Peace Arch News

[ British Columbia ]

Selected and adapted excerpts

In the Province of British Columbia, few candidates with their sights set on becoming Premier appear NOT interested in supporting a NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are otherwise FEDERALLY-APPROVED by Health Canada and SCIENTIFICALLY SAFE.

That's the feeling of Enviro-Lunatic Melodie Tomiyama, who is a so-called co-chair of a little club called Surrey-White-Rock-Pesticide-Free Coalition.

This little club attempts to operate as a SELF-IMPORTANT RADICAL and SUBVERSIVE Prohibition-Terrorist-Organization.

# British Columbia

## Western Canada Conspiracy to Prohibit Pest Control Products

As usual, B.C. Enviro-Lunatics  
are NOT COMPETENT to make comments  
concerning pest control products

Tomiyama has NO competent expertise, recognized training, or successful background, in matters concerning pest control products.

Overall, the opinions of Tomiyama are TOTALLY VALUELESS and UTTERLY WORTHLESS in matters concerning pest control products.

She is NOT COMPETENT to make comments !

With MOCK-OUTRAGE, Enviro-Lunatic Tomiyama is complaining that a MERE THREE POLITICIANS responded to a question concerning LUNATIC-TERRORIST-PROHIBITION.

In other words, most politicians these days DO NOT wish to get involved with Enviro-Vermin like Tomiyama.

It is BAD politics.

In fact, STATISTICAL ANALYSIS indicates that politicians who vote AGAINST PROHIBITION are ASSURED OF A LONGER CAREER as elected officials.

Otherwise, they seem disposed to FACE POLITICAL SUICIDE.

# British Columbia

## Western Canada Conspiracy to Prohibit Pest Control Products

Politicians who Vote YES for the prohibition of pest control products are viewed as BAD politicians

They face INEVITABLE POLITICAL SUICIDE

For example, in the 2010 Toronto Municipal Elections, politicians who had voted YES for LUNATIC-TERRORIST-PROHIBITION were deemed by the electorate to be BAD Politicians.

Overall, Toronto's Lunatic-Prohibition-Politicians were predisposed to be PUT OUT TO PASTURE and FACED INEVITABLE POLITICAL SUICIDE.

According to Enviro-Lunatic Mel Tomiyama —

*<< We sent it [ the question ] by e-mail, and we gave them over two weeks, and then we sent it again. >>*

The lunatic-question was ...

*<< Would you support the enactment of provincial legislation BANNING the sale, use and application of cosmetic pesticides on private lawns and gardens, as well as public parks and recreational facilities ? >>*

# British Columbia

## Western Canada Conspiracy to Prohibit Pest Control Products

With MOCK–SELF–IMORTANT–OUTRAGE, Tomiyama said –

| << *We are disappointed with the response.* >>

Dawn Black, Leader of New Democratic Party, said YES to LUNATIC–TERRORIST–PROHIBITION.

Jane Sterk, Leader of Green Party, said YES to LUNATIC–TERRORIST–PROHIBITION.

Both Green Party and New Democratic Party function as POLITICAL–SHIELDS for the RADICAL and SUBVERSIVE Prohibition–Terrorist–Movement.

POLITICAL–SHIELDS are set up for one or several of the following reasons – For collecting or donating funds. For concealing the views of supposedly moderate professionals, such as physicians and politicians, in an attempt to mask their extremist views. For giving everyone the FALSE and FRAUDULENT impression that the Prohibition–Terrorist–Movement has considerable size and power, when in fact, it does not.

Surrey–White–Rock–Pesticide–Free Coalition CONSPIRES towards the NEED-LESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

In other jurisdictions, LUNATIC–TERRORIST–PROHIBITION has led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting TERROR, DESPAIR, and DESTITUTION on THOUSANDS OF VICTIMS throughout the Modern Professional Lawn Care Industry.

# British Columbia

## Western Canada Conspiracy to Prohibit Pest Control Products

Government Officials should NOT deal with  
TERRORISTS, environmental or otherwise

Respected, reliable, reasonable, and rational  
politicians DO NOT deal with TERRORISTS

All other politicians in British Columbia either indicated they do NOT respond to lunatic-questions, or did NOT respond at all.

Why don't they want to respond to Tomiyama !?!?

Because ...

RESPECTED, RELIABLE, REASONABLE, AND RATIONAL POLITICIANS DO NOT DEAL WITH TERRORISTS, ENVIRONMENTAL OR OTHERWISE.

They understands that Environmental-Terrorism NEVER Ends !

Surrey-White-Rock-Pesticide-Free Coalition is a RADICAL and SUBVERSIVE Prohibition-Terrorist-Organization that seeks to DESTROY the Modern Professional Lawn Care Industry.

In fact, this organization works in concert with CONTEMPTIBLE and RADICAL Canadian-Cancer-Society, another larger Prohibition-Terrorist-Organization.

# British Columbia

## Western Canada Conspiracy to Prohibit Pest Control Products

DOCTORED-LUNATIC-POLLS are used by  
RADICAL Prohibition-Terrorist-Organizations  
to SUBVERT and INFLUENCE the course of events  
regarding LUNATIC-TERRORIST-PROHIBITION

Tomiyaama cited a 2009-2010 DOCTORED-LUNATIC-POLL that found 88 per cent of respondents in favour of PROHIBITING pest control products.

These small DOCTORED-LUNATIC-POLLS are DECEPTIVELY DESIGNED by RADICAL and SUBVERSIVE Prohibition-Terrorist-Organizations – they have NO SIGNIFICANCE WHATSOEVER !

Predictably, DOCTORED-LUNATIC-POLL ALWAYS indicate that most people favour a PROHIBITION of conventional pest control products ! [ Wrong ! ]

DOCTORED-LUNATIC-POLL are bought and paid for by Prohibition-Terrorist-Organizations that CONSPIRE to PROHIBIT pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

With DOCTORED-POLLS, RADICAL Prohibition-Terrorist-Organizations like Surrey-White-Rock-Pesticide-Free Coalition use SUBVERSION to INFLUENCE the course of events regarding LUNATIC-TERRORIST-PROHIBITION.

Vote For the End of Environmental Terror  
in the Province of British Columbia !

Prohibition Basterds

# Background Information from an Independent Perspective

## Enviro-Basterd Prohibition-Politicians DUMPED by Toronto Electorate in 2010

STATISTICAL ANALYSIS of the Toronto 2010 Municipal Election Results —

Almost HALF of all councillors who had voted YES for the PROHIBITION of pest control products were DEFEATED in the 2010 Toronto Election Campaign.

Only ONE-THIRD of all councillors who had voted YES for PROHIBITION were RE-ELECTED, and 15 per cent were RE-ELECTED with a VERY NARROW MARGIN.

TWO-THIRDS of all candidates who had SUPPORTED PROHIBITION prior to seeking office in Toronto, and who sought election as councillor for the first time, were DEFEATED ( including a major mayoral candidate ).

ABSOLUTELY ALL councillors who had voted AGAINST the PROHIBITION of pest control products were RE-ELECTED ( or ELECTED as Mayor ).

Conclusions —

Politicians who vote YES and SUPPORT the PROHIBITION of pest control products tend to end up being viewed as BAD or UNDESIRABLE for re-election by the electorate.

Politicians who vote YES and SUPPORT PROHIBITION seem to possess a DEFECT IN CHARACTER that leads them to DEFEAT in the next election.

Politicians who vote YES and SUPPORT PROHIBITION tend to be PUT OUT TO PASTURE FAIRLY QUICKLY.

They seem disposed to FACE POLITICAL SUICIDE.

Politicians who vote AGAINST the PROHIBITION of pest control products seem to possess a STRENGTH IN CHARACTER that leads them to RE-ELECTION ( or ELECTION as Mayor ).

Politicians who vote AGAINST PROHIBITION are ASSURED OF A LONGER CAREER as Elected Officials.

# NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
