Council Procedure KILLS Proposed Pesticide Prohibition

January 12th, 2011

The Rossland Telegraph

Selected and adapted excerpts

In the City of Rossland, located in the Province of British Columbia, ...

the proposed pesticide ban died another procedural death

Enviro-Lunatic-Councillor Jill Spearn was so MOCK-DISGUSTED by proceedings that she briefly lost the ability to speak. ☺

On January 10th, 2011, the introduction of Pesticide Use Bylaw #2495 marked something of a milestone in a campaign of COERCION and TERROR by Prevent Cancer Now, a Prohibition-Terrorist-Organization which acts as a PUBLIC AFFAIRS SHIELD for Contemptible and Radical Canadian-Cancer-Society.

The death of the ban is a set-back for Lunatic-Terrorist-Organizations, since the CONSPIRACY to PROHIBIT pest control product is LUCRATIVE and attracts MILLIONS IN DONATIONS

Cancer-Lunatics have CONSPIRED to PROHIBIT the use of pest control products within Rossland city limits with the PRETEXT that this action would be a public health protection measure. [?!?!]

The by-law proposed to PROHIBIT residential pest control products used on public and private land within city limits.

In fact, pest control products used in the Urban Landscape are HEALTH-CANADA-APPROVED and SCIENTIFICALLY SAFE.

This is a set-back for Lunatic-Terrorist-Organizations like Canadian-Cancer-Society, since the CONSPIRACY to PROHIBIT pest control product is LUCRATIVE, and attracts MILLIONS IN PROFIT in the form of donations.

The charitable tax-exempt status of Canadian-Cancer-Society has been CALLED INTO QUESTION by many observers.

The proposed by-law provided exceptions for those industries like golf courses and agriculture that use the very same conventional pest control products used by Professional Lawn Care companies

As usual, the proposed by-law provided EXCEPTIONS for those industries using the VERY SAME conventional pest control products used by Professional Lawn Care companies —

<< Agricultural and forestry land, transportation, public utilities, golf courses, recreational resort properties and any other property for which the approval has been granted by the federal or provincial government or an authority having jurisdiction over such matters. >>

Jurisdiction is the key, according to Rossland Mayor Greg Granstrom.

Granstrom insisted that the PROHIBITION of LEGAL substances is well beyond the scope of municipal responsibility and expertise.

The Mayor of Rossland insisted that the
PROHIBITION of LEGAL substances is
WELL BEYOND THE SCOPE of municipal
responsibility and expertise

According to Mayor Granstrom —

<< This issue is governed by Health Canada, the U.S. Environmental Protection Agency and the World Health Organization; all recognize that pesticide use — when used as instructed — is safe, period. >>

<< [These organizations] are there to protect the citizens of Canada, there to protect the citizens of the United States, there to protect the world ... we here in Rossland are here going to USURP THEIR EXPERTISE ... we do not have the right to say to the citizens of our community, « you cannot use a legal product ».

<< All we're doing is making people criminals. >>

All prohibition does is make people criminals

The proposed by-law also contained some UNCOMFORTABLE language encouraging people to report illicit pesticide use to city hall, the only likely enforcement option given the absence of an active by-law officer in the city.

According to Councillor Kathy Wallace —

<< I'm very torn about this. >>

<< I certainly would never accept anyone saying I'm pro-pesticide use, but I think we have to be very careful about the tools that we use ... >>

<< The notion that we should encourage our citizens to come to city hall and report on their neighbour ... >>

<< I have a real struggle with this. >>

Victory

Fighting Against Lunatic-Enviro-Terrorists

Even the proposed NAZI-STYLE use of INFORMANTS would require an impractical burden of proof, according to City Administrator Victor Kumar.

Several Enviro-Lunatic-Councillors spoke in favour of enacting the proposed by-law anyway as a symbolic political or educational gesture.

Enviro-Lunatic-Councillor Laurie Charlton took things one sizeable step further —

<< At best, this is a symbolic bylaw. I think it is meaningless because it is unenforceable. >>

Enviro-Lunatic-Councillor Charlton then drastically expanded the reach of the proposed law with an amendment to prohibit geographically beyond city limits to include the entire watershed.

This after first proposing an amendment removing the exceptions for agriculture, golf courses, resorts and the like, which he dropped upon the mayor's plea to just get past first reading.

But Enviro-Lunatic-Councillor Charlton's watershed amendment passed quickly, securing votes from other Lunatic Councillors like Kathy Moore, Hanne Smith, and Andy Stradling.

Mayor Granstrom, councillors Wallace, Charlton (despite proposing the amendment), and Spearn VOTED AGAINST continuing past first reading.

The issue cannot be revisited for six months.

The mayor and councillors can now expect six months of COERCION, THREATS, and TERROR from Cancer-Lunatics.

Background Information Concerning Contemptible and Radical Canadian-Cancer-Society

Thanks to Canadian-Cancer-Society,
communities remain in THE 9/11 ERA OF
ENVIRONMENTAL-TERRORISM

With its malicious activities in the City of Rossland and other jurisdictions, CONTEMPTIBLE and RADICAL Canadian-Cancer-Society has PROVED BEYOND A DOUBT that it does NOT operate primarily as a health care organization that fights cancer.

Canadian-Cancer-Society is an AVARICIOUS multi-million-dollar FUND-RAISING BUSINESS that has PROFITED from CONCOCTING IMAGINARY DANGERS concerning pest control products.

Canadian-Cancer-Society also functions as an ENVIRONMENTAL-TERRORIST-ORGANIZATION that has CONSPIRED to PROHIBIT pest control products that are HEALTH-CANADA-REGISTERED and SCIENTIFICALLY SAFE.

Cancer-Lunatics have conveniently maintained that the hundreds of qualified scientists of HEALTH CANADA to be incompetent and/or incapable of arriving at correct scientific findings concerning pest control products.

In fact, NOT A SINGLE Cancer-Lunatic has shown ANY recognized expertise, training or background in matters concerning pest control products !

The opinions Cancer-Lunatics has continued to be VALUELESS and WORTHLESS.

Everybody Must STOP Making Donations to the Cancer-Basterds

Canadian-Cancer-Society Lunatics have
conveniently IGNORED the facts dispensed
by the EXPERTS from Health Canada

Canadian-Cancer-Society CANNOT BE HONEST about the fact that pest control products are SCIENTIFICALLY SAFE since IMAGINARY DANGERS about them continue to attract HUGE SUMS OF PROFIT in the form of donations.

Canadian-Cancer-Society has NEVER STOPPED giving the FALSE and FRAUDULENT impression that the public was being exposed to cancer-causing agents whenever a pest control product was being used in the Urban Landscape. As proof, it has alleged that cancer problems were INCREASING, a « *fact* » that was CONTRADICTED once again by AMERICAN CANCER SOCIETY in 2010.

In 2010, AMERICAN CANCER SOCIETY reported that cancer incidence rates and deaths CONTINUED TO DECLINE.

The incidence of cancer ... • decreased by 1.3 per cent per year from 2000 to 2006 in men • decreased by 0.5 per cent per year from 1998 to 2006 in women.

Cancer death rates ... • dropped 21 per cent since 1991 among men • dropped 12 per cent since 1992 among women.

**Cancer-Lunatics Sell-For-Profit
Pesticide-Treated-Formaldehyde-Drenched-
Toxic-Cancer-Daffodils**

Cancer-Lunatics have been HIDEOUS HYPOCRITES since they LIE, CHEAT, and DECEIVE the public about Pesticide-Treated-Toxic-Cancer-Daffodils, which are SOLD-FOR-PROFIT in local stores and transported throughout North America, with many going to the Canadian-Cancer-Society's annual spring awareness campaign.

A MAJOR SOURCE OF PROFITS collected by Cancer-Lunatics has continued to originate from the sale of Daffodil flowers.

Every year, Contract-Daffodil-Growers located on Vancouver Island PRODUCE-FOR-PROFIT a STAGGERING 18 MILLION Pesticide-Treated-Toxic-Cancer-Daffodils.

Since Daffodils are an IMMENSE source of PROFIT for Contemptible Canadian-Cancer-Society, of course the Cancer-Lunatics have had ABSOLUTELY NO SCRUPLES regarding the use of pest control products ... when it suits THEM !

IRONICALLY ... Both Cancer-Daffodil-Production for Canadian-Cancer-Society and the Professional Lawn Care Industry have relied on the SAME ingredients that are needed to control insect and weed pests.

Canadian-Cancer-Society

DESTROYED

the Modern Professional
Lawn Care Industry

The LUNATIC CONSPIRACIES of Canadian-Cancer-Society have EXTENSIVELY DAMAGED and DESTROYED the Professional Lawn Care Industry, ANNIHILATED most of its customers, thus ensuring that THOUSANDS of companies became WORTHLESS and on the verge of being OBLITERATED.

The Cancer-Lunatic CONSPIRACIES have led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT.

Canadian-Cancer-Society has continued to BASELESSLY SMEAR, FALSELY ACCUSE, GROTESQUELY PUNISH, INNOCENTLY CONVICT, SHAMELESSLY PERSECUTE, and WRONGFULLY DEPRIVE those people working in the Professional Lawn Care Industry who used pest control products that were, in fact, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Everybody Must STOP Making Donations to the Cancer-Basterds

Canadian-Cancer-Society has
MISAPPROPRIATED its donations
and resources to expand its support of
LUNATIC ANTI-PESTICIDE CONSPIRACIES

Canadian-Cancer-Society has continued to MISAPPROPRIATE the PROFIT that it has collected for cancer research by SQUANDERING HUNDREDS OF THOUSANDS OF DOLLARS on NEEDLESS LUNATIC ANTI-PESTICIDE CONSPIRACIES.

Canadian-Cancer-Society has also MISAPPROPRIATED its resources to further support even FOREIGN PROHIBITION-TERRORISTS.

For instance, in 2010, Canadian-Cancer-Society agreed to act as a distributor of ENVIRO-TERROR GOODS and SERVICES provided by Paul Tukey, a known U.S. Lunatic-Environmental-Terrorist with a repertoire of ILLEGAL LOBBYING SERVICES and SUBVERSIVE LUNATIC ANTI-PESTICIDE PROPAGANDA VIDEOS and PRESENTATIONS.

Throughout 2010, Canadian-Cancer-Society paid Tukey to INTERFERE with the court challenges against friendly Enviro-Terror-Organizations, as well as to PROMOTE the PROHIBITION of pest control products otherwise deemed to be SCIENTIFICALLY SAFE by Health Canada.

We are living in the 9/11 Era of Cancer-Lunatic-Terror !

Background Information Concerning Contemptible and Radical Canadian-Cancer-Society

In 2010, Canadian-Cancer-Society ILLEGALLY used the lobbying services of Tukey, despite the fact that he was NOT LEGALLY registered for meeting Government Officials, in violation of the Lobbying Act.

With Tukey, Canadian-Cancer-Society has proved yet again that it does NOT operate primarily as a health care organization.

Demands have been made
to have the TAX-EXEMPT STATUS
of Canadian-Cancer-Society

REVOKED

CONTEMPTIBLE and RADICAL Canadian-Cancer-Society has obviously continued to MISAPPROPRIATE the PROFIT collected for cancer research.

Observers have concluded that Canadian-Cancer-Society ought to be INVESTIGATED by Government Agencies.

Demands have been made to have the TAX-EXEMPT STATUS of Canadian-Cancer-Society REVOKED !

We are living in the 9/11 Era of Environmental Terror !

Paid-For-Profit-Lunatic-Lobbyists from
Canadian-Cancer-Society have NEVER STOPPED
with their FEAR-MONGERING, FRAUDULENT LIES,
MISCONCEPTIONS, COERCION, THREATS,
DECEPTIONS, TERROR, and LUNATIC CONSPIRACIES

These Cancer-Lunatics have NEVER STOPPED being

Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
