The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

Public Commentary Regarding Lunatic-Terrorist-Prohibition and its Cataclysmic Impact in Toronto

October 1st, 2009

CTV News

Selected and adapted excerpts

The BIGGEST WEED PROBLEM we have is the one our government officials are apparently SMOKING. This is ENVIRONMENTALISM OVERLOAD and what happens when liberals and socialists pass legislation that has NO PRACTICAL BASIS IN THE REAL WORLD. If they want to live like cave-men and do without anything that helps modern man, I suggest they go live in a tent in the woods and LEAVE THE REST OF US ALONE.

— Jon

Environmental Carnage

The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

The PROVINCAL FLOWER should be the DANDY LION, not the Trilium.

— Dennis

I feel that one should LISTEN TO SCIENCE about if pesticides are safe, or not. If pesticides are un-safe, then they should be banned right across the board. Golf courses, sod farms, and agriculture. It is very unfair to take away the livelihood of licensed applicators who have knowledge about the products they use. LISTEN TO SCIENCE, NOT EMOTION.

— Peter Parker

It's a DISGUSTING MESS, and Toronto City Council and the Province of Ontario should be ashamed. There is NO PROVEN DATA that states weed chemicals have any effect on health, according to a Professor at the University of Guelph who has been studying this for years. It's just one BIG FIASCO, and we the public have bought it. All the streets and roadways are a MESS, and most times, along the sides of the roads, the grass is very tall. This is just government getting involved in things they KNOW NOTHING ABOUT.

— Martin

Enviro carnage

The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

I visited Toronto last weekend, and was DISGUSTED with the OVER-GROWN WEEDS EVERYWHERE. The Liberals banned a product that has 4000 scientific studies done listing it as SAFE, and they listened to LIES FROM GROUPS WITH THEIR OWN AGENDA. Shame on the Liberals. PROPERTY VALUES WILL PLUMMET, then will people wake up and realize that NOT ALL PESTICIDES ARE BAD when used by trained professionals.

— Linda Ottenbrite, Dunsford

THE CITY IS A MESS, with THREE-FOOT WEEDS EVERYWHERE. The pesticide bans ignore science, are rammed down our throats by the lefties, and we all pay the price. My ALLERGIES HAVE GOTTEN CONTINUALLY WORSE since safe effective weed control products have been banned.

— Danny Passmore

The Millers and the McGuintys of the world need to realize that their personal choices are NOT what are in the best interest of the rest of the world. BANNING PESTICIDES WAS A KNEE-JERK REACTION BASED ON EMOTION RATHER THAN COMMON SENSE. Maybe when goldenrod, nightshade, ragweed, etc ... take over the world, when no one can breathe without using a puffer and health care costs go through the roof, these emotional common-sense-challenged politicians will see the light.

— Marg

Enviro carnage

The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

I have been in the lawn care business for 25 years directly handling herbicides, which appears to be the most contentious of the pesticide issue. Health Canada did a review of 2,4-D last summer that was ignored by all but one reporter. When do we stop having the vocal groups, with an agenda, that they will not be swayed from since they have the conviction that they must be right, sway the politicians to pass bills that have NO FOUNDATION IN TRUTH but rather ifs and maybes and the great catch word « LINKS ». It is time in the Twenty-First Century that we started to use the SCIENCE that is available to us to make some valid decisions rather than UNFOUNDED EMOTION.

— Norm Clapham

The pesticide ban is FOOLISH. The science behind the whole « cancer causing agents » is SEVERELY FLAWED and DUBIOUS at best. All the « save the planet » types have jumped on this band-wagon without realizing that the SCIENCE FACTS DON'T SUPPORT THE PESTICIDE BAN. Instead we have POISONOUS AND NOXIOUS PLANTS GROWING EVERYWHERE, and the city doesn't spend a penny to control them. Maybe when CHILDREN are being diagnosed with EVEN MORE ACUTE BREATHING PROBLEMS and SERIOUS ALLERGY-RELATED ISSUES people will see the light. But by then it will be too late for the children who are sick. Something to think about while we are standing waist deep in ragweed, goldenrod and deadly nightshade.

— David

Enviro carnage

The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

Sure Toronto has a weed problem and, as well, a lot of municipalities since the ban of cosmetic pesticides. The DANGERS OF SOME WEEDS ARE EVIDENT, and also eventual problems for ALLERGY SUFFERERS when the weed problem continues to grow. And I am sure more problems will result from this decision to ban. This liberal promise, to « give back the lawns to the children », could be kept because it did not cost a cent to do. But the public was NEVER GIVEN A CHOICE, nor told the truth of these products. Scientific evidence was NOT taken into consideration, nor was it provided to the public. Maybe the party decided themselves the products were harmful. Our government has agencies in place to study all chemicals placed into any process in our country, and deemed these products safe when used according to the label directions. I believe the same agency that is responsible for this has the same jurisdiction over our drugs available for health care. More public education on pesticides, truthful information, should have been available prior to just passing this bill. But all I had observed during this whole procedure was one-sided stories carried by lobbyists to get the job done for the elected government. There have been few instances where bans have been lifted because problems outweighed the practicality of the decision and the result of this was better education to the end user to ensure it's safe use. Something to consider. I would support the availability of consumer products on the shelves for home lawn and garden use. Make them of the ready to use variety so everyone knows that there is no mixing and safe to use as is.

— Jack

We are living in the 9/11 Era of Environmental Terror !

LUNATIC-TERRORIST-PROHIBITION DESTROYED the Modern Professional Lawn Care Industry

LUNATIC-PROHIBITION in the Province of Ontario

On April 22nd, 2009, the Government of Ontario implemented legislation for the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products used by the Modern Professional Lawn Care Industry.

An Exception Status was provided to industries like golf, sports fields, specialty turf, forestry, and agriculture — these industries employed THE VERY SAME pest control products otherwise PROHIBITED for the Modern Professional Lawn Care Industry.

The legislation was implemented despite the fact that the PROHIBITED pest control products were still FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Moreover, there were serious issues with the Ontario Minister of the Environment, John Gerretsen, who was responsible for implementing PROHIBITION. Gerretsen was INDISCREET with his CLOSE PUBLIC ASSOCIATIONS with RADICAL and SUBVERSIVE Enviro-Lunatic-Activists.

HORRENDOUS CARNAGE Caused by LUNATIC-PROHIBITION in Ontario

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products. VIRTUALLY ALL Green Alternatives were almost TOTALLY INEFFECTIVE, except under very specific circumstances. The Green Alternatives were BOGUS.

Consequently, Professional Lawn Care Companies were UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

LOSS OF REVENUES in Ontario Caused by LUNATIC-PROHIBITION

In 2009, the Ontario Professional Lawn Care Industry lost over 300,000,000 DOLLARS.

In 2010, losses to reached over 500,000,000 DOLLARS.

We are living in the 9/11 Era of Environmental Terror !

CUSTOMER LOSSES in Ontario Caused by LUNATIC-PROHIBITION

By late 2009, 40 to 70 % of Professional Lawn Care customers were ANNIHILATED.

UNEMPLOYMENT in Ontario Caused by LUNATIC-PROHIBITION

By late 2009, OVER 5,000 HAPLESS VICTIMS were UNEMPLOYED (full time employees and summer students).

Because of the LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses were forced to TERMINATE many or most of their employees.

In 2010, observers expected 8,300 to 12,500 UNEMPLOYED.

BUSINESS FAILURES in Ontario Caused by LUNATIC-PROHIBITION

Because of LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses, which at one time provided a good living and some equity for eventual sale for retirement, became WORTHLESS !

Because of LUNATIC-TERRORIST-PROHIBITION, many multi-vehicle Professional Lawn Care businesses were forced to DOWN-SIZE their operations to a single truck.

Because of LUNATIC-TERRORIST-PROHIBITION, by 2010, there was a GLUT OF USED-EQUIP-MENT-FOR-SALE because of the DOWN-SIZING and EXODUS of Professional Lawn Care businesses.

Because of LUNATIC-TERRORIST-PROHIBITION, several dozen companies were forced to exit from the market by late 2009.

Within 36 months after the implementation of PROHIBITION, observers expected 780 BUSINESS FAILURES or BANKRUPTCIES.

Because of LUNATIC-TERRORIST-PROHIBITION, no one was able to buy or sell a Professional Lawn Care business !

Because of LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses were simply ABANDONED.

LUNATIC-TERRORIST-PROHIBITION DESTROYED the Modern Professional Lawn Care Industry.

We are living in the 9/11 Era of Environmental Terror !

LUNATIC-TERRORIST-PROHIBITION led to DANGEROUS PLAYING SURFACES

LUNATIC-PROHIBITION Created GARBAGE DUMPS and DANGEROUS SURFACES

In jurisdictions where LUNATIC-TERRORIST-PROHIBITION was successful, public green spaces and sports fields became WEED-INFESTED and INSECT-INFESTED.

They became OVER-RUN by dandelions and other weeds, and were DESTROYED by damaging insect pests.

THE PROHIBITION OF PEST CONTROL PRODUCTS REPRESENTED A HAZARD TO ANYONE USING THESE PLAYING SURFACES, ESPECIALLY CHILDREN.

When it rained, pest-infested playing surfaces were SLIPPERY MUD BOGS.

When dry, pest-infested playing surfaces were AS HARD AS CONCRETE.

Pest-infested playing surfaces not only looked like GARBAGE DUMPS, they were also DANGEROUS — ESPECIALLY TO CHILDREN !

CARNAGE Caused by LUNATIC-PROHIBITION in the Province of Quebec

PROHIBITION against pest control products in Quebec was legislated BEFORE Ontario, and provided observers with valuable facts about the LEVEL OF CARNAGE to expect for Ontario.

Since 2006, Quebec LUNATIC-PROHIBITION was DEVASTATING to the Professional Lawn Care Industry — OVER 60 per cent of the Professional Lawn Care Industry was ANNIHILATED !

LUNATIC-TERRORISTS DID NOT KNOW WHAT THEY WERE TALKING ABOUT !

LUNATIC-PROHIBITION-TERRORISTS assured Government Officials that the effects of prohibition would be positive. Not a single lunatic had ANY recognized expertise, training or background in matters concerning pest control products. The opinions of lunatics in matters concerning pest control products were TOTALLY VALUELESS and UTTERLY WORTHLESS.

We are living in the 9/11 Era of Environmental Terror !

Stopping the CARNAGE Caused by LUNATIC-PROHIBITION

In January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and the Ministry of the Environment.

The legal proceedings were organized by Jeffrey P. Lowes and M-REP Communications.

Additionally, individual members of Environmental-Terror-Organizations also faced CHARGES under the Canadian Criminal Code.

By August 2010, M-REP Communications commenced CIVIL ACTION to recover the HORRENDOUS LOSSES caused by PROHIBITION-TERRORISTS.

Summary of Alleged Offences by PROHIBITION-TERRORISTS

• 133 charges and 29 culprits • Conspiring to prevent the supply of approved pest control products • Defrauding access to products • Impeding access to approved pest control products • Misleading with peer-reviewed assessments, reports, and studies • Presenting false and misleading information • Undermining the people and companies in the Green Space Industry.

Organizations Responsible for LUNATIC-PROHIBITION

There were twenty-five principal Prohibition-Terrorist-Organizations that operated in the Province of Ontario —

• Canadian Association of Physicians for the Environment (CAPE) • Canadian Cancer Society (CCS) • Canadian Environmental Law Association (CELA) • Canadian Institute for Environmental Law and Policy (CIELAP) • Canadian Partnership for Children's Health and Environment (CPCHE) • Children's Hospital of Eastern Ontario (CHEO) • City of Toronto (governed by Mayor David Miller) • David Suzuki Foundation • Eco-justice Canada • Environmental Defence • New Democratic Party • Ontario College of Family Physicians (OCFP) • Ontario Medical Association (OMA) — Pediatrics Section • Ontario Public Health Association (OPHA) • Organic Landscape Alliance (OLA) • Coalition For Pesticide Reform Ontario • Prevent Cancer Now • Registered Nurses' Association of Ontario (RNAO) • The Coalition for a Healthy Ottawa (CHO) • The Environmental Factor • The Learning Disabilities Association of Canada (LDAC) • The Ontario Trillium Foundation (OTF) • Toronto Environmental Alliance (TEA) • Urban League of London • World Wildlife Fund of Canada (WWF).

We are living in the 9/11 Era of Environmental Terror !

LandsCAPE Ontario Supported LUNATIC-TERRORIST-PROHIBITION

LandsCAPE Ontario Trade Association officially supported LUNATIC-TERRORIST-PROHIBITION against pest control products that were FEDERALLY LEGAL and SCIENTIFICALLY SAFE, just like the rest of the Environmental-Terror-Movement.

Overall, LandsCAPE Ontario DESPICABLY gave STRONG SUPPORT to the Ontario Cosmetic Pesticides Ban Act, just like the rest of the Environmental-Terror-Movement.

The Leaders and Key-Decision-Makers of LandsCAPE Ontario DID NOTHING except to MERELY WITNESS the DEMISE and DEATH of the Modern Professional Lawn Care Industry !

The Leaders and Key-Decision-Makers of LandsCAPE Ontario acted like a GROUP OF POLITICIZED ENVIRO-LUNATICS with one-sided opinions and one-sided ideas.

The Leaders and Key-Decision-Makers of LandsCAPE Ontario acted like COWARDS, and would NOT expose their doubts about the INSANITY of LUNATIC-TERRORIST-PROHIBITION because of POLITICAL CORRECTNESS and ENVIRO-MANIA that STRANGLES ANY SOUND JUDGEMENT.

The Leaders and Key-Decision-Makers of LandsCAPE Ontario were MERE POLITICIZED ENVIRO-LUNATICS !

Observers Asked the Following Questions —

Did LandsCAPE Ontario defend the Modern Professional Lawn Care Industry against LUNATIC-TERRORIST-PROHIBITION ? No !

Did LandsCAPE Ontario truly represent the interests of Modern Professional Lawn Care Industry ? No !

Observers Reached the Following Conclusions —

Overall, the Leaders and Key-Decision-Makers of LandsCAPE Ontario DID NOTHING to defend the future of the Modern Professional Lawn Care Industry !

The Leaders and Key-Decision-Makers of LandsCAPE Ontario preferred the status of OBSERVER only, and DID NOT fight LUNATIC-TERRORIST-PROHIBITION.

The Leaders and Key-Decision-Makers of LandsCAPE Ontario supported LUNATIC-TERRORIST-PROHIBITION policies that led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting TERROR, DESPAIR, and DESTITUTION on THOUSANDS of victims throughout the Modern Professional Lawn Care Industry.

We are living in the 9/11 Era of Environmental Terror !

LUNATIC-TERRORIST-PROHIBITION was a success, thanks, in part, to ...

Lands **CAPE**
Ontario

and its Key-Decision-Makers ...

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
