The largest grassroots recreational golf participation program for women in Canada

The program is aimed to grow women's participation in the game of golf by introducing them to the game through fun, non-intimidating activities. Through a unique partnership structure with the Canadian Cancer Society, this fund-raising program allows the Canadian Cancer Society to MISAPPROPRIATE the money that it collects for cancer research by SQUANDERING hundreds of thousands of dollars on conspiracies leading to the needless, senseless, and malicious prohibition of federally legal, scientifically safe, and totally irreplaceable pest control products.

This program allows the Canadian Cancer Society to MISUSE the millions that it collects from public donations to pay a substantial amount of donation-money for activists to work as SUBVERSIVE and DESPICABLE PAID-FOR-PROFIT CANCER-LOBBYISTS.

With the support of other Environmental-Terror-Organizations, the actions of the Canadian Cancer Society has EXTENSIVELY DAMAGED the Professional Lawn Care Industry.

Furthermore, the Canadian Cancer Society has indicated that it will TERRORIZE the GOLF INDUSTRY NEXT !

Help us reach our goal for 2010 of having 18 900 women play in a Golf Fore the Cure event, and raise over \$950 000 to support Environmental-Terror-Organizations like the Contemptible & Radical Canadian Cancer Society.

Enviro-Profit

Holding Cancer-Maniac-Lobbyists accountable for conspiring to prohibit pest control products

In 2009, Golf Canada (formerly Royal Canadian Golf Association) raised almost 800,000 dollars for the Contemptible and Radical Canadian-Cancer-Society.

Moreover, since 2004, Golf Canada has provided this Environmental-Terror-Organization with millions of dollars.

Moreover, the Contemptible and Radical Canadian-Cancer-Society is the Official Charity of Golf Canada Golf Fore the Cure.

THIS IS UNACCEPTABLE !

Golf Canada is supplying millions of dollars to an Environmental-Terror-Organization that conspires to annihilate the entire Modern Green Space Industry with the needless, senseless, and malicious prohibition of pest control products that are federally legal, scientifically safe, and totally irreplaceable.

Cancer-Maniacs have extensively damaged the Professional Lawn Care Industry ... and Cancer-Maniacs PLAN TO TERRORIZE THE GOLF INDUSTRY NEXT !

Golf Canada must immediately STOP ALL FINANCIAL SUPPORT OF ENVIRONMENTAL-TERROR.

Golf Canada and the entire Golf Industry must SUSPEND ALL CHARITABLE TOURNAMENTS AND PROGRAMS that provide financial donations and support to Environmental-Terror-Organizations like the Contemptible and Radical Canadian-Cancer-Society, and others.

As long as Golf Canada and the entire Golf Industry continue to finance Environmental-Terror, Cancer-Maniacs will benefit from safe, secure, guaranteed, and well-paying enviro-terror-lobbying-jobs that will allow them to coerce, intimidate, and alarm Government Officials into prohibiting pest control products.

Golf is NEXT !

CANCER-MANIACS WILL TERRORIZE THE GOLF INDUSTRY NEXT !

Enviro-Profit

Holding Cancer-Maniac-Lobbyists accountable
for conspiring to prohibit pest control products

Cancer-Maniacs have pulled the trigger
against the Golf Industry !

In 2007, Canadian-Cancer-Society issued a statement regarding CARCINOGENS
and the Golf Industry —

<< *Position Statement of Canadian Cancer Society —*

The Canadian Cancer Society is very concerned about the use of POTENTIAL CARCINOGENS for the purposes of enhancing the appearance of lawns and gardens, as well as parks, recreational facilities, and GOLF COURSES.

We base this concern on the conclusions of the International Agency for Research on Cancer, which state that some substances used in pesticides are classified as known, probable, or possible carcinogens. >>

Background Information from an Independent Perspective

Cancer-Maniacs Sell-For-Profit Pesticide-Treated-Formaldehyde-Drenched-Toxic-Cancer-Daffodils

Since Daffodils are an IMMENSE source of PROFIT for Contemptible Canadian-Cancer-Society, of course Cancer-Maniacs have ABSOLUTELY NO SCRUPLES regarding the use of pest control products ... when it suits THEM !

Pesticide-Treated-Formaldehyde-Drenched-Toxic-Cancer-Daffodils are SOLD-FOR-PROFIT in local stores and transported throughout North America, with many going to the Canadian-Cancer-Society's annual spring awareness campaign.

Contract-Daffodil-Growers working for Cancer-Maniacs USE CONVENTIONAL PEST CONTROL PRODUCTS on a regular and continuous basis, and have done so for decades. Every year, Van Treight Nursery on Vancouver Island PRODUCES-FOR-PROFIT a staggering 18 MILLION Pesticide-Treated-Toxic-Cancer-Daffodils.

18 MILLION Pesticide-Treated-Formaldehyde-Drenched-Toxic-Cancer-Daffodils !

It is common knowledge that ALL the Daffodils grown at Van Treight Nursery for the Canadian-Cancer-Society require the use of pest control products like 2,4-D and Roundup.

This is an example of Canadian-Cancer-Society GREED and HYPOCRISY.

Since the flowers are a HUGE source of FOR-PROFIT-INCOME, of course Cancer-Maniacs have NO OBJECTION to the use of pest control products ... when it suits THEM !

*IF IT IS SAFE TOUCH AND HOLD A PESTICIDE-TREATED-CANCER-DAFFODIL,
IT IS ALSO SAFE TO WALK ON A PESTICIDE-TREATED LAWN OR GOLF COURSE*

Cancer-Maniac Ironies

IRONICALLY ... Pesticide-Treated-Toxic-Cancer-Daffodils SOLD-FOR-PROFIT by Cancer-Maniacs are not toxic.

IRONICALLY ... conventional pest control products used to produce Pesticide-Treated-Toxic-Cancer-Daffodils are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the hundreds of expert scientists at Health Canada !

IRONICALLY ... Cancer-Maniacs consider the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific conclusions regarding pest control products.

IRONICALLY ... Cancer-Maniacs constantly discredit the work of Health Canada, and yet, this federal agency has determined that the pest control products used for PRODUCING-FOR-PROFIT the Toxic-Cancer-Daffodils are SCIENTIFICALLY SAFE.

IRONICALLY ... Both Cancer-Daffodil-Production for Canadian-Cancer-Society and the Professional Lawn Care Industry use the SAME ingredients that are needed to control insect and weed pests.

IRONICALLY ... Professional Lawn Care maintenance requires LESS PESTICIDE-INPUTS than Daffodil Production.

CANCER-MANIAC-CULPRITS WHO CONSPIRED TOWARDS
THE NEEDLESS, SENSELESS, AND MALICIOUS PROHIBITION
OF PEST CONTROL PRODUCTS THAT ARE FEDERALLY LEGAL,
SCIENTIFICALLY SAFE, AND TOTALLY IRREPLACEABLE

Force Of Nature is NOT just The Whole Propaganda Independent Truth from an Perspective

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some NON-EXISTENT danger with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
