Enviro-Maniac-Basterd-Organizers of Canada Blooms have scheduled a showing of the SUBVERSIVE SHOW-&-SOLD-FOR-PROFIT AMATEUR HOME-MADE VIDEO called « *A-Terrorist-Reaction* ». The video was CONCOCTED by SafeLawns, which operates as the PUBLIC AFFAIR SHIELD for BEYOND PESTICIDES, another larger U.S. Environmental-Terror-Organization. « *A-Terrorist-Reaction* » is a DISGRACEFULLY FALSE, MISLEADING, and BOGUS AMATEUR HOME-MADE VIDEO that is intended as SUBVERSIVE PROPAGANDA to pollute any sound judgment in the conspiracy to prohibit pesticides that are federally legal, scientifically safe, and totally irreplaceable.

Canada Blooms convention is organized by the same Enviro-Maniac leaders and staff who operate LandsCAPE Ontario, a treacherous trade association that SUPPORTED THE PROHIBITION OF PEST CONTROL PRODUCTS. LandsCAPE Ontario's support of prohibition led to TERROR, DESPAIR, and DESTITUTION for THOUSANDS of hapless victims throughout the Professional Lawn Care Industry. LandsCAPE Ontario's support of prohibition has also led to EXTENSIVE CARNAGE for lawn care companies, in the form of HORRIFIC FINES and BUSINESS FAILURES. Thanks to the support from LandsCAPE Ontario, prohibition DESTROYED the Modern Professional Lawn Care Industry.

The promoter of « *A-Terrorist-Reaction* », U.S. Journalist and Environmental-Terrorist Paul Tukey, has also been invited to speak at Canada Blooms convention. Tukey is a FAILED and BANKRUPT lawn care operator who was apprehended by authorities for applying pest control products WITHOUT THE NECESSARY LEGAL LICENSING. Tukey has NO competent expertise, recognized training, or successful background, in matters concerning pest control products. Furthermore, Tukey PEDDLES Green Alternatives that are all TOTALLY INEFFECTIVE. In the past, Tukey's activities have been funded by several other Canadian Prohibition-Terrorist-Organizations, like LandsCAPE Ontario.

If LandsCAPE Ontario has any intention of distancing itself from its position as a Prohibition-Terrorist-Organization, it must take steps to have the showing of this SUBVERSIVE VIDEO cancelled.

# LandsCAPE Ontario

LandsCAPE Ontario is a PROHIBITION-TERRORIST-ORGANIZATION that CONSPIRES to ANNIHILATE the entire Modern Green Space Industry by SUPPORTING the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products.

LandsCAPE Ontario is supposed to be as THE leader in representing, promoting, and fostering a favourable climate for the advancement of the horticulture industry in Ontario, but certainly NOT for the advancement of the Modern Professional Lawn Care Industry.

LandsCAPE Ontario's membership is organized by a chapter system. The opportunity to network is supposed to be one of the founding principles of LandsCAPE Ontario. Unfortunately, if you are a Professional Lawn Care Company, you will be forced to network with MOBS OF ORGANO-MANIACS who support Prohibition-Terrorism, just like LandsCAPE Ontario.

The LandsCAPE Ontario chapters hold regular meetings that are supposed to provide a forum for education, professional development, and networking. Many meetings are rampant with ANTI-PESTICIDE SENTIMENT. Most of the time, Modern Professional Lawn Care Companies feel ostracized.

Furthermore, LandsCAPE Ontario is a HAVEN FOR ORGANO-MANIAC COMPANIES that falsely and deceitfully allege to have better and safer Green Alternatives for pest control than Modern Professional Lawn Care.

LandsCAPE Ontario meetings are used to validate the use and distribution of Green Alternative products, many of which are philosophically and financially linked with other Environmental-Terror-Organizations that have conspired to prohibit FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products.

LandsCAPE Ontario has basically told the Modern Professional Lawn Care Industry to « *Take care of your own problems !* ».

An invitation by LandsCAPE Ontario for a presentation of the video « *A-Terrorist-Reaction* » is a further indication that this treacherous trade association IS a PROHIBITION-TERRORIST-ORGANIZATION.

# The 2009-2010 leaders of LandsCAPE Ontario Association who supported Prohibition, BOGUS Green Alternatives, and the Demise of the Modern Professional Lawn Care Industry

Future generations will ask the question — Why ?

The group of decision-makers within LandsCAPE Ontario that allegedly represent the interests of the Professional Lawn Care Industry is called the Lawncare [ sic ] Commodity Group.

One-third of the Lawncare Commodity Group originated from four business groups — Doctor Green, Nutri-Lawn, Weed Man, Wright.

One-quarter of the Lawncare Commodity Group board members originated, DIRECTLY OR INDIRECTLY, from business interests in the BOGUS and failed Green Alternative Sarritor — Weed Man, Doctor Green.

One-seventh of the Lawncare Commodity Group originated from direct business interests ( investors ) in the BOGUS and failed Green Alternative Sarritor — Gaspar ( Weed Man ), Van Haastrecht ( Doctor Green ).

One-tenth of the Lawncare Commodity Group board members originated from the SAME family — Van Haastrecht ( Doctor Green ).

According to observers, the LandsCAPE Ontario Lawncare Commodity Group DID NOT necessarily represent the interests of the MAJORITY of the Professional Lawn Care Industry in Ontario.

## BOGUS, Misleading, and Lunatic Video Glorifying Radical Enviro-Terrorism

---

In 2009, U.S. Journalist and Environmental-Terrorist Paul Tukey CONCOCTED the SHOW-&-SOLD-FOR-PROFIT AMATEUR HOME-MADE VIDEO called « *A-Terrorist-Reaction* ».

« *A-Terrorist-Reaction* » GLORIFIES the ACTS OF SUBVERSION in the Town of Hudson, Quebec in the 1980s and 1990s.

« *A-Terrorist-Reaction* » REINVENTS and DISTORTS the history of the CONSPIRACY to PROHIBIT pest control products that are FEDERALLY LEGAL, and SCIENTIFICALLY SAFE.

« *A-Terrorist-Reaction* » is ENVIRONMENTAL-TERRORIST-PROPAGANDA that is DISGRACEFULLY FALSE and MISLEADING.

The video's promoter, Paul Tukey, is a FAILED and BANKRUPT lawn care operator who was apprehended by authorities for applying pest control products WITHOUT THE NECESSARY LEGAL LICENSING.

Tukey became embittered and vengeful, and unable to accept his obvious incompetence.

Instead, he preferred lashing out and defaming former competitors, and the pest control product industry.

## Professional Lawn Care Industry in the Province of Quebec

---

In 1985, Canada's first Professional Lawn Care Association was created to fight Environmental-Terror in the Province of Quebec.

It was named « ASHOQ » — « *Association des Services en Horticulture Ornementale du Québec* ».

With ASHOQ, the senior business leaders in the Professional Lawn Care Industry shaped the association's charter and missions for the 1980s and 1990s.

They were especially active in defending the rights and future of the Green Space Industry against Quebec's rabid Enviro-Maniac-Activists who sought its destruction through the PROHIBITION of pest control products.

For FIFTEEN YEARS, the strategies designed and implemented by ASHOQ, and its fore-runners, REINED the LUNATIC RADICAL activities of Enviro-Maniacs and their Environmental-Terror-Organizations.

ASHOQ's actions benefited of the entire Modern Green Space Industry across Canada.

Not a single member of ASHOQ appears in « *A-Terrorist-Reaction* ».

## Acts of Subversion in the Town of Hudson

---

In 1991, the Town of Hudson, Quebec, governed by a SUBVERSIVE GROUP OF LUNATICS, enacted a by-law that PROHIBITED the use of pest control products that were FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

They easily capitulated under the pressure of a mere handful of Enviro-Maniac-Activists.

The Agriculture and Golf Industries were provided with an Exception Status. Mr. William H. Gathercole crafted the original Golf Industry Exception Status, which endures to this day for virtually all jurisdictions in North America.

In 1992, two Professional Lawn Care companies, ChemLawn and Spraytech, were each fined three hundred dollars for accidentally spraying pest control products on lawns located in the Town of Hudson.

The fine was legally challenged by the Professional Lawn Care Industry on the basis that the by-law was invalid, since it was PROHIBITORY and DISCRIMINATORY, and LIMITED or NEUTRALIZED PROVINCIAL AND FEDERAL LAWS.

## Legally Fighting Against the Environmental-Vermin

---

In 1994, in a Quebec court, the Town of Hudson won the right to maintain its needless, senseless, and malicious prohibition of pest control products.

Consequently, the case continued to be legally challenged by ASHOQ before The Supreme Court of Canada. As we all know, the attempt was ill-fated.

On June 28<sup>th</sup>, 2001, The Supreme Court of Canada, which was clearly infested with Enviro-Maniac-Activists, upheld the ACTS OF SUBVERSION perpetrated by the Town of Hudson.

Enviro-Maniac-Judge Claire L'Heureux-Dubé presided on The Supreme Court of Canada when it UPHELD the prohibition of the Town of Hudson.

On June 10<sup>th</sup>, 2002, Dubé retired, and began an indiscreet public association with those Enviro-Maniac-Activists involved in concocting and defending the Hudson prohibition.

This situation was INCOMPREHENSIBLE to many observers !

# Force Of Nature is NOT propaganda just The Whole Truth Independent Perspective

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some NON-EXISTENT danger with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
