and stop ignoring

# What the hell is wrong with you ?

Western Canada Turfgrass Association. This cowardly and inept trade association has boasted that it has NO POSITION STATEMENT ON PEST CONTROL PRODUCTS, at a time when its members are facing disaster, despair, and destitution.

This attitude of denial is UNACCEPTABLE. A failure to act NOW will be lethal and final for British Columbia, and will have a resounding impact across Canada. Future generations will ask the question — « *What the hell was wrong with you ?* »

## Which side are you on ?

On September 20<sup>th</sup> 2001, in an address to a joint session of Congress following the 9/11 attacks, U.S. President George W. Bush made the following inspirational statement. —

**What is WCTA doing  
in the war against  
ENVIRONMENTAL  
TERROR ?!?!?!?**
