

COLLISION COURSE

FORCE OF NATURE

THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

The golf industry is on a collision course with anti-pesticide prohibition

Anti-Pesticide PROHIBITION has already DESTROYED the Modern Professional Lawn Care Industry in many jurisdictions across Canada.

Golf Facilities Are NEXT !

Attempts are now being made by Anti-Pesticide Terrorists to use FEAR, COERCION, and INTIMIDATION in order to REPEL customers from Golf Facilities.

Golf Industry Collision Course

Lunatics TERRORIZE Golf Facility

April 3rd, 2012

e-KNOW — East Kootenay News Online Weekly

Province of British Columbia

Selected and adapted excerpts

Collision Course !

The Attempt To Destroy the Golf Industry

[Letter to the Editor Written by Anti-Pesticide Lunatic Ellen Zimmerman of Wildsight (a.k.a. Canadian Cancer Society), in Golden, British Columbia.

ALLEGED and MOCK-CONCERN About Golden Golf Club's Pesticide Management Plan.]

Wildsight [an Anti-Pesticide and Environmental-Terrorist Organization] is very disappointed with the recent Pesticide Management Plan put forward by the Golden Golf Club.

The Golden Golf Club plans to continue to attempt to control adult mosquitoes, arguably a FUTILE ENDEAVOUR considering the location, by spraying pesticides that have proven negative impacts on the environment.

[Zimmerman has NO recognized training, education, expertise in matters concerning pest control products, and yet, she is suddenly a so-called expert on mosquitoes and their control.

Zimmerman's opinion is TOTALLY VALUELESS and UTTERLY WORTHLESS.]

These pesticides admit, on their own labels, that they kill bees and other flying insects as well as being toxic to birds and fish. [which ones !?!]

[In fact, pest control products are SCIENTIFICALLY SAFE, and NO HARM WILL OCCUR when they are used according to label directions.

Zimmerman is merely attempting to ENRAGE and ALARM the public by CONCOCTING AN IMAGINARY SCENARIO.]

Collision Course !

The Attempt To Destroy the Golf Industry

Scientists have tolled [*sic*] the warning bell that bee populations are crashing world-wide. [but pest control products are NOT the cause]

The Golden Golf course, through their use of these pesticides, will certainly kill bees. [?!?!]

[If Zimmerman has proof that pest control products are killing bees world-wide, then why does SHE have evidence that NO ONE ELSE has ?!?!]

The benefit of the use of these pesticides is doubtful, while the potential risks are great and immeasurable. [?!?!]

The risks far outweigh the benefits. [?!?!]

Not only are the treatments only marginally successful in controlling mosquitoes with influx from the surrounding areas a constant, but also their suspected and known toxicity and implications for human health and environmental damage are undeniable. [WRONG !]

It is important that the public and golfers are aware that these toxic chemicals are being used regularly at the Golden Golf course.

[Zimmerman uses FEAR, COERCION, and INTIMIDATION in order to REPEL customers from the golf facility.]

Pregnant woman and children must necessarily have raised concerns.

[Zimmerman also DESPICABLY USES CHILDREN AS WEAPONS OF COERCION AND ENVIRONMENTAL TERROR !]

Collision Course !

The Attempt To Destroy the Golf Industry

Wildsight encourages the public, and golfers especially, to dress appropriately for the circumstances during the summer months. [What circumstances ?!?!]

Let the Golden Golf Club know that you want them to STOP USING TOXIC CHEMICALS, like Malathion, that kill non-selectively, potentially threaten eco-systems by killing bees and predatory insects that feed on mosquitoes, and can harm birds and fish. [?!?!]

[The products used by the golf facility are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSE NO HARM.

The golf facility should talk to their lawyers and local media outlets.

Consideration should be given to SUE Zimmerman's and Wildsight's BRAINS OUT for the MALICIOUS ATTEMPT AT DESTROYING BUSINESS.

Let Zimmerman and Wildsight FEEL THE SPOTLIGHT OF THE MEDIA AND THE TERROR OF THE COURTS !]

Can the Golden Golf Club rationalize the use of chemicals to control a mosquito nuisance that has never been shown at this location to cause disease when this same pesticide has unknown effect on human health and will locally contribute to undermining bee populations, now threatened globally ?

[The golf facility uses NO products proven to affect human health or bee population.]

A world without the main pollinator, bees, will be a very hungry world indeed. [?!?!]

**We are living in the 9|11 Era
of Anti-Pesticide Terrorism !**

**Anti-Pesticide Terrorists Must Feel
the Spotlight of the Media
and the Terror of the Courts**

Wildsight

Enviro-Terrorist Organization

Wildsight is an Anti-Pesticide and Environmental-Terrorist Organization operating in the Columbia and Southern Rocky Mountain Region of British Columbia.

Wildsight is also a **FUND-RAISING, PROFIT-SEEKING, and LOBBYING** organization, and **NOT** a science, research, or expert organization.

Wildsight has a **HUGE VESTED INTEREST IN SUBVERSIVELY CONCOCTING IMAGINARY DANGERS** about pest control products and other issues.

Doing this attracts **HUGE SUMS OF PROFIT** in the form of **TAX-FREE DONATIONS**, as well as **PAY-OFFS** from Canadian Cancer Society.

Wildsight is one of several organizations operating as **SHIELDS** for Canadian Cancer Society, along with Kootenay Citizens for Alternatives to Pesticides, Pesticide Free BC, Prevent Cancer Now, and Toxic Free Canada.

SHIELDS (also called **UMBRELLAS** or **FRONT GROUPS** or **ALLIANCES** or **COALITIONS**) are often used by Canadian Cancer Society.

Canadian Cancer Society has set up **SHIELDS** that can perform **ACTS OF FRAUD, CONSPIRACY, and SUBVERSION** without the actions being attributed to the parent organization.

SHIELDS are expected to provide some limited protection from legal liability.

Cancer-**SHIELDS** like Wildsight are **PAID SUBSTANTIAL AMOUNTS OF MONEY** to work as **ILLEGAL HIRED-GUN LOBBYISTS TO COERCE, INTIMIDATE, AND ALARM GOVERNMENT OFFICIALS INTO PROHIBITING PEST CONTROL PRODUCTS**.

Wildsight and Canadian Cancer Society want to **DESTROY** the Golf Industry.

Bee Colony Collapse Disorder

An Enviro-Lunatic Myth

Anti-Pesticide Activists, like those who operate Wildsight in British Columbia, are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE concerning pest control products.

These Anti-Pesticide Activists ALLEGE that pest control products somehow cause Bee Colony Collapse Disorder.

This is a MYTH !

Anti-Pesticide Activists further ALLEGE, with NO SCIENTIFIC PROOF, that pest control products somehow cause cancer.

This is another MYTH !

Since 2006, Anti-Pesticide Activists have ALLEGED that there are « *links* » and « *causes* » between the insecticide Imidacloprid and the so-called disappearance of honeybees.

Imidacloprid is widely used for the control of insect pests in lawns, gardens, ornamental plants, and agriculture.

Overall, « *links* » and « *causes* » between Bee Colony Collapse Disorder and the insecticide Imidacloprid are Enviro-Lunatic MYTHS !

Greedy and avaricious Anti-Pesticide Activists have CONCOCTED all sorts of « *links* » and « *causes* » for this phenomenon, hoping to PROSPER from cash donations, illicit businesses, unqualified employment, and grants, quite often without paying a single penny in taxes.

Collision Course

The Imminent Demise of the Golf Industry

Anti-Pesticide PROHIBITION has already DESTROYED the Modern Professional Lawn Care Industry in many jurisdictions across Canada.

It is NOW DESTROYING the Lawn Bowling Industry.

It will soon begin its DESTRUCTION of the Golf Industry.

Anti-Pesticide PROHIBITION was/is NEEDLESS, SENSELESS, MALICIOUS, and UN-NECESSARY.

PROHIBITION is NOT NECESSARY since pest control products are GOVERNMENT-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSE NO HARM.

Any PROHIBITION against pest control products is NOT JUSTIFIED because STRICT REGULATIONS based on scientific research already PROTECT our health and our environment.

ALL PROHIBITIONS are 100 per cent Politically-Based and 0 per cent Science-Based.

Anti-Pesticide PROHIBITIONS represent a TRIUMPH OF SENTIMENT OVER SCIENCE.

The MAJOR SOURCE of exposure to pest control products is from FOOD SUPPLY, and NOT the Urban Landscape.

PROHIBITION is NOT necessary, and has led to CATASTROPHIC CARNAGE such as BUSINESS FAILURES and UNEMPLOYMENT, and even DEATH.

IN THE 9|11 ERA OF ANTI-GOLF TERRORISM ...

The Golf Industry is on a COLLISION COURSE with the BLACK DEATH of Environmental and Anti-Pesticide Terrorism !

Golf facilities WILL become ABANDONED WASTE DUMPS !

Collision Course

The Imminent Demise of the Golf Industry

The Anti-Pesticide Terrorists will ANNIHILATE the Golf Industry !

We Are Now Living in the 9|11 Era of Environmental-Terrorism Against the Green Space Industry — which includes the IMMIDENT DEMISE of the Golf Industry.

The PROHIBITION CONSPIRACY against pest control products has now attained NATIONAL proportions, and the provinces are FALLING LIKE DOMINOES.

The Professional Lawn Care Industry has been systematically ANNIHILATED by Anti-Pesticide Terrorists across Canada.

PROHIBITION has led to HORRENDOUS and CATASTROPHIC CARNAGE for businesses operating in the Professional Lawn Care Industry, in the form of IMMENSE LOSSES OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, and even HORRIFIC FINES.

The Golf Industry can eventually EXPECT THE SAME CARNAGE.

In virtually all Anti-Pesticide jurisdictions, the Golf Industry has been provided with an EXCEPTION STATUS, and its use of pest control products HAS NOT BEEN PROHIBITED.

The Golf Industry can eventually EXPECT TO LOSE ITS EXCEPTION STATUS.

The Golf Industry, because of the attitude of its trade association leaders — an attitude of denial, protectionism, and mock-dismay at any form of criticism — ignored the supreme historic opportunity to join forces with the Professional Lawn Care Industry, and LITIGATE against the forces of Anti-Pesticide Terrorist-Evil.

A failure to do so was LETHAL, and future generations will someday ask the question — WHY DID YOU NOT ACT ?

The SUBVERSIVE CONSPIRACIES OF ANTI-PESTICIDE PROHIBITION WILL NEVER END — and it will SPREAD to the Golf Industry.

Collision Course

The Imminent Demise of the Golf Industry

The Golf Industry is on a COLLISION COURSE with the LOOMING SHIPWRECK of Anti-Pesticide and even Anti-Fertilizer TERRORISM !

For the first time within collective history, it can honestly be said that there is NO LONGER A HOPEFUL FUTURE for anyone in the Golf Industry.

IN THE YEAR 2020 ...

- The game of golf is NO LONGER a flourishing Billion-Dollar-Industry.
- Canadian Cancer Society has succeeded in ANNIHILATING the Golf Industry.
- The Golf Industry is SEVERELY WEAKENED by aging and declining membership, falling revenues, over-saturated market, unstable economy, volatile weather, and ANTI-PESTICIDE SUBVERSION.
- Golf facilities are ANNIHILATED by Enviro-Lunatic LAWSUITS with FALSE ALLEGATIONS of pesticide and fertilizer pollution.
- Enviro-Lunatics SHUT-DOWN golf facilities under the PRETEXT of saving obscure and meaningless animal species like tadpoles and snakes.
- Enviro-Lunatics also SHUT-DOWN golf facilities under the PRETEXT of saving bees.
- ORGANIC PESTICIDE-FREE golf course maintenance DOES NOT WORK.
- Bethpage and Vineyard, once used as U.S. examples, are DISMAL FAILURES.
- Pest control products are PROHIBITED NATIONALLY, despite being INDISPUTABLY SAFE to use.
- Anti-Pesticide PROHIBITION in Anti-Pesticide countries like Denmark DESTROYS most of golf facilities.
- Integrated Pest Management and Green Alternatives are DISMAL FAILURES.

Collision Course

The Imminent Demise of the Golf Industry

- The ENTIRE Golf Industry has its PESTICIDE EXCEPTION STATUS REVOKED.
- Pest problems are TOTALLY UNMANAGEABLE without conventional products.
- The labour now needed for pesticide-free maintenance is STAGGERING.
- The concept of Brown Is Beautiful is also a DISMAL FAILURE.
- Golfers NO LONGER want to play on BROWN DEPRESSING UNPLAYABLE courses.
- Golf facilities can no longer offer BEAUTIFUL RESTFUL green spaces to its clients.
- Playing conditions are TOTALLY DISMAL at virtually ALL pesticide-free golf facilities.
- Only the VERY RICH ELITE golfer can afford GREEN HEALTHY PLAYABLE courses.
- Over seventy per cent of golfers ABANDON the sport.
- All golf facilities are considered as WORTHLESS investments.
- No one can buy or sell a golf facility, and owners are FRANTIC.
- Golf facilities can NO LONGER AFFORD to pay the property taxes.
- In North America, over sixty per cent of all golf clubs CLOSE DOWN or GO BANKRUPT.
- Superintendents are NO LONGER NECESSARY or NEEDED.
- The Multi-Billion-Dollar-Golf-Industry is ANNIHILATED.
- Large numbers of golf facilities become ABANDONED WASTE DUMPS.
- The Golf Industry succumbs to BLACK DEATH.

STOP the lunatics !

N O R A H G

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

The Force Of Nature Series of Reports — Agriculture • ALBERTA Conspiracy • Bee Colony Collapse Disorder • Bee Colony Collapse Disorder • Benefits of the Turfgrass Industry • Beyond Pesticides • Books That Screwed Up the World • BRITISH COLUMBIA Conspiracy • Canadian Cancer Society • Canadian Association of Physicians for the Environment • CARNAGE and Consequences of Lunatic Terrorist Prohibition • Controversial Prohibitions • Culprits of the Prohibition Conspiracy • Daffodils, Toxic Pesticide Treated Flowers Soaked Formaldehyde • Dating Services for Enviro Maniacs • David Suzuki Foundation • DDT and Our World of Politicized Science • Death and Illness (Alleged) • Departure Letters • Ecojustice Canada • Energy Sector • Environmental Terrorists UNMASKED • Environmental Terrorist Organizations • Enviro PROFIT • Environmental Defence • FAILURE of IPM, Pesticide Manufacturers, Prohibition, Trade Associations • Famous Quotations About Enviro Lunatics • Fertilizer TERROR • Food and Farming • Get Off Our grASS • Global Warming, The Scam of Our Lifetime • Glyphosate Herbicide • Golf Industry • Green Alternatives • Green Party • Halloween Terror • Happy Holidays • Health Canada • Health Concerns with Pest Control Products • Heroes Speaking Out Against Environmental Terror • History of Environmental Terror in Canada • History of the Turfgrass Industry • Letters to the Editor • LIARS and Lying Sacks of (Enviro Maniac) Cwap • Mock Advertisements • Mock Speeches • Myth BUSTING • NATIONAL Prohibition • NEW BRUNSWICK Conspiracy • NO Prohibition Exception for AGRICULTURE Industry • NO Prohibition Exception for GOLF Industry • NOVA SCOTIA Conspiracy • North America Free Trade Agreement (NAFTA) • ONTARIO Conspiracy, Haven For Environmental Terrorists • Ontario College of Family Physicians • Organic Golf Courses • Organic Maintenance • Organizations of the Prohibition Conspiracy • Pesticide Q & A (Questions and Answers) • Positive Waves (Interesting and Innovative Thinking) • PRINCE EDWARD ISLAND (PEI) Conspiracy • QUEBEC Prohibition •

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver / Fraser Valley region • with Dr. Peter Dernoeden, confirmed the presence of Take All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to anti pesticide prohibition • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT reports.
