### Arctic Ice to Last Decades Longer Than Thought ?!?!?

September 21<sup>st</sup>, 2009

Ker Than  
National Geographic News

# SO-CALLED GLOBAL WARMING IS A MYTH !

This year's cooler-than-expected summer means the Arctic probably won't experience ice-free summers until 2030 or 2040, scientists say.

**IN OTHER WORDS ... SO-CALLED GLOBAL WARMING IS A MYTH !**

Some models had previously predicted that the Arctic could be ice free in summer by as soon as 2013, due to rising temperatures from global warming.

**PREDICTION MODELS FOR SO-CALLED GLOBAL WARMING ARE CLEARLY WRONG !**

# Environmental Terrorists Unmasked!

## Special Report.

21/09/2009

However, that scenario required Arctic sea ice to shrink at the record-setting pace of summer 2007, when sea ice coverage dropped to 1.6 million square miles (4.13 million square kilometres), said Walter Meier, a scientist at the U.S. National Snow and Ice Data Center in Boulder, Colorado.

This summer Arctic sea ice shrank to only 1.97 million square miles (5.1 million square kilometres). The 2009 drop is still the third largest on record, but it's not as big as some scientists had feared.

**ACTUALLY, SCIENTISTS FEAR LOSING LUCRATIVE FINANCING FOR THIS SILLY RESEARCH !**

Arctic sea ice typically shrinks in the summer and grows in the winter. It typically reaches its lowest coverage around mid-September.

### ONE-YEAR REPRIEVE

Meier cautions the new findings do not mean the Arctic is in recovery, or that global warming is slowing down.

**YEAH, RIGHT !**

*" I look at it as a one-year reprieve," he said. " I don't expect that to continue."*

**IN OTHER WORDS ... « I HOPE GLOBAL WARMING CONTINUES, OR I WILL BE OUT OF A JOB ! »**

For one thing, this year's ice is thinner than in the past, and thus more vulnerable to future melt.

*" If we get another really warm summer," Meier said, " we'll probably be back to where we were in 2007."*

**BOTTOMLINE ... GLOBAL WARMING IS A MYTH !**

LET'S PAUSE ...  
AND LOOK AT SOME ALARMING STATISTICS.

It has been predicted that so-called *global warming* will affect the Arctic, as well as the African and Asian countries, North America, and Europe. Consequently, it is expected that dozens of millions of refugees will be created, and that famine will affect **80 to 200 million** people.

We should all be reminded that many experts view *global warming* as purely **SPECULATIVE**. We are also advised to get a grasp on factual existing problems that plague our entire planet. As we speak, we have **REAL** problems, with **POVERTY**, **AIDS**, **POLLUTED DRINKING WATER**, and **MALARIA**, which are afflicting and killing many times more people than *global warming* ever will.

**HUNGER** is the most extreme form of **POVERTY**. Presently, **854 million** people across the world are hungry. **EVERY DAY**, almost **16,000** children die from hunger-related causes. Almost **6 million** children die **ANNUALLY** due to hunger.

# Environmental Terrorists Unmasked!

## Special Report.

21/09/2009

The latest statistics on the world epidemic of **AIDS AND HIV** indicate that **39½ million** people are living with it. **AIDS** deaths for **2006** were **2.9 million**, despite recent improvements to access to antiretroviral treatment.

Equally serious is the fact that a worldwide **SHORTAGE OF FRESH DRINKING WATER** affects forty per cent of the planet's population. Each year, **11 million** people die of diseases related to water that is not clean enough for consumption.

Finally, it is believed that **MALARIA** acutely afflicts more than **515 million** people per year. This number is more people than live in Canada, the United States, and Mexico, combined. Two-thirds of all cases occur in Africa. Additionally, it causes more than **1 million deaths** per year, principally among **CHILDREN** under the age of five years and pregnant women. At least eighty-six per cent of these deaths are in Sub-Saharan Africa. Globally, an estimated **3,000** women, children, and infants die from malaria **EVERY DAY**. Twelve billion dollars per year is lost to malaria.

In some countries, more people die of **MALARIA** than **HIV/AIDS** — and recently, a new study showed that people who contract **MALARIA** become more likely to spread **HIV**.

For over one-half century, **DDT** has been used as part of the solution to one of the world's great problems. Through the policies of **DEPRAVED INDIFFERENCE** of Environmental Terror Organizations, **DDT** has been prohibited in a manner that can only be described as « **ECO-MANSLAUGHTER** ».

### ERADICATING MALARIA WITH DDT.

**MALARIA** has wrought an enormous economic toll, by incapacitating otherwise productive people. The burden of malaria costs Sub-Saharan Africa an estimated **twelve billion dollars** per year. Thousands **SURVIVE** the disease with brain damage, thus keeping millions at home to care for them. It is the principal reason why people in Africa are living in abject **POVERTY**.

Both North America and Europe have not harboured malarial **MOSQUITOES** since the **1940s**. This was accomplished through the use of a range of public health measures, as well as generally increasing health and living standards. In fact, the beginning of the decline of malaria was due principally to the drainage of swampland and the removal of millponds. It had been known since **1914** that malaria could be controlled by fluctuating water levels. Nonetheless, **DDT** contributed to the final eradication of malaria in the developed world.

In 1955, the *World Health Organization* (W.H.O.) began a program to eradicate malaria throughout the world. The program relied greatly upon the application of **DDT** to control mosquitoes, with a practice called *DDT residual house spraying*. As a result of this program, by 1967, malaria was eradicated from all developed countries where malaria was endemic. Large areas of tropical Asia and Latin America were freed from the risk of infection. In Sub-Saharan Africa, the campaign was only launched in three countries since it was not considered feasible in the others. Swaziland and Mozambique are examples of countries that have very successfully reduced malaria infestations with **DDT**.

Throughout the years, spectacular decreases in malaria infections and deaths were seen after implementing an extensive anti-mosquito program with **DDT**. Here are **five** examples. —

❑ **INDIA. ■ 1945.**

- Almost **1 million** malarial deaths reported.

**INDIA. ■ 1960.**

- Only a few thousand cases were reported.

❑ **REPUBLIC OF CHINA (THE ISLAND OF TAIWAN). ■ 1945.**

- **1 million** cases of malaria. **DDT** was soon adopted. Republic of China (the island of Taiwan).

**REPUBLIC OF CHINA (THE ISLAND OF TAIWAN). ■ 1969.**

- Only 9 cases were reported, and shortly thereafter, malaria was eradicated from the island.

## Special Report.

21/09/2009

■ **SKRI LANKA (CEYLON). ■ 1946.**

- 2.8 million cases of malaria.

**SKRI LANKA. ■ 1961.**

- There were only 110 cases were reported.

**SKRI LANKA. ■ 1969.**

- The DDT program was halted, and malaria rebounded with 2½ million cases.

■ **SOUTH AFRICA (KWAZULU NATAL PROVINCE). ■ 1996.**

- DDT was stopped and the number of malarial deaths rose from 8,000 to 42,000.

**SOUTH AFRICA (KWAZULU NATAL PROVINCE). ■ 2000.**

- There was a 400 per cent increase in malaria deaths.

**SOUTH AFRICA (KWAZULU NATAL PROVINCE). ■ Modern day.**

- After the return of DDT, combined with the introduction of new therapies to treat malaria patients, malarial deaths have been reduced to less than 50 per year.

■ **VENEZUELA. ■ 1943.**

- 817,000 malarial deaths reported.

**VENEZUELA. ■ 1958.**

- Only 800 cases were reported.

# Environmental Terrorists Unmasked!

## Special Report.

21/09/2009

In 1970, the U.S. *National Academy of Sciences* summed up the situation with the following excerpt from their book *Life Sciences*. –

<< To only a few chemicals does man owe as great a debt as to DDT. [...] In little more than two decades, DDT has prevented 500 million human deaths, due to malaria, that otherwise would be inevitable. >>

The situation concerning malaria eradication can be summarized with the **three** following points –

- ❑ **DDT** contributed to the final eradication of malaria in the developed world.
- ❑ Spectacular decreases in malaria infections and deaths were seen after implementing anti-mosquito program using **DDT**.
- ❑ Our modern day world of politicized science refuses to admit that **DDT** has prevented hundreds of millions of deaths with its life-saving eradication of human diseases.

For over one-half century, **DDT** has been used as part of the solution to one of the world's great problems. Through the policies of depraved indifference of Environmental Terror Organizations, **DDT** will be prohibited in a manner that can only be described as « **ECO-MANSLAUGHTER** ».

Additionally, these Enviro-Terror Organizations prefer seeing money wasted on investigating myths like so-called *global warming* rather than solving some **REAL** world problems, such as with **POVERTY**, **AIDS**, **POLLUTED DRINKING WATER**, and **MALARIA**, which are afflicting and killing many times more people than *global warming* ever will.

### Enviro-Facts & Predictions !

The Environmental Terror Movement has been **MOSTLY WRONG** and **MALICIOUSLY ALARMIST** and **DECEPTIVE** for almost one-half century.

In the last fifty years, most Enviro-Maniacs have been shown to be mostly wrong — just like most in the Environmental Terror Movement are wrong today about pest control products.

The Environmental Terror Movement has been **MALICIOUSLY DECEPTIVE** regarding so-called **GLOBAL WARMING** by using **LIES, MISCONCEPTIONS, COERCION, THREATS, and TERROR!**

The Environmental Terror Movement is **MALICIOUSLY DECEPTIVE** about 2,4-D by using **LIES,**

**MISCONCEPTIONS, COERCION, THREATS, and TERROR !**

The Environmental Terror Movement is **MALICIOUSLY DECEPTIVE** about all pest control products used in the Green Space Industry !

Enviro-Maniacs present themselves as experts in matters concerning pest control products, when in fact they have **NO EXPERTISE WHATSOEVER**, thereby resorting to **LIES, MISCONCEPTIONS, COERCION, THREATS, and TERROR !**

Enviro-Maniacs use their Environmental Terror Organizations to routinely manipulate politicians into agreeing to prohibit **LEGAL, SAFE, and IRREPLACEABLE** pest control products by using **LIES, MISCONCEPTIONS, COERCION, THREATS, and TERROR !**

The provinces of Ontario, New Brunswick, and Quebec, were **DUPED** into prohibition by the **LIES, MISCONCEPTIONS, COERCIONS, THREATS, and TERROR** of Enviro-Maniacs and their Environmental Terror Organizations !

The governments that capitulated to prohibiting pest control products were **NAIVELY WRONG !**

Governments that capitulate to prohibiting **LEGAL, SAFE, and IRREPLACEABLE** pest control products are **WRONG** and will be held legally liable for their prohibitionist policies !

Prohibitionist governments and the culprits in the Environmental Terror Movement may be liable for damages worth **TENS OF MILLIONS OF DOLLARS.**

Enviro-Maniacs may be arrested and jailed for **FRAUD !**

## Special Report.

21/09/2009

**FORCE OF NATURE** was launched for continuous transmission on the Internet on January 1st, 2009. It is a series of e-newsletters destined for the GREEN SPACE INDUSTRY, the ENVIRONMENTAL TERROR MOVEMENT, politicians, municipalities, and the media, nation-wide across Canada, and parts of the United States and overseas. Force of Nature is produced in two parts. First. The Media Report itself that reports on the current events affecting the future of the GREEN SPACE INDUSTRY. Second. Independent Perspective, which is a running commentary, sometimes technical in nature. Force of Nature is the WHOLE TRUTH from an INDEPENDENT PERSPECTIVE!

Force of Nature is the brainchild of William H. Gathercole and his entourage. Norah G is actually an acronym for the stable of writers that contribute to this e-newsletter. The opinions expressed in Force of Nature, even though from an INDEPENDENT PERSPECTIVE, may not reflect those of everyone in the GREEN SPACE INDUSTRY, or Mr. Gathercole's many associates. Be warned! Mr. Gathercole and Norah G may sometimes be very irreverent and fearless with these e-newsletters. DONT THANK US. IT'S A PUBLIC SERVICE. AND WE ARE GLAD TO DO IT.

William H. Gathercole holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the GREEN SPACE INDUSTRY, including public affairs, personal safety, and environmental issues. Mr. Gathercole has been a consultant and instructor for decades. He also been an agricultural agronomist. Mr. Gathercole has been following the evolution of ENVIRONMENTAL TERRORISM for over a quarter-century. His involvement in environmental issues reached a fevered pitch in the 1990s, when he orchestrated, with others, legal action against unethical and excessive municipal regulations restricting the use of pest control products. ( i.e. the Town of Hudson. ) Although he can be accused of being ANTI-ENVIRONMENT-MOVEMENT, he is, in fact, simply a strong advocate FOR the GREEN SPACE INDUSTRY. However, this position has not precluded him from criticizing the Green Space Industry itself. Nonethe-

less, his vast knowledge of our long journey with environmental issues is UNDENIABLE. ( Hopefully ! ) For many years, Mr. Gathercole has been a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

All document excerpts and pictures contained in Force of Nature were found somewhere on the Internet. We believe that they are in the public domain, serving one of the following purposes : archive, education, promotion, publicity, or press release.

We believe that environmental terrorism can be BEATEN ! Information presented in Force of Nature has been developed for the education and entertainment of the reader. The events, characters, companies, and organizations, depicted in this document are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. The mission of Force of Nature is to respond to those statements and activities originating from culprits that conspire to prohibit FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE conventional pest control products. Culprits are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each culprit is a mis-guided adversary, each still deserves our respect. The term culprit is not an accusation of any legal wrong-doing. Force of Nature is simply holding culprits accountable for changes in public policy that have terrorized the Green Space Industry. Force of Nature believes that the prohibition policies of the ENVIRONMENTAL TERROR MOVEMENT will lead to UNEMPLOYMENT, BANKRUPTCY, BUSINESS FAILURE, DESPAIR, and DESTITUTION. The actions of the movement is viewed as a form of TERROR against the Green Space Industry.
