NO Pesticide Ban In Portage La Prairie

The Rural Municipality of Portage La Prairie is **OPPOSING** the Province of Manitoba's proposed **PROHIBITION** against pest control products used in the Urban Landscape throughout.

Councillor Kevin Blight is concerned about the Province of Manitoba's **PROPOSED PESTICIDE BAN**, saying these products are needed to control weeds and insects on farms and properties in the municipality.

Councillor Blight said while there are other **ORGANIC METHODS** to control weeds, they have **NOT BEEN PROVEN AS EFFECTIVE AS** conventional pest control products.

According to Councillor Blight —

*As a council, we are **OPPOSED TO THE PROPOSED BAN** by the provincial government to ban the use of **COSMETIC PESTICIDES**.*

*The main reason why we are opposed is the bottom line is **IT IS GOING TO COST (MORE)** money, and it could **CAUSE PROBLEMS***

Portage la Prairie is a small city in the Central Plains Region of Manitoba, Canada with a population of 13,000.

The city has an aggressive tree planting program and is known for its mature urban forest.

A collection of some of the largest Cottonwood trees in Canada line the west end of the main street known as Saskatchewan Avenue, and, along with many other varieties, are present throughout the city.

Prohibition **OPPOSED** by Portage La Prairie

down the road for the municipality, for agricultural land owners, with the increase of weeds and pests that will spread to the urban areas.

The so-called cosmetic use of pesticides includes herbicides, fungicides, and insecticides.

Councillor Blight said the only option based on the province's BAN would be TO USE AN UNTESTED REMEDY OF CONTROL or TO DO NOTHING AT ALL.

According to Councillor Blight —

If we do nothing at all, THE WEEDS COULD SPREAD INTO LAND NEARBY, and COST THE LANDOWNERS MORE TO CONTROL THOSE PROBLEMS.

Anti-Pesticide PROHIBITION in Manitoba is NOT NECESSARY.

In 2011, the PROVINCE OF ALBERTA STOPPED the trend towards NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION.

The GOVERNMENT OF ALBERTA has indicated that it has NO INTENT TO PROHIBIT THE SALE OF ANY PEST CONTROL PRODUCT.

More recently, British Columbia's Special Committee On Cosmetic Pesticides announced that it WILL NOT RECOMMEND PROHIBITION against the use of pest control products in the Urban Landscape.

The Daily Graphic / Central Plains Herald-Leader

Selected and Adapted Excerpts

Victory

PROVINCE OF ALBERTA

On August 9th, 2011, the Government of Alberta STOPPED THE TREND towards NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION.

The Government of Alberta stated that it WOULD NOT CREATE RESTRICTIONS OR LAWS THAT CONFLICT WITH THE FEDERAL GOVERNMENT, that is relied upon for health and safety assessments.

Consequently, the Government of Alberta indicated that had NO INTENT TO PROHIBIT THE SALE OF ANY PEST CONTROL PRODUCT.

Alberta monitored PESTICIDE BANS over the past few years and the approaches taken by other jurisdictions, and found THE BASIS FOR ACTION CONFUSING AND INCONSISTENT.

PROVINCE OF BRITISH COLUMBIA

On May 17th, 2012, British Columbia's Special Committee on Cosmetic Pesticides STOPPED THE TREND towards NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION.

The Special Committee announced that it WILL NOT RECOMMEND PROHIBITION against pest control products used in the Urban Landscape.

In jurisdictions outside of British Columbia, Anti-Pesticide PROHIBITION led to CATASTROPHIC CARNAGE in the form of BUSINESS FAILURES, GARBAGE DUMP GREEN SPACES, STUNNINGLY EXORBITANT COSTS, HORRIFIC FINES, and even ILLNESS and DEATH.

Because of Anti-Pesticide PROHIBITION, the owners, employees, and families dependent on Professional Lawn Care businesses have faced TERROR, DESPAIR, and DESTITUTION.

Pest control products are SCIENTIFICALLY SAFE, and NO HARM WILL OCCUR when they are used according to label directions.

Not surprisingly, the BC Special Committee on Cosmetic Pesticides AGREED — and deserves CONGRATULATION.

NORAHG

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FA SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green space under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS!

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

The Force Of Nature Series of Reports — Agriculture • ALBERTA Conspiracy • Bee Colony Collapse Disorder • Bee Colony Collapse Disorder • Benefits of the Turfgrass Industry • Beyond Pesticides • Books That Screwed Up the World • BRITISH COLUMBIA Conspiracy • Canadian Cancer Society • Canadian Association of Physicians for the Environment • CARNAGE and Consequences of Lunatic Terrorist Prohibition • Controversial Prohibitions • Culprits of the Prohibition Conspiracy • Daffodils, Toxic Pesticide Treated Flowers Soaked Formaldehyde • Dating Services for Enviro Maniacs • David Suzuki Foundation • DDT and Our World of Politicized Science • Death and Illness (Alleged) Departure Letters • Ecojustice Canada • Energy Sector • Environmental Terrorists UNMASKED • Environmental Terrorist Organizations • Enviro PROFIT • Environmental Defence • FAILURE • IPM, Pesticide Manufacturers, Prohibition, Trade Associations • Famous Quotations About Enviro Lunatics • Fertilizer TERROR • Food and Farming • Get Off Our grASS • Global Warming, The Scourge of Our Lifetime • Glyphosate Herbicide • Golf Industry • Green Alternatives • Green Party Halloween Terror • Happy Holidays • Health Canada • Health Concerns with Pest Control Products • Heroes Speaking Out Against Environmental Terror • History of Environmental Terror in Canada • History of the Turfgrass Industry • Letters to the Editor • LIARS and Lying Sacks of (Enviro Maniacs) • Mock Advertisements • Mock Speeches • Myth BUSTING • NATIONAL Prohibition • NEW BRUNSWICK Conspiracy • NO Prohibition Exception for AGRICULTURE Industry • NO Prohibition Exception for GOLF Industry • NOVA SCOTIA Conspiracy • North America Free Trade Agreement (NAFTA) • ONTARIO Conspiracy, Haven For Environmental Terrorists • Ontario College Family Physicians • Organic Golf Courses • Organic Maintenance • Organizations of the Prohibition Conspiracy • Pesticide Q & A (Questions and Answers) • Positive Waves (Interesting and Innovative Thinking) • PRINCE EDWARD ISLAND (PEI) Conspiracy • QUEBEC Prohibition • Quotations About Enviro Lunatics & Maniacs • Rachel Carson, The Queen of Junk Science • SASKATCHEWAN Conspiracy

The information presented in FORCE OF NATURE has been developed for the education and enterta
ment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in his
ry, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or co
pleteness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damage
lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on iss
such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgr
Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspa
across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO T
EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gath
cole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear
founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain univers
degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental mainten
and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilize
and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, prof
sional lawn care, distribution, environmental compliance, government negotiations, public affairs, a
workplace safety • supervisor, consultant, and, programmer for the successful execution of hundre
of thousands of management operations in the golf and urban landscape, as well as millions of pest co
trol applications • advisor, instructor, and trainer for thousands of turf and ornamental managers a
technicians • pesticide certification instructor for thousands of industry workers • founder of t
modern professional lawn care industry • prolific writer for industry publications and e-newsletters
first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouve
Fraser Valley region • with Dr. Peter Dermoeden, confirmed the presence of Take All Patch as a disea
of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Sc
as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid bei
subjected to anti pesticide prohibition • creator of the signs that are now used for posting after appli
tion • co-founder of annual winter convention for Quebec golf course superintendents • the major
fluence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils
the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec
retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding
Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists
the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined a
pesticide activists to provide peace and prosperity for the entire modern green space industry across Ca
ada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec
launched the largest founding professional lawn care business in Canada • quadrupled the busine
revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATU
and A LOOK AT reports.
