## Enviro **TERROR** Plague !

British Columbia (B.C.) ( ˌbrɪtɪʃ kəˈlʌmbiə ) is the westernmost of Canada's provinces and is famed for its natural beauty, as reflected in its Latin motto, *Splendor sine occasu* ("Splendour without Diminishment"). In 1871, it became the sixth province of Canada. The capital of British Columbia is Victoria, the 15th largest metropolitan region in Canada. The largest city is Vancouver, the third-largest metropolitan area in Canada and the second-largest in the Pacific Northwest. (Source : Wikipedia.)

## BC HEALTH AND ENVIRONMENTAL POWERHOUSES CALL FOR COSMETIC PESTICIDE BAN AS ELECTION CAMPAIGN RAMPS UP

APRIL 20<sup>TH</sup>, 2009

CANADIAN CANCER SOCIETY  
(BRITISH COLUMBIA AND YUKON DIVISION)

MEDIA RELEASE

BC-based health and environmental groups, including the **Canadian Cancer Society** and the **David Suzuki Foundation**, are calling on all political parties to ban cosmetic pesticides as they campaign leading into **MAY 12**. With Ontario's landmark ban on more than 250 lawn and garden pesticides set to go into effect this Wednesday, the call seems timely.

*" We must act in BC. With each month, new evidence comes forward citing the harmful effects of pesticides on human health, and on non-target species, " says WARREN BELL MD, past founding president of the **Canadian Association of Physicians for the Environment (CAPE)**. " Economic arguments against phasing out pesticides are pure myth : landscaping businesses actually flourish when cosmetic pesticides are gone," states BELL. [ WRONG ! ]*

✓ **FACT : NOT A SINGLE PERSON IN THE ENVIRONMENTAL TERROR MOVEMENT HAS ANY RECOGNIZED EXPERTISE, TRAINING, OR BACKGROUND, IN MATTERS CONCERNING PEST CONTROL PRODUCTS !**

# British Columbia Prohibition of Pest Control Products!

Part 2

20/04/2009

This call is not something new; many lawn and garden pesticides have been banned since 2003 in **Quebec**. **Prince Edward Island** has announced its intent to ban lawn and garden pesticides come 2010 and **New Brunswick** has garnered much public support for a ban on lawn and garden pesticides.

A 2008 Ipsos Reid poll conducted for the **Canadian Cancer Society**, BC and Yukon Division shows that the majority of British Columbians support provincial legislation to restrict pesticide use. **KATHRYN SEELY**, Public Issues Manager, states, "*this healthy public policy is popular with British Columbians. Approximately three-quarters of all British Columbians believe that pesticides have a negative impact on their health, as well as the health of their children and pets, and similar numbers are concerned about the environmental impacts of pesticides*"

## Background Information from an Independent Perspective

✓ **FACT : POLLS BOUGHT AND PAID FOR BY KNOWN ENVIRO-TERROR ORGANIZATIONS HAVE NO SIGNIFICANCE WHATSOEVER !**

⊗ **ENVIRO-DECEPTION : ENVIRO-POLLS INDICATE THAT MOST PEOPLE FAVOUR A PROHIBITION OF CONVENTIONAL PEST CONTROL PRODUCTS ! [ WRONG ! ]**

✓ **FACT : ENVIRO-POLLS ARE DECEPTIVELY DESIGNED TO PROVIDE PROHIBITIONIST ANSWERS !**

✓ **FACT : ENVIRO-POLLS ARE BOUGHT AND PAID FOR BY ENVIRO-TERROR ORGANIZATIONS THAT HAVE CONSPIRED TO PROHIBIT FEDERALLY LEGAL, SCIENTIFICALLY SAFE, AND TOTALLY IRREPLACEABLE PEST CONTROL PRODUCTS.**

Delegates to the 2008 **Union of BC Municipalities** voted in favour of bringing in province-wide regulations to restrict the sales of cosmetic pesticides.

✓ **FACT : THIS UNION HAS ABSOLUTELY NO RECOGNIZED EXPERTISE IN MATTERS CONCERNING PEST CONTROL PRODUCTS !**

# British Columbia Prohibition of Pest Control Products!

Part 2

20/04/2009

" Decision makers are aware that many of the cosmetic pesticides available to consumers in British Columbia to kill buttercups and dandelions contain active ingredients that are classified as possible human carcinogens, reproductive toxins, endocrine-disrupting chemicals or neurotoxins, " according to MAE BURROWS, executive director of **Toxic Free Canada**. " Bringing these toxic chemicals into the environment is unhealthy and unnecessary."

Eighteen BC cities and towns have already passed bylaws restricting cosmetic pesticide use, but municipalities lack the authority to regulate pesticide sales.

" We are asking all provincial parties to commit to banning lawn and garden pesticides to promote healthy BC communities," says LISA GUE, Environmental Health Policy Analyst for the **David Suzuki Foundation**.

The **NDP** and **Green Party** have included a province-wide ban on cosmetic pesticides in their party platforms.

✓ **FACT : THESE PARTIES ARE ACTUALLY POLITICAL SHIELDS FOR THE ENVIRONMENTAL MOVEMENT !**

The **British Columbia coalition** of health and environmental groups that includes **Canadian Association of Physicians for the Environment, Canadian Cancer Society, David Suzuki Foundation, and Toxic Free Canada** has recommended provincial legislation that :

1. **BANS** THE USE AND SALE OF PESTICIDES USED TO IMPROVE THE APPEARANCE OF LAWNS AND GARDENS, INCLUDING A REQUIREMENT FOR **GOLF COURSES** TO PHASE OUT PESTICIDES.
2. ALLOWS EXEMPTIONS ONLY WHEN NECESSARY TO PROTECT PUBLIC HEALTH AND SAFETY.
3. ALLOWS MUNICIPALITIES TO ENACT AND ENFORCE BYLAWS THAT ARE MORE RESTRICTIVE OF PESTICIDE USE THAN THE PROVINCIAL LAW.
4. INCLUDES A 'WHITE LIST' OF LOW-RISK PESTICIDES THAT ARE PERMITTED ON LAWNS AND GARDENS TO PROMOTE PUBLIC AWARENESS.

## Background Information from an Independent Perspective

### SUZUKI ALLIANCES IN BRITISH COLUMBIA

#### Environmental Alliances

Environmental Alliances (also known as collaborations or coalitions) are agreements between two or more Environmental Terror organizations. Usually, the head of the alliance is itself a legitimate and independent group, such as **David Suzuki Foundation**.

Some alliances are forged for groups as part of an umbrella organization. An umbrella organization is an association of Environmental Terror organizations that work together formally to coordinate activities or pool resources. They are normally linked financially. The umbrella organization provides resources and often an identity to the smaller groups. With this kind of arrangement, the umbrella organization may be responsible for the group or groups under its care. This is comparable to franchises.

#### Reasons for Environmental Alliances

Alliances are set up for one or several of the following reasons. —

- ▶ TO ADVANCE COMMON GOALS AND TO SECURE COMMON INTERESTS.
- ▶ TO COMBINE PUBLIC AFFAIRS RESOURCES, SUCH AS THE PUBLICATION OF A DOCUMENT OR MEDIA RELEASES.
- ▶ TO DEFLECT LEGAL ACTION.

# British Columbia Prohibition of Pest Control Products!

Part 2

20/04/2009

- ▶ TO GIVE EVERYONE THE IMPRESSION THAT THE ENVIRONMENTAL TERROR MOVEMENT HAS CONSIDERABLE SIZE AND POWER, WHEN IN FACT, IT DOES NOT.
- ▶ TO INCREASE PUBLIC AWARENESS REGARDING ENVIRONMENTAL AGENDAS.
- ▶ TO POOL PUBLIC-RELATIONS EXPERTISE IN MANIPULATING PUBLIC POLICY.
- ▶ TO SECURE A LUCRATIVE SOURCE OF MULTIPLE INCOMES.

## The Suzuki Environmental Alliances in British Columbia.

The Suzuki Alliances in British Columbia are operated by a mere dozen or so Enviro-Maniacs, culprits that conspire to prohibit federally legal, scientifically safe, and totally irreplaceable pest control products.

David Suzuki has created an alliance with the following organizations in British Columbia with ...

- ⊗ CANADIAN ASSOCIATION OF PHYSICIANS FOR THE ENVIRONMENT (C.A.P.E.).
- ⊗ CANADIAN CANCER SOCIETY (C.C.S.) — B.C. AND YUKON DIVISION.
- ⊗ CANADIAN COALITION FOR HEALTH AND ENVIRONMENT (C.C.H.E.).
- ⊗ DAVID SUZUKI FOUNDATION.
- ⊗ PESTICIDE FREE COLUMBIA BASIN COALITION (FORMERLY PESTICIDE FREE COLUMBIA VALLEY COALITION.).
- ⊗ SIERRA CLUB OF CANADA.
- ⊗ SUNSHINE COAST CLEAN AIR SOCIETY.
- ⊗ TOXIC FREE CANADA.
- ⊗ WEST COAST ENVIRONMENTAL LAW (W.C.E.L.).
- ⊗ WESTERN CANADA WILDERNESS COMMITTEE.
- ⊗ WILDSIGHT.

Part 2

20/04/2009

**Force of Nature** was launched for continuous transmission on the Internet on January 1st, 2009. It is a series of e-newsletters destined for the **GREEN SPACE INDUSTRY**, the Environmental Terror Movement, government officials, municipalities, and the media, nation-wide across Canada, and parts of the United States and overseas. **FORCE OF NATURE** is produced in two parts. First, **THE MEDIA REPORT** itself that reports on the current events affecting the future of the **GREEN SPACE INDUSTRY**. Second, **INDEPENDENT PERSPECTIVE**, which is a continuing commentary, sometimes technical in nature. **Force of Nature** is the **WHOLE TRUTH** from an **INDEPENDENT PERSPECTIVE**! **Force of Nature** is **TOTALLY INDEPENDENT** of any trade association or business operating within the Green Space Industry.

**FORCE OF NATURE** is the brainchild of William H. Gathercole and his "saurage", **Norah G** is actually an acronym for the stable of anonymous producers and writers that contribute to this e-newsletter and have now replaced Mr. Gathercole. They consist of people from the following industries: Distribution, Fertilizer, Golf, Lawn Care, Manufacturing, Municipal, Nursery, Orchard. Many of these people are leaders in their own industries. The opinions expressed in **Force of Nature**, even though from an **INDEPENDENT PERSPECTIVE**, may not reflect those of everyone in the **GREEN SPACE INDUSTRY**, or Mr. Gathercole's many associates. **Be warned!** **Force of Nature** may sometimes be very irreverent and fearless with these e-newsletters, **DON'T THANK US, IT'S A PUBLIC SERVICE. AND WE ARE GLAD TO DO IT!** Mr. Gathercole is now retired from **Force of Nature**, although his name continues to appear as the founder.

William H. Gathercole is a **FOUNDER** of the Modern Professional Lawn Care Industry in **BC/TH**, Ontario, and Quebec. He holds a degree in Horticulture from the **UNIVERSITY OF GUELPH**, and another pure and applied science degree from **MCGILL UNIVERSITY**. He has worked in virtually all aspects of the **GREEN SPACE INDUSTRY**, including **GOLF** and **PROFESSIONAL LAWN CARE**, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, overseen, the execution of **HUNDREDS OF THOUSANDS** of pest control applications in the urban landscape. He has trained, instructed, and consulted with **THOUSANDS** of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for **FURF & Recreation Magazine**, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole has followed the evolution of **ENVIRONMENTAL TERRORISM** for over a quarter-century. His involvement in environmental issues reached a fevered pitch in the 1990s, when he orchestrated, with others, legal action against unethical and excessive municipal regulations restricting the use of pest control products. (i.e. the Town of Hudson, Quebec) for **FIFTEEN YEARS**, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of **Enviro-Terror** for the Entire Green Space Industry across Canada. Although he can be accused of being **ANTI-ENVIRONMENT MOVEMENT**, he is, in fact, simply a strong advocate **FOR** the **GREEN SPACE INDUSTRY**, from an **INDEPENDENT PERSPECTIVE**. However, this position has not precluded him from criticizing the Green Space Industry itself. Nonetheless, his vast knowledge of our long journey with environmental issues is **UNDENIABLE**. (Hopefully!)

All document excerpts and pictures contained in **FORCE OF NATURE** were found somewhere on the Internet. We believe that they are in the public domain, serving one of the following purposes: archive, education, promotion, publicity, or press release.

We believe that **ENVIRONMENTAL TERRORISM** can be **STOPPED!** Information presented in **FORCE OF NATURE** has been developed for the education and entertainment of the reader. The events, characters, companies, and organizations, depicted in this document are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. The mission of **Force of Nature** is as a **National Organization Responding Against Hujé** that harm the **Green Space Industry** with statements and activities, leading to prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** conventional pest control products. Culprits are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each culprit is a mis-guided adversary, each still deserves our respect. The terms, culprit or terrorist, are not an accusation of any legal wrong-doing. **Force of Nature** is simply holding culprits accountable for conspiring to change public policies that **TERRORIZE** and **THREATEN** the Green Space Industry. **Force of Nature** believes that the prohibitionist policies of the Environmental Terror Movement will lead to **LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, UNEMPLOYMENT**, leading to **DESPAIR** and **DESTITUTION** for **THOUSANDS** of people throughout the Green Space Industry. The actions of culprits in the movement are viewed as a form of **TERROR** against the Green Space Industry.
