LETTER TO THE EDITOR — MEDIA RELEASE

RESPONSE TO KATHRYN SEELY

THE BOUNDARY SENTINEL
KETTLE RIVER VALLEY REGION, BRITISH COLUMBIA

THE CASTLEGAR SOURCE
CASTLEGAR, BRITISH COLUMBIA

THE ROSSLAND TELEGRAPH
ROSSLAND, BRITISH COLUMBIA

MILLIONS OF DOLLARS that could be used to care for those STRICKEN WITH CANCER are being DIVERTED to CAMPAIGNS to ban products that have been deemed SCIENTIFICALLY SAFE by Health Canada.

The Canadian Cancer Society's 8-week Anti-Pesticide ADVERTISING CAMPAIGN in newspapers across British Columbia, costing HUNDREDS OF THOUSANDS OF DOLLARS, is yet another example of the MISAPPROPRIATION and SQUANDERING of donations that could, otherwise, be used to SAVE LIVES and CARE FOR THOSE STRICKEN WITH CANCER.

According to Kathryn Seely of Canadian Cancer Society ...

« Respected Canadian HEALTH ORGANIZATIONS have come together in an unprecedented campaign to prohibit TOXIC lawn products. » [?!?!]

Which HEALTH ORGANIZATIONS?!?!

Canadian Cancer Society is NOT a health, science, or research organization.

Canadian Cancer Society is a mere FUND-RAISING ORGANIZATION.

NORAHG

How did Seely arrive at the conclusion that products used in Professional Lawn Care are somehow « *toxic* » ?!?!

Was her ASSESSMENT based upon her vast scientific knowledge of pest control products ?!?! [No !]

Did Seely ASSESS these products after spending time and money carefully studying their effects on health and environment ?!?! [No !]

Is Seely, who is a MERE FUND-RAISER for an Anti-Pesticide Organization, COMPETENT to give ANY advice concerning these issues ?!?! [No !]

In fact, Seely is WRONG and CANNOT BE TAKEN SERIOUSLY.

Pest control products are SCIENTIFICALLY-SAFE.

Also, according to Kathryn Seely ...

« HEALTH EXPERTS are hopeful that British Columbia can follow Eastern Canada's suit with a province-wide pesticide ban. » [?!?!]

Which HEALTH EXPERTS ?!?!

There is NOT A SINGLE LEGITIMATE HEALTH EXPERT who demands Anti-Pesticide PROHIBITION.

Not surprisingly, NO ONE at Canadian Cancer Society, including Seely, has ANY recognized background, training, or experience in matters concerning pest control products, making their opinions FLAWED, DISTORTED, VALUELESS and WORTHLESS.

Canadian Cancer Society has NOT SPENT A SINGLE PENNY to research pest control products.

Seely and her buddies DID NOT conduct a serious scientific study ... evidently because they are NOT COMPETENT OR MOTIVATED to do so.

Neither Seely, nor anyone else at Canadian Cancer Society, COULD EVEN BE BOTHERED to have used the EXTENSIVE TOXICOLOGY DATABASE that is available from Health Canada.

NORAHG

They are not only SCIENTIFICALLY IGNORANT, but also LAZY and OBTUSE.

It is a MYTH to believe that pest control products somehow cause cancer.

Health Canada's EXTENSIVE TOXICOLOGY DATABASE CLEARLY PROVES that pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at Health Canada !

Health Canada requires each new pest control product to go through about TWO-HUNDRED SEPARATE TESTS to examine health and environmental impacts as well as value, and costing about 250 MILLION DOLLARS.

Consequently, when pest control products are used properly, there are NO harmful irreversible effects to health and the environment !

Canadian Cancer Society is WASTING ITS MONEY AND RESOURCES because pest control products are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

For some SELF-SERVING REASON, Canadian Cancer Society has SPENT OVER 2,500,000 DOLLARS on SUBVERSIVE Anti-Pesticide CONSPIRACIES.

ALLEGATIONS from Kathryn Seely about the IMAGINARY DANGER of pest control products are TOTALLY FALSE, and are UNTRUE MIS-REPRESENTATIONS designed to alarm and enrage the public and enhance the BUSINESS, CASH-FLOW and PROFIT of Canadian Cancer Society.

Seely has NO SCIENTIFIC PROOF that pest control products cause cancer.

There is NOT ONE KNOWN ILLNESS or DEATH from the proper use of pest control products used in the Urban Landscape.

There is NO direct link between pest control products and cancer.

Pest control products CAUSE NO HARM, including chronic effects such as CANCER.

WILLIAM H. GATHERCOLE AND NORAH G

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry.

There is NO RECOURSE but LITIGATION against these HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of their organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library Force Of Nature Reports and References, which is a VAST ARCHIVE of DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION against Anti-Pesticide Vermin.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that there is sufficient information to lead to a SUCCESSFUL PROSECUTION !
