

# FORCE OF NATURE

THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

We are living in the Deadly 9/11 Era  
of Environmental-Terror !

The hands of the Prohibition  
Merchants Of Death are now  
**SOAKED IN BLOOD**

Will all the water  
in the ocean wash this blood  
from their hands ?

No, their hands are  
more likely to stain all  
the waters of the seas,  
turning them from green to red

The Prohibition Merchants  
Of Death will be **HAUNTED**  
by their depraved guilty minds  
**FOREVER !**

# DEATH

## Prohibition

The DEADLY FAILURE of the PROHIBITION of pest control products used in the Urban Landscape that are otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, and SCIENTIFICALLY-SAFE

**Environmental-Terrorists Who  
IMPOSED the PROHIBITION  
of Pest Control Products are  
RESPONSIBLE for the DEATH  
of an Elderly Man Forced to  
Hand-Pull Toxic Weeds**

July 10<sup>th</sup>, 2011

The Kingston Whig-Standard  
[ Kingston, Ontario ]

# The DEADLY FAILURE of Prohibition

## DEATH CAUSED BY LUNATIC-TERRORIST-PROHIBITION

Owen Fitzgerald did not realize that HAND-WEEDING a TOXIC NOXIOUS WEED on his property would CONTRIBUTE TO HIS DEATH.

But, contact with WILD PARSNIP resulted in severe burns to his hands and arms eventually sent him to hospital, where he DIED on June 28 at the age of 70.

According to Owen's sister-in-law —

*<< The doctor said that the [ burns ] were certainly a contributory factor because it just attacked everything. His hands started marking up and then it went up his arm. >>*

Without knowing what it was, he started pulling at it without gloves on.

Though he had suffered ill-health for several years, if Fitzgerald had not been directly exposed to WILD PARSNIP, he could still be alive.

Fitzgerald was ULTIMATELY DOOMED since the SAFEST and MOST EFFECTIVE METHOD of controlling WILD PARSNIP is with pest control products.

Unfortunately, Ontario's ENVIRONMENTAL-TERRORISTS had IMPOSED a LUNATIC-PROHIBITION on the use of pest control products.

THE DEATH WAS THEIR FAULT !

THEY ARE THE PROHIBITION MERCHANTS OF DEATH !

## **BACKGROUND INFORMATION FROM AN INDEPENDENT PERSPECTIVE**

On April 22<sup>nd</sup>, 2009, the Government of Ontario IMPOSED the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products used by the Modern Professional Lawn Care Industry and Home-Owners.

The prohibited pest control products were otherwise Health-Canada-Approved, Federally-Legal, and Scientifically Safe.

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

VIRTUALLY ALL Green Alternatives were almost TOTALLY INEFFECTIVE, except under very specific circumstances.

The Green Alternatives were BOGUS and DISMAL FAILURES.

In many cases, professionals and home-owners had to resort to MANUAL WEED-PULLING.

On May 25<sup>th</sup>, 2011, an AGREEMENT reached between Dow AgroSciences and the Canadian federal government concluded that ...

- All pest control products are  
SCIENTIFICALLY SAFE
- All PROHIBITIONS are IRREFUTABLY  
INVALIDATED

**BACKGROUND INFORMATION  
FROM AN INDEPENDENT PERSPECTIVE**

**PROHIBITION-TERRORIST-ACTIVITIES** have **INFLICTED IMMENSE LOSSES** to the Professional Lawn Care Industry ... in the **HUNDREDS OF MILLIONS OF DOLLARS**.

The Professional Lawn Care Industry and other injured parties have **MOVED TO SEEK DAMAGES AND RESTITUTION** in several jurisdictions across Canada.

And now, **PROHIBITION-TERRORIST-ACTIVITIES** has **INFLICTED THE ULTIMATE DEADLY LOSS OF LIFE OF AN INNOCENT MAN**.

It is expected that the victim's family will **MOVE TO SEEK DAMAGES AND RESTITUTION** from those who **CONSPIRED** to **IMPOSE LUNATIC-TERRORIST-PROHIBITION**.

**Non-Expert Enviro-Lunatics** and their **Environmental-Terrorist-Organizations** are **RESPONSIBLE FOR THIS LOSS OF LIFE**.

**NOT A SINGLE** one of these **Non-Expert Enviro-Lunatics** has any recognized expertise, training or background in matters concerning pest control products !

And yet, these **SELF-PROCLAIMED NON-EXPERTS CONSPIRED** to **PROHIBIT** pest control products **UNDER THE PRETEXT OF SAVING LIVES**.

In fact, these **Non-Expert Enviro-Lunatics** **HAVE NOT SAVED A SINGLE LIFE**.

Instead, their **PROHIBITION-TERRORIST-ACTIVITIES** have **CAUSED THE FIRST CASUALTY**.

## BACKGROUND INFORMATION FROM AN INDEPENDENT PERSPECTIVE

And, sadly, there will be MORE LOSS OF LIFE.

PROHIBITION-TERRORIST-ACTIVITIES ULTIMATELY DOOMED A MAN WHOSE ONLY REMAINING WEED CONTROL OPTION WAS TO MANUALLY PULL A TOXIC NOXIOUS WEED SPECIES THAT LED TO HIS UNTIMELY DEATH.

Non-Expert Enviro-Lunatics and their Environmental-Terrorist-Organizations that CONSPIRED to IMPOSE NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION deserve NO LESS than ...

- ARRESTS
- CHARGES OF MANSLAUGHTER
- CHARGES OF FRAUD
- CHARGES OF CONSPIRACY
- FINES
- IMPRISONMENT
- RESCINDING OF TAX-EXEMPT CHARITY STATUS

ARCHIVED DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL PROHIBITION-TERRORIST-ACTIVITIES are AVAILABLE.

These ARCHIVES contain names, statements, activities, and affiliations of ALL Enviro-Lunatic-Vermin, including Prohibitionist Government Officials, and Charitable Prohibition-Terrorist-Organizations that DO NOT DESERVE ANY Tax-Exempt Status.

# NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
