The FAILURE of Pesticide-Free Weed Control on Roadsides

Ontario Pesticide Ban CRUMBLING AWAY

Township Resumes Roadside Weed Spraying

January 21st, 2011

The Wellington Advertiser
[Township of Guelph-Eramosa]

Selected and adapted excerpts

Guelph-Eramosa is a Township located in Wellington County, in Mid-Western Ontario, Canada.

The Township partly encircles the City of Guelph.

After an impassioned plea from local farmers and weed experts, Guelph-Eramosa Council has agreed to REINSTATE ROADSIDE HERBICIDE APPLICATIONS in rural areas of the township.

Ontario

The FAILURE of Pesticide-Free Weed Control on Roadsides

Weeds on township roadsides are spreading to adjacent farmland, triggering higher costs for farmers, whether it be increased herbicide applications or increased tillage.

The township suspended its roadside weed spraying program a few years ago.

The situation is very serious, especially with a weed called European Buckthorn, *Rhamnus cathartica* L.

European Buckthorn has a competitive advantage compared to native trees and shrubs in because it leafs out before most plants in the spring.

Weed experts are stressing that they are not talking about cosmetic use of herbicides, but specifically targeting noxious weeds.

If the township addresses weeds on its property along rural roads, LESS herbicide will be used overall.

Nonetheless, many of the pest control products used in roadside weed control spraying are the VERY SAME ones used in the Modern Professional Lawn Care Industry.

One expert told Guelph-Eramosa Council that some manufacturers are NOT even required to put warning on the product labels, because the toxicity levels are so low.

The herbicides in question are now even SAFER THAN ROAD SALT.

The program will be started in Spring 2011.

LUNATIC-TERRORIST -PROHIBITION DESTROYED

THE MODERN PROFESSIONAL LAWN CARE INDUSTRY

LUNATIC-PROHIBITION in the Province of Ontario

On April 22nd, 2009, the Government of Ontario implemented legislation for the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products used by the Modern Professional Lawn Care Industry.

An Exception Status was provided to industries like golf, sports fields, specialty turf, forestry, and agriculture — these industries employed THE VERY SAME pest control products otherwise PROHIBITED for the Modern Professional Lawn Care Industry.

The legislation was implemented despite the fact that the PROHIBITED pest control products were still FED-ERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Moreover, there were serious issues with the Ontario Minister of the Environment, John Gerretsen, who was responsible for implementing PROHIBITION. Gerretsen was INDISCREET with his CLOSE PUBLIC ASSOCIATIONS with RADICAL and SUBVERSIVE LUNATICPROHIBITION-TERRORISTS.

Lunatic-Prohibition-Terrorist-Organizations That CONSPIRED to PROHIBIT Pest Control Products in the Province of Ontario

HORRENDOUS CARNAGE
Caused by LUNATIC-PROHIBITION in Ontario

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

VIRTUALLY ALL Green Alternatives were almost TO-TALLY INEFFECTIVE, except under very specific circumstances.

The Green Alternatives were BOGUS.

They were DISMAL FAILURES.

Consequently, Professional Lawn Care Companies were UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

LOSS OF REVENUES in Ontario
Caused by LUNATIC-PROHIBITION

In 2009, the Ontario Professional Lawn Care Industry lost over 300,000,000 DOLLARS.

In 2010, losses reached over 500,000,000 DOLLARS.

CUSTOMER LOSSES in Ontario
Caused by LUNATIC-PROHIBITION

By 2010, 40 to 70 per cent of Professional Lawn Care customers were ANNIHILATED, depending upon the type of company and its location.

UNEMPLOYMENT in Ontario
Caused by LUNATIC-PROHIBITION

By 2009, OVER 5,000 HAPLESS VICTIMS were UNEM-PLOYED (full time employees and summer students).

Because of the LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses were forced to TERMINATE many or most of their employees.

By 2010, 8,300 to 12,500 were UNEMPLOYED.

BUSINESS FAILURES in Ontario Caused by LUNATIC-PROHIBITION

Because of LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses, which at one time provided a good living and some equity for eventual sale for retirement, became WORTHLESS!

Many multi-vehicle Professional Lawn Care businesses were forced to DOWN-SIZE their operations to a single truck.

There was a GLUT OF USED-EQUIPMENT-FOR-SALE because of the DOWN-SIZING and EXODUS of Professional Lawn Care businesses.

Because of LUNATIC-TERRORIST-PROHIBITION, several dozen companies were forced to exit from the market.

Professional Lawn Care businesses were simply ABAN-DONED — no one was able to buy or sell a Professional Lawn Care business!

Within 36 months after the implementation of PROHI-BITION, observers expected 780 BUSINESS FAILURES or BANKRUPTCIES.

LUNATIC-TERRORIST-PROHIBITION DESTROYED the Modern Professional Lawn Care Industry.

LUNATIC-TERRORIST
-PROHIBITION LED TO
DANGEROUS
PLAYING SURFACES

LUNATIC-PROHIBITION Created
GARBAGE DUMPS and DANGEROUS SURFACES

In those jurisdictions where LUNATIC-TERRORIST-PROHIBITION was successful, public green spaces and sports fields became WEED-INFESTED and INSECT-INFESTED.

They became OVER-RUN by dandelions and other weeds, and were DESTROYED by damaging insect pests.

THE PROHIBITION OF PEST CONTROL PRODUCTS REPRESENTED A HAZARD TO ANYONE USING THESE PLAYING SURFACES, ESPECIALLY CHILDREN.

When it rained, pest-infested playing surfaces were SLIPPERY MUD BOGS.

When dry, pest-infested playing surfaces were AS HARD AS CONCRETE.

Pest-infested playing surfaces not only looked like GARBAGE DUMPS, they were also DANGEROUS — ESPECIALLY TO CHILDREN!

CARNAGE Caused by LUNATIC-PROHIBITION in the Province of Quebec

PROHIBITION against pest control products in Quebec was legislated BEFORE Ontario, and provided observers with valuable facts about the LEVEL OF CARNAGE to expect for Ontario.

Since 2006, Quebec LUNATIC-PROHIBITION was DEVASTATING to the Professional Lawn Care Industry — OVER 60 per cent of the Professional Lawn Care Industry was ANNIHILATED!

LUNATIC-TERRORISTS DID NOT KNOW WHAT THEY WERE TALKING ABOUT!

LUNATIC-PROHIBITION-TERRORISTS assured Government Officials that the effects of prohibition would be positive. Not a single lunatic had ANY recognized expertise, training or background in matters concerning pest control products. The opinions of lunatics in matters concerning pest control products were TOTALLY VALUELESS and UTTERLY WORTHLESS.

Stopping the CARNAGE Caused by LUNATIC-PROHIBITION

In January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and the Ministry of the Environment.

The legal proceedings were organized by Jeffrey P. Lowes and M-REP Communications.

Additionally, individual members of Environmental– Terror–Organizations also faced CHARGES under the Canadian Criminal Code.

By August 2010, M-REP Communications commenced CIVIL ACTION to recover the HORRENDOUS LOSSES caused by PROHIBITION-TERRORISTS.

Summary of Alleged Offences by PROHIBITION-TERRORISTS

133 charges and 29 culprits
 Conspiring to prevent the supply of approved pest control products
 Defrauding access to products
 Impeding access to approved pest control products
 Misleading with peer-reviewed assessments, reports, and studies
 Presenting false and misleading information
 Undermining the people and companies in the Green Space Industry.

Organizations Responsible for LUNATIC-PROHIBITION

The Principal Prohibition–Terrorist–Organizations that CONSPIRED to PROHIBIT pest control products in the Province of Ontario —

• Canadian Association of Physicians for the Environment (CAPE) ● Canadian Cancer Society (CCS) ● Canadian Environmental Law Association (CELA) ● Canadian Institute for Environmental Law and Policy (CIELAP) ● Canadian Partnership for Children's Health and Environment (CPCHE) ● Children's Hospital of Eastern Ontario (CHEO) ● City of Toronto (governed by Mayor David Miller) ● Coalition For Pesticide Reform Ontario ● David Suzuki Foundation ● Ecojustice Canada ● Environmental Defence ● Learning Disabilities Association of Canada (LDAC) ● New Democratic Party ● Ontario College of Family Physicians (OCFP) ● Ontario Medical Association (OMA) — Pediatrics Section ● Ontario Public Health Association (OPHA) ● Organic Landscape Association (formerly Organic Landscape Alliance, OLA) ● Prevent Cancer Now ● Registered Nurses' Association of Ontario (RNAO) ● The Coalition for a Healthy Ottawa (CHO) ● The Environmental Factor ● The Ontario Trillium Foundation (OTF) ● The urban league of London ● Toronto Environmental Alliance (TEA) ● World Wildlife Fund of Canada (WWF).

Force Of Nature is NoT propaganda ... just The Whole Truth from an Independent Perspective

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incamations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from McGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURE & Recreation Magazine. Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson. Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
