Overview from an Independent Perspective

Misappropriation of Public Funds by Cancer-Maniac-Activists

The Contemptible and Radical Canadian—Cancer—Society MISAPPROPRIATES the money that it collects for cancer research by SQUANDERING tens of thousands of dollars on conspiracies leading to the needless, senseless, and malicious prohibition of federally legal, scientifically safe, and totally irreplaceable pest control products.

Cancer-Maniac-Activists attain their goals by CONCOCTING MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about conventional pest control products.

Money-Squandering by Cancer -Maniac-Activists

Cancer-Maniacs are simply GREEDY and AVARICIOUS.

DESPICABLE Cancer-Maniac-Activists CON-COCT programs and presentations that reward them with SAFE, SECURE, GUAR-ANTEED, and WELL-PAYING ENVIRO-TER-ROR-JOBS as SUBVERSIVE Enviro-Maniac-Activists. KA-CHING!

Canadian–Cancer–Society SQUANDERS the millions that it collects from public donations to pay a substantial amount of donation–money for activists to work as SUB-VERSIVE and DESPICABLE PAID–FOR–PROFIT–CANCER–LOBBYISTS .

They are paid to COERCE, INTIMIDATE, and ALARM Government Officials into CONSPIRING TO PROHIBIT pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

And yet, not one of these Cancer–Maniac-Activists has ANY expertise in matters pertaining to pest control products.

Remuneration of Cancer-Maniacs

Cancer-Maniac-Activists are given unbelievably VAST REWARDS when they CO-ERCE, DECEIVE, INTIMIDATE, and ALARM Government Officials. KA-CHING!

Cancer-Maniac-Activists are PAID-FOR-PROFIT an INCENTIVE of 2,000 DOLLARS by Canadian-Cancer-Society FOR EVERY FORUM ORGANIZED. KA-CHING!

Cancer-Maniac-Activists are PAID a BONUS of 1,000 DOLLARS by Canadian-Cancer-Society FOR EACH PRESENTATION MADE to Government Officials. KA-CHING!

Cancer-Maniac-Activists making presentations to Government Officials are given a BOUNTY of 5,000 DOLLARS by Canadian-Cancer-Society upon successful prohibition legislation. KA-CHING!

Cancer-Maniac-Activists who are making presentations are also being PAID-FOR-PROFIT a SALARY of OVER 40,000 DOL-LARS PER YEAR, plus expenses, by Canadian-Cancer-Society, to COERCE, DECEIVE, INTIMIDATE, and ALARM Government Officials. KA-CHING!

Every single time these Cancer-Basterds make a public presentation, they are PAID-FOR-PROFIT as HIRED-GUNS and UNREGISTERED LOBBYISTS. KA-CHING!

They are paid with money that has been MISAPPROPRIATED by Contemptible and Radical CANADIAN-CANCER-SOCIETY.

KA-CHING!

KA-CHING!

Ka-Ching!

WE LIVE IN A GREEDY LITTLE WORLD
THAT TEACHES EVERY CANCER-MANIAC
TO EARN AS MUCH AS THEY CAN POSSIBLY
THEN TURN AROUND AND SPEND IT FOOLISHLY
ON ENVIRO-MANIAC LIES AND MIS-INFORMATION

DING-DONG BULLSHIT BAFFLES BRAINS, AND MAKES WARREN BELL RICH!

Enviro-Profit

Holding For-Profit Enviro-Maniac-Basterds accountable for conspiring against the Green Space Industry

Revelstoke Government Officials are Baffled by Bull-Shit from Canadian-Cancer-Society

August 17th, 2010

Revelstoke Times Review

Selected and adapted excerpts

The Town Council of the City of Revelstoke, located in British Columbia, Canada, listened to a presentation by Enviro-Maniac-Activists of Contemptible and Radical Canadian-Cancer-Society (CCS) and Repugnant Canadian Association of Physicians for the Environment (CAPE).

Both CCS and CAPE are Environmental—Terror—Organizations that are basically operated by the SAME people.

Cancer—Maniac—Vixen Jerilynn Maki of the Contemptible and Radical Canadian—Cancer—Society told council about the Enviro—Maniac reports CONCOCTED by her colleagues.

According to Cancer–Maniac Maki —

<< What we have been seeing is there are links between pesticide exposure and developing certain cancers. >> [?!?!]

Maki is a lying sac of Enviro-Maniac crap!

Maki is referring to products like 2,4-D, that is used for the control of broad-leaved weeds in turf. NO regulatory body in the world classifies 2,4-D as a human carcinogen. 2,4-D is probably THE MOST studied and best understood of ANY chemical — not just pesticide — in existence.

Federally-registered pest control products are SCIENTIFICALLY SAFE! Overall, when it is used properly, there are NO harmful irreversible effects to health and the environment!

Enviro-Profit

Holding For-Profit Enviro-Maniac-Basterds accountable for conspiring against the Green Space Industry

Instead of increasing the public's awareness of the largest known preventable causes of cancer, such as smoking and diet, Cancer-Maniac Maki prefers SCAMMING, DECEIVING, and ALARMING Government Officials into believing there is some non-existent danger with conventional pest control products.

According to Cancer–Maniac Maki —

<< Even though we don't have 100-per-cent conclusive evidence that if you are exposed to pesticides you are for sure going to be getting all those cancers, we are saying that there is enough evidence out there that we need to start taking precautions now. >>

In fact, there is **NO** evidence whatsoever. Cancer-Maniac-Activists, like Maki, have compensated for their lack of expertise by concocting MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, AND PARANOID CONSPIRACIES about pest control products.

FOR-PROFIT HIRED-GUN and UNREGISTERED LOBBYIST Warren Bell also made a presentation to Town Council about his MISTAKEN BELIEFS, WARPED IDEOLOGICAL PERSPECTIVES, and UNEDUCATED ALLEGATIONS about pest control products.

Cancer-Maniac Bell was paid 1,000 DOLLARS, plus expenses, by Canadian-Cancer-Society for his mis-representation of the facts. Not bad for a few hours' worth of work, especially for someone with NO recognized expertise, training, or background in this matter. KA-CHING!

Bell knows better than the hundreds of scientists at Health Canada, the government agency that stringently regulates pest control products!

Evidently, Bell considers the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

Moreover, Bell showed a clever but out-dated link between DDT and alleged health problems, but did NOT explain the fact that DDT has NOT BEEN USED for lawn care in almost fifty years. No matter.

Ding-Dong Bull-Shit Baffles Brains, and Makes Bell Rich! KA-CHING!

AND PLOTTING TO CONSPIRE IN THE ANNIHILATION OF THE GREEN SPACE INDUSTRY.

made his presentation as a so-called « expert » on pest control products to the Town Council

background concerning pest control products. KA-CHING!

KA-CHING! KA-CHING!

IN THE EVENT THAT CRIMINAL CHARGES FOR FRAUD AND CONSPIRACY ARE LAID AGAINST GOVERNMENT OFFICIALS IN THE CITY OF REVELSTOKE ...

... WHO WILL BE THE « EXPERT » WITNESS WHO WILL HELP THEM DEFEND THEIR CASE ?!?!

IN COURT, REVELSTOKE GOVERNMENT OFFICIALS

WILL REALIZE THAT NOT A SINGLE PERSON

WITHIN THE ENVIRONMENTAL-TERROR-MOVEMENT

HAS ANY RECOGNIZED EXPERTISE, TRAINING OR BACKGROUND

IN MATTERS CONCERNING PEST CONTROL PRODUCTS!

INCLUDING DING-DONG BELL.

IN COURT, REVELSTOKE GOVERNMENT OFFICIALS WILL BE UNABLE TO PROVIDE ANY SCIENTIFIC BASIS FOR THEIR NEEDLESS, SENSELESS, AND MALICIOUS CONSPIRACY TO PROHIBIT PEST CONTROL PRODUCTS!

In court, Revelstoke Government Officials will be « LEFT OUT TO DRY » BY THEIR FORMER ENVIRO-MANIAC-BUDDIES!

DING-DONG BULL-SHIT BAFFLED THEIR BRAINS, AND MADE WARREN BELL RICH!

KA-CHING! KA-CHING!

BELL WILL BE SITTING AT HOME COUNTING HIS MONEY WHILE GOVERNMENT OFFICIALS ARE DRAGGED THROUGH THE COURTS.

Background Information from an Independent Perspective

Who Is Warren Bell?

BELL is a FOR-PROFIT HIRED-GUN, and UNREGISTERED LOBBYIST who conspires to prohibit pest control products that are federally legal, scientifically safe, and totally irreplaceable.

He is PAID-FOR-PROFIT as an « *expert* » on the so-called threat of pest control products, despite the fact that he has NO recognized expertise, training, or background in this matter.

Overall, BELL's opinions concerning pest control products are TOTALLY VALUELESS and UTTERLY WORTHLESS.

Nonetheless, BELL has developed a LUCRATIVE career using JUNK SCIENCE. He is also an « expert » on NEAR-DEATH or OUT-OF-BODY EXPERIENCES.

Because of his spiritual beliefs, BELL is affectionately known as « Ding-Dong ».

BELL was Board Member, Co-Founder, and President of Repugnant CANADIAN ASSOCIA-TION OF PHYSICIANS FOR THE ENVIRONMENT (CAPE), an Environmental-Terror-Organization operating in Toronto.

BELL is Board Leader on Medicine and Environment Committee with Contemptible and Radical CANADIAN-CANCER-SOCIETY, British Columbia Chapter. He is also Member of PREVENT CANCER NOW, the public affairs SHIELD for Contemptible and Radical CANADIAN-CANCER-SOCIETY.

Finally, BELL is President of Medical Staff at Shuswap Lake General Hospital, in British Columbia, earning a 165,000-dollar-per-year salary as administrator with too much free time.

Additionally, BELL rakes in TENS OF THOUSANDS OF DOLLARS PER YEAR as a FOR-PROFIT HIRED-GUN, and UNREGISTERED LOBBYIST, for Contemptible and Radical CANADIAN-CANCER-SOCIETY, and other Environmental-Terror-Organizations.

In British Columbia, BELL also conspires with several other Environmental—Maniac—Activists. For example, MAE BURROWS is a close associate of BELL. She is the Executive Director of the LABOUR ENVIRONMENTAL ALLIANCE SOCIETY, another Environmental—Terror—Organization. It operates a SHIELD ORGANIZATION called TOXIC FREE CANADA. BELL, MAE BURROWS, and KATHRYN SEELY, and other Vixens of Contemptible and Radical CANADIAN—CANCER—SOCIETY, have conducted a FOR—PROFIT TRAVELLING ROAD SHOW throughout British Columbia.

They depict myths, deceptions, fear-mongering, fraudulent lies, misconceptions, coercion, threats, terror, and paranoid conspiracies about conventional pest control products.

Every single time BELL and his Cancer–Basterd–Buddies make a public presentation, they are PAID–FOR–PROFIT as HIRED–GUNS and UNREGISTERED LOBBYISTS. KA–CHING!

They are paid with money that has been MISAPPROPRIATED by Contemptible and Radical CANADIAN-CANCER-SOCIETY. KA-CHING! KA-CHING!

As we approach the time when Ontario will legally deal with domestic enviro-terror threats, there are still threats that must be dealt with in British Columbia.

CANADIAN-CANCER-SOCIETY
HAS MISAPPROPRIATED
THE MONEY THAT IT COLLECTS
FOR CANCER RESEARCH.

ANY EVIDENCE CONCERNING
THE ACTIVITIES OF WARREN BELL
AND CANADIAN-CANCER-SOCIETY
SHOULD BE RECORDED AND RELAYED TO
LOCAL GOVERNMENT OR TAXATION OFFICES
IN ORDER TO ASSIST WITH INVESTIGATION.

There will be a filing of charges with respect to the financial activities of charitable enviro-terror-organizations like Canadian-Cancer-Society.

CHARGES WILL BE BASED ON THE EVIDENCE OF MISAPPROPRIATION OF PUBLIC FUNDS.

Environmental Terror MUST END!

Cancer-Basterds
Get off our
GITASS

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against Huje that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed.

Huje is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCON-CEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some NON-EXISTENT danger with conventional pest control products. Huje also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of conventional pest control products that are FEDERALLY LEGAL. SCIENTIFICALLY SAFE. TOTALLY IRREPLACEABLE. and ABSOLUTELY INDISPENSABLE.

All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. Don't thank us. It's a public service. And we are glad to do it.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his entourage. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from McGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority. Mr. Gathercole is now retired from Force Of Nature, although his name continues to appear as the FOUNDER. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status, that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of Environmental Terror for the entire Modern Green Space Industry across Canada. Mr. Gathercole's involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec. Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair.

Mr. Gathercole and his entourage have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. Through Force Of Nature, Enviro Maniac Activist Huje are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry. Their pretentious prohibitionist rants have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd Huje is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.
