PARTISAN POLITICS, and, consequently, are IN VIOLATION OF TAXATION LAWS.

If these organizations want to interfere in partisan politics, then their charity tax-exempt statuses should be REVOKED.

The public has no choice but to complain about them by contacting business, fund-raising, government, and taxation agencies ! <http://wp.me/P1jq40-1PE>

CAPE, along with David Suzuki Foundation and Registered Nurses' Association of Ontario, deserve the spotlight of scrutiny and the terror of Canada Revenue Agency.

Consequently, they are all listed among Canada's prominent Anti-Pesticide & Environmental-Terrorist Organizations. <http://wp.me/P1jq40-48S>

Forman and his Bee Conspiracy Terrorists are also listed among the prominent culprits in the 9|11 era of anti-pesticide and environmental terrorism. <http://tinyurl.com/m4uez6c>

These culprits LIE and LIE and LIE and LIE about Neonicotinoid Insecticides — THEY NEVER STOP !
