How America Fights Environmental Terror !

Take Action Now — New York — April 2010

Senate Bill 4983C and House Bill 7937C

Your help is needed today to stop a proposed ban of pesticides in New York.

The New York State Senate and Assembly will consider legislation which would prohibit the use of any pesticides on any school or daycare grounds, playgrounds, turf, or athletic fields. Senate Bill 4983-C has now been reported out of the Senate Codes Committee.

Even if you do not make applications to these type of school sites, it make it easier to add residential sites as the next bill they consider.

The professional pesticide applicators of New York have a limited opportunity to voice their opposition of SB 4983-C and the House version, A7937-C. Restrictions on these pesticides could create unintended consequences of overgrown public areas, increased risk of health hazards, and ineffective pest management throughout the state. Contact your State Senator as the best chance of killing the bill.

Force Of Nature is a series of e-newsletters destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE ! Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The commentary expressed in Force Of Nature, even though from an INDEPENDENT PERSPECTIVE, may not reflect those of everyone in the Green Space Industry. Force Of Nature may sometimes be very irreverent, and even appear to be Anti Environment, it is, in fact, simply a strong advocate FOR the Modern Green Space Industry. However, this position has not precluded Force Of Nature from criticizing the Green Space Industry itself, when appropriate. The events, characters, companies, and organizations, depicted in this document are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All document excerpts and pictures contained in Force Of Nature were found somewhere on the Internet. These documents and pictures are in the public domain, serving one of the following purposes : archive, education, promotion, publicity, or press release.

Force Of Nature INSPIRES people to believe that ENVIRONMENTAL TERRORISM can be STOPPED ! **Norah G** is an acronym for the stable of anonymous producers and writers that contribute to this e-newsletter and have now replaced Mr. Gathercole. They consist of people from the following industries : Distribution, Fertilizer, Golf, Lawn Care, Manufacturing, Municipal, Nursery, and Orchard. Many of these people are leaders in their own industries. Anonymity is essential in view of the constant threat of reprisals at every level except perhaps death. Force Of Nature is the instrument of **National Organization Responding Against Hujе** that seek to TERRORIZE, HARM, and THREATEN the Green Space Industry (**NORAHG**). Hujе is a term used for Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing that families are in some NON-EXISTENT danger with conventional pest control products. Hujе also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products.

Force Of Nature is the brainchild of William H. Gathercole and his entourage. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority. Mr. Gathercole is now retired from Force Of Nature, although his name continues to appear as the founder. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status, that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of Environmental Terror for the entire Modern Green Space Industry across Canada. Mr. Gathercole's involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec. Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair.

Mr. Gathercole and his entourage have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. Through Force Of Nature, Enviro Maniac Activist Hujе are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry. Their pretentious prohibitionist rants have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd Hujе is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.
