### Doubts About Effectiveness and Worth of Cancer-Machine

---

Without getting into the debate as to why cancer rates appear to be rising, [ THEY ARE, IN FACT, DECLINING ] at least we can take solace in the research that we hope will one day result in a cure.

According to the Cancer Statistics 2010 report issued by the American Cancer Society ( ACS ) ...

... Cancer incidence rates and the number of DEATHS DUE TO CANCER continue to DECLINE in the United States.

The incidence of cancer has ...

- decreased by 1.3 per cent per year from 2000 to 2006 in men
- decreased by 0.5 per cent per year from 1998 to 2006 in women

Cancer death rates have ...

- dropped 21 per cent since 1991 among men
- dropped 12 per cent since 1992 among women

But perhaps that day may never happen.

And recent events involving cancer research and fund-raising have RAISED SOME DOUBTS as to the effectiveness — and worth — of the CANCER-MACHINE.

### Controversy at Duke University

---

The New York Times recently chronicled THE RISE AND FALL of Dr. Anil Potti, a cancer researcher at Duke University Medical Center.

Dr. Potti and colleagues had undertaken promising studies on genomic testing for molecular traits of cancerous tumours, and determining which chemotherapy treatment would be most appropriate.

Lung cancer patient Juliet Jacobs had a lot to gain and everything to lose, to that promise.

Jacobs was part of the Duke University study, hoping for a break-through that would prolong her life.

Instead, the promising research was DISCREDITED due to the discovery of errors.

Four gene signature papers were retracted, three trials at Duke were shuttered and the lead researcher RESIGNED.

Juliet Jacobs died a few months following treatment that promised much but proved INEFFECTIVE.

Her family has launched a LAWSUIT, as have the relatives of other similarly doomed patients who had high hopes from the Duke research, since dashed.

### Controversy in Canada

---

Then, there's the controversy in Canada over the allocation of fund-raised dollars to research, compared with other needs of an apparently RAVENOUS CANCER-MACHINE.

A consumer advocacy arm of the Canadian Broadcasting Corporation looked at the financial records of the CANADIAN-CANCER-SOCIETY, following a COMPLAINT from a cancer researcher that research dollars appear to be harder to get — even though more people are contributing towards a cure for cancer and revenue is increasing.

It should be noted that the proportion of each fund-raised dollar ALLOCATED FOR RESEARCH has always been LESS THAN 50 PER CENT once you factor in fund-raising and administration ( one sector ) and « Other » ( identified as support, information, and advocacy ).

But research was at least a large part of that pie, if not the largest piece.

But NO LONGER.

While research measured in dollars is up slightly since 2000, the proportion when measured against a dramatic increase in fund-raising revenue has DROPPED from 40.3 per cent in 2000 to LESS THAN 22 PER CENT this year.

Meanwhile, fund-raising and administration has JUMPED from 26 per cent to 42.7 per cent in the same time frame.

## Fund-Raising Practices Considered FRAUDULENT ?

### Controversy in Canada ( continued )

---

In other words, less than 22 cents of every dollar donated to the Canadian-Cancer-Society goes to research, versus the 42.7 cents that is spent on bringing that money in.

The « *Other* » sector of the three-piece pie has stayed pretty consistent, as Canadian-Cancer-Society undertakes support and advocacy for cancer patients.

So it appears that the rise in costs associated with raising those dollars, HAS COME AT THE EXPENSE OF RESEARCH DOLLARS.

### Dollars Are Given for a CURE

---

I don't know about you, but I usually respond to an invitation to « *help find a cure for cancer* ».

Yes, I know all about cancer patient support and advocacy, which is important.

BUT MY DOLLAR IS MAINLY GIVEN TO HELP FIND A CURE.

In reality, it appears to be going to support and advocate for people who already have cancer, and to keep people in their jobs with the Society.

### I'd almost like to have that money back

---

I'd almost like to have that money back — especially in light of recent revelations of research gaffes that have served to waste a whole pile of precious research dollars on something that has essentially been poured down the drain.

Cancer patients, who have lost their respective fights amidst shoddy research, will see their legacy carried on by their families and loved ones, many of whom are suing the perpetrators of shoddy research and the sponsoring facilities for misrepresentation.

Losing a dollar, compared with losing a life is no comparison at all.

Still, when an organization advertises the need to find a cure only to spend less than 22 cents of your donated buck on finding that cure versus almost 43 cents on the fund-raising and administrative machine, can that be interpreted as FRAUD ?

Some will say it is.

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

## The PRIORITY for Cancer-Lunatics

---

Canadian-Cancer-Society DOES NOT PUT HEALTH AND ENVIRONMENT FIRST !

The primary reason for the existence of Canadian-Cancer-Society has NOTHING TO DO WITH HEALTH but has everything to do with BUSINESS, CASH-FLOW, and PROFIT.

The MAJORITY OF DONATIONS to Canadian-Cancer-Society are NOT USED FOR CANCER RESEARCH.

THE PRIMARY REASON FOR THE EXISTENCE of Canadian-Cancer-Society is BUSINESS, CASH-FLOW, and PROFIT.

THE MAJORITY OF ITS FUNDS DO NOT GO INTO RESEARCH.

The MAJORITY OF DONATIONS goes to paying for Activists / Lobbyists / HIRED GUNS, and clerical employees.

Canadian-Cancer-Society also SQUANDERS MILLIONS OF DOLLARS ON SUBVERSIVE ANTI-PESTICIDE CONSPIRACIES.

## The TREACHERY of Cancer-Lunatics

---

Observers estimate that Canadian-Cancer-Society SPENT OVER 2,500,000 DOLLARS ON ANTI-PESTICIDE TERRORIST-CONSPIRACIES.

Canadian-Cancer-Society CONSPIRES TO PROHIBIT pest control products that are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

## TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

NO ONE Canadian-Cancer-Society has ANY recognized expertise, training, or background in matters concerning PEST CONTROL PRODUCTS.

Cancer-Lunatic-Activists, operating as HIRED GUNS or lobbyists, are paid to COERCE, INTIMIDATE, and TERRORIZE Government Officials by CONCOCTING FRAUDULENT LIES AND IMAGINARY DANGER about pest control products.

These HIRED GUNS DECEIVE GOVERNMENT OFFICIALS by blurting out HOL-LOW and DESPICABLY-ALARMIST expressions like « *cancer* » and « *serious illness* » and « *reproductive problems* » and « *neurological diseases* » and « *children at risk* » !

Cancer-Lunatic-Activists will give Government Officials the FALSE AND FRAUDULENT IMPRESSION that children and adults are being exposed to cancer-causing agents whenever a pest control product is used.

Cancer-Lunatic-Activists will DESPICABLY use children as WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR in order to convince Government Officials of the necessity of PROHIBITION.

Any PROHIBITION of pest control products is NOT JUSTIFIED because STRICT REGULATIONS BASED ON SCIENTIFIC RESEARCH ALREADY PROTECT OUR HEALTH AND OUR ENVIRONMENT.

### The REWARDS to Cancer-Lunatics

---

PROHIBITION makes Cancer-Lunatic-Activists become RICH !

Their SUBVERSIVE ANTI-PESTICIDE CONSPIRACIES have been rewarded with MILLIONS OF DOLLARS from government and private donations !

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

The more these Cancer-Lunatics concoct LIES, THREATS, COERCION, FEAR-MONGERING, MISCONCEPTIONS, and TERROR about conventional pest control products, THE MORE THEY BECOME RICH !

## SQUANDERING by Cancer-Lunatics

---

Canadian-Cancer-Society SQUANDERS AND MISAPPROPRIATES the PROFIT that it collects for cancer research on ANTI-PESTICIDE CONSPIRACIES.

Observers estimate that these ANTI-PESTICIDE CONSPIRACIES have cost Canadian-Cancer-Society OVER 2,500,000 DOLLARS.

Canadian-Cancer-Society ALLEGES having UNDISCLOSED, NON-EXISTENT AND UNVERIFIABLE SECRET EVIDENCE about the safety of pest control products.

In fact, Canadian-Cancer-Society is WASTING ITS MONEY AND RESOURCES because pest control products are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

Canadian-Cancer-Society does NOT operate primarily as a health care organization, but an ILLEGAL AND SUBVERSIVE ANTI-PESTICIDE TERRORIST-ORGANIZATION.

Canadian-Cancer-Society SQUANDERS AND MISAPPROPRIATES MILLIONS ON ANTI-PESTICIDE CONSPIRACIES AND PROPAGANDA by paying for ...

- Advertisements in newspapers
- Brochures
- Foreign HIRED GUNS

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

- Lobbying of Government Officials
- Polls through professional agencies
- Media releases through professional agencies
- Salaries, incentives, bonuses, and bounties for HIRED GUNS
- Power Point presentations
- Video productions for Youtube
- Web-site announcements and proclamations
- Writing letters to the editor

## The ANTI-PESTICIDE HIRED GUNS

---

Millionaire Canadian-Cancer-Society uses the millions that it collects from donations to PAY SUBSTANTIAL AMOUNTS OF MONEY for activists to work as HIRED GUNS TO COERCE, INTIMIDATE, AND ALARM GOVERNMENT OFFICIALS INTO PROHIBITING PEST CONTROL PRODUCTS.

These products are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

And yet, NOT ONE of these HIRED GUNS has ANY expertise in matters pertaining to pest control products.

These HIRED GUNS are given UNBELIEVABLY VAST REWARDS TO CONCOCT IMAGINARY DANGER ABOUT PEST CONTROL PRODUCTS.

They have been paid VAST REWARDS as ANTI-PESTICIDE HIRED GUNS costing well over 1,500,000 DOLLARS.

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

## The PAYMENTS to Anti-Pesticide Hired Guns

---

ANTI-PESTICIDE HIRED GUNS are paid an INCENTIVE OF 2,000 DOLLARS by Millionaire Canadian-Cancer-Society FOR EVERY ANTI-PESTICIDE FORUM ORGANIZED.

ANTI-PESTICIDE HIRED GUNS are paid a BONUS OF 1,000 DOLLARS by Millionaire Canadian-Cancer-Society FOR EVERY PRESENTATION MADE TO EACH MUNICIPAL TOWN COUNCIL.

ANTI-PESTICIDE HIRED GUNS making presentations to Government Officials are given a BOUNTY OF 5,000 DOLLARS by Millionaire Canadian-Cancer-Society upon SUCCESSFUL PROHIBITION LEGISLATION.

ANTI-PESTICIDE HIRED GUNS who are making presentations are PAID A SALARY OF OVER 40,000 DOLLARS PER YEAR, plus expenses, by Millionaire Canadian-Cancer-Society, to COERCE, INTIMIDATE, AND ALARM GOVERNMENT OFFICIALS.

Since 2005, OVER 30 HIRED GUNS have been paid by Canadian-Cancer-Society to CONSPIRE TO PROHIBIT pest control products used in the Urban Landscape.

Observers estimate that these PAYMENTS FOR ANTI-PESTICIDE HIRED GUNS have cost OVER 1,500,000 DOLLARS.

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

## The PAYMENTS to FOREIGN Hired Guns

---

Canadian-Cancer-Society also MISAPPROPRIATES its resources to pay for FOREIGN ANTI-PESTICIDE HIRED GUNS.

For example, since 2010, PAUL TUKEY has been paid by Canadian-Cancer-Society as an ILLEGAL LOBBYIST TO PROMOTE THE PROHIBITION OF PEST CONTROL PRODUCTS otherwise deemed to be SCIENTIFICALLY-SAFE by Health Canada.

Paul Tukey is a known American Anti-Pesticide-Terrorist and Tax-Evader.

Since 2010, Canadian-Cancer-Society has also paid Paul Tukey to INTERFERE WITH THE COURT CHALLENGES against Anti-Pesticide Activists in the Province of Ontario.

Moreover, Canadian-Cancer-Society ILLEGALLY USES THE LOBBYING SERVICES OF TUKEY, despite the fact that HE IS NOT LEGALLY REGISTERED for meeting Government Officials, in violation of the Lobbying Act.

Furthermore, Canadian-Cancer-Society acts as a DISTRIBUTOR OF GOODS AND SERVICES provided by Tukey.

Observers estimate that PAYMENTS FOR PAUL TUKEY AS A FOREIGN ANTI-PESTICIDE HIRED GUN has cost OVER 30,000 DOLLARS.

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

## BOGUS Enviro-Polls by Cancer-Lunatics

---

Since 2008, Canadian-Cancer-Society has commissioned several ANTI-PESTICIDE ENVIRO-POLLS across Canada.

These Enviro-Polls were ORCHESTRATED by Canadian-Cancer-Society and other known Anti-Pesticide-Organizations.

Sadly, these polls were commissioned by MISAPPROPRIATING AND SQUANDERING PUBLIC MONEY THAT WAS NOT DONATED FOR THIS PURPOSE.

Each poll cost OVER FIFTEEN-THOUSAND-DOLLARS.

Observers estimate that ANTI-PESTICIDE ENVIRO-POLLS cost OVER 750,000 DOLLARS.

Unfortunately, Canadian-Cancer-Society is WASTING ITS MONEY AND RESOURCES because pest control products are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

## FALSE ALLEGATIONS by Cancer-Lunatics

---

ALLEGATIONS from Canadian-Cancer-Society about the IMAGINARY DANGER of pest control products are TOTALLY FALSE, and are UNTRUE MIS-REPRESENTATIONS designed to alarm and enrage the public and enhance its BUSINESS, CASH-FLOW, and PROFIT.

Perhaps if Canadian Cancer Society were to prioritize its energy to the primary causes of cancer, such as life-style choices, LIVES WOULD BE SAVED.

# TAX-EXEMPT ANTI-PESTICIDE RADICAL AND CONTEMPTIBLE CANADIAN-CANCER-SOCIETY

In fact, ANTI-PESTICIDE PROHIBITION IS UNECESSARY since pest control products are carefully regulated by Health Canada.

## RAT-OUT the Cancer-Lunatics

---

DEMANDS HAVE BEEN MADE TO HAVE THE TAX-EXEMPT STATUS OF CANADIAN-CANCER-SOCIETY REVOKED.

Canadian-Cancer-Society continues to MISAPPROPRIATE the PROFIT it collects for cancer research.

Canadian-Cancer-Society re-directs MILLIONS OF DOLLARS towards SUBVERSIVE ANTI-PESTICIDE CONSPIRACIES.

Observers estimate that these TERRORIST-CONSPIRACIES have cost OVER 2,500,000 DOLLARS.

Demands have been made to have this ANTI-PESTICIDE-TERRORIST-ORGANIZATION INVESTIGATED by Government Agencies.

Additionally, demands have also been made to REVOKE the TAX-EXEMPT STATUS OF SUBVERSIVE, CONTEMPTIBLE AND RADICAL Canadian-Cancer-Society !

These Cancer-VERMIN must be RATTED-OUT through the appropriate COMPLAINT CHANNELS.

Canadian-Cancer-Society SQUANDERS MILLIONS OF DOLLARS ON ANTI-PESTICIDE CONSPIRACIES.

#### Informant Leads Program

The Canada Revenue Agency (CRA) takes abuse of Canada's tax laws very seriously.

When an individual or business does not fully comply with tax legislation, an unfair burden is placed on law-abiding tax-payers and businesses and the integrity of Canada's tax base is jeopardized.

The mandate of the Informant Leads Program is to co-ordinate all leads that the CRA receives from informants, to determine if there is an element of non-compliance with tax legislation, and to ensure that appropriate enforcement action is taken.

The program is regionalized into five offices across the country.

To report suspected tax evasion, contact the office in your region.

An informant's identity will not be disclosed or you may provide information anonymously.

# Force Of Nature is NOT Propaganda Just The Whole Truth from an Independent Perspective

In the 9/11 Era of Environmental-Terror, at least ONE MALICIOUS ACT OF TERROR is Perpetrated EVERY SINGLE DAY by Enviro-Lunatics.

National Organization Responding Against HUJE that seek to harm the Green Space Industry ( NORAHG ) is a NATIONAL NON-PROFIT NON-PARTISAN organization of RESPECTED EXPERTS promoting PESTICIDE-REALISM — scientific research PROVES that pest control products cause NO HARM and can be USED SAFELY.

HUJE are LAWN HATERS, and they particularly DESPISE the Golf Industry. They are Hateful Under-handed Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

NORAHG produces FORCE OF NATURE, which presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science. FORCE OF NATURE is committed to sound science, and ground-breaking original journalism that informs, entertains, and creates real change.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

All information, excerpts, and pictures contained in FORCE OF NATURE were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

FORCE OF NATURE, and its various incarnations, was the brainchild of William H. Gathercole ( now retired ) and his colleagues.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and environmental terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing
