LETTER TO THE EDITOR — MEDIA RELEASE

RESPONSE TO GIDEON FORMAN

BCLOCALNEWS.COM

VERNONMORNINGSTAR.COM

VERNON, BRITISH COLUMBIA

Imaginary Danger

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN on the issue of PEST CONTROL PRODUCTS.

Forman's RANTS have the effect of making children ANXIOUS and adults ALARMED AND ENRAGED because of his FABRICATIONS, his INNUENDOS, and his CONCOCTIONS OF IMAGINARY DANGER.

Scientific research shows, as reported through Health Canada's VAST TOXICOLOGY DATABASE, that NO HARM WILL OCCUR when pest control products are used according to label directions.

The RISK ASSESSMENT of pest control products indicates that they are PRACTICALLY-NON-TOXIC.

Consequently, it is a fact that pest control products cause NO HARM, including chronic effects such as CANCER.

Anti-Pesticide PROHIBITIONS may be IMPOSED in British Columbia under the PRETEXT of protecting children, when, in fact, CHILDREN ARE NOT AT RISK.

Children across North America, even in those jurisdictions with NO pesticide bans, are all protected since these products are applied at VERY LOW DOSES and represent NO THREAT TO CHILDREN.

NORAHG

The SAFETY ASSESSMENTS of pest control products by Health Canada and the Environmental Protection Agency take into consideration CHILDREN's physiology, behaviours, and habits WHILE PLAYING ON TREATED GRASS.

For more information about CHILDREN, go to the following web-page ...

<http://pesticidetruths.com/toc/children-are-not-at-risk/>

The Myth of Cancer

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN on the issue of CANCER.

Forman's RANTS have the effect of leading us into the DARK AGE OF ANTI-PESTICIDE TERRORISM where SOUND SCIENCE is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE.

There are NO pest control products that are known or probable carcinogens.

It is a MYTH to believe that pest control products somehow cause cancer.

There is NOT ONE KNOWN CANCER DEATH from the proper use of pest control products used in the Urban Landscape.

For more information about CANCER, go to the following web-page ...

<http://pesticidetruths.com/toc/cancer/>

Forman NOT An Expert

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN on the issue of HIS EXPERTISE.

Forman's RANTS have clearly demonstrated that he is SCIENTIFICALLY-IGNORANT.

Moreover, it is a fact that Forman possesses ABSOLUTELY no training, background, or expertise in matters concerning pest control products.

NORAHG

Forman's organization, Canadian Association of Physicians for the Environment (CAPE) is NOT a science or research organization.

Overall, CAPE is NOT EVEN a doctor's organization.

CAPE is a FUND-RAISING, PROFIT-ACCUMULATING, and LOBBYING organization.

It is LUDICROUS to believe that CAPE somehow represents the views of health care workers, such as PHYSICIANS.

CAPE DOES NOT operate as a physicians' organization.

The VAST MAJORITY of CAPE members ARE NOT EVEN PHYSICIANS.

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors.

CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.

For more information about CAPE, go to the following web-page ...

<http://wp.me/P1jq40-3s4>

Green Alternatives DO NOT Work

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN on the issue of ALTERNATIVES TO CONVENTIONAL PEST CONTROL PRODUCTS.

Forman's RANTS have the effect of creating DANGEROUS lawns and playgrounds maintained like GARBAGE DUMPS.

It is IMPOSSIBLE for home-owners or professionals to keep their properties beautiful by using so-called Green Alternative Pesticides

There are NO viable, efficacious, economical, or low-risk alternatives to replace conventional pest control products.

NORAHG

Green Alternative Pesticides are BOGUS and DISMAL FAILURES — they DO NOT WORK and they are NOT INNOVATIVE products.

Overall, Green Alternative Pesticides are INEFFECTIVE, INADEQUATE, HIGH-RISK, MORE TOXIC, and STUNNINGLY EXPENSIVE !

In many cases, Green Alternative Pesticides are questionably HIGHER IN TOXICITY, and pose HIGHER ENVIRONMENTAL RISKS.

For more information, go to the following web-page ...

<http://pesticidetruths.com/toc/green-alternatives-bogus-dismal-failures/>

Drinking Water Is SAFE

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN on the issue of DRINKING WATER.

Forman's RANTS have the effect of leading ANXIOUS children and FEARFUL adults into NEELESSLY FEARING modern technology.

Pest control products used in the Urban Landscape DO NOT enter our lakes and rivers through surface run-off and storm sewers

Non-Expert Anti-Pesticide Activists like Forman ALLEGE that the PROHIBITION of pest control products in the Urban Landscape will somehow lead to lower concentrations of herbicide in our stream water.

This is WRONG !

It is a MYTH to believe that ANY PROHIBITION protects our stream water.

This allegation is FALSE, MISLEADING, and CONTRADICTS OVER TWENTY-FIVE YEARS OF RESEARCH.

For more information about DRINKING WATER, go to the following web-page ...

<http://pesticidetruths.com/toc/water-quality/>

People DO NOT Want Bans

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN on the issue of PEOPLE WANTING BANS.

Forman's RANTS have the effect of creating the MIS-GUIDED IMPRESSION that people want bans when they DO NOT.

A recent poll conducted by Canadian Consumer Specialty Products Association showed that the VAST MAJORITY of BC residents are OPPOSED to a pesticide ban, and they actually FAVOUR the continued use of these products around their homes and in public green spaces.

Moreover, The Fraser Institute, one of the top 25 leading think-tanks in the world, has said that the proposed BC ban is ILL-CONCEIVED, and does NOT accurately reflect the current state of scientific knowledge.

For more information about the POLL and THE FRASER INSTITUTE, go to the following web-pages ...

<http://wp.me/P1jq40-2bo>

<http://wp.me/P1jq40-2bj>

The best way to protect our children and other family members is by NOT LISTENING TO GIDEON FORMAN since he is UNQUALIFIED TO DISCUSS ANY ISSUE PERTAINING TO PEST CONTROL PRODUCTS.

According to Doctor Leonard Ritter, the NATION'S LEADING TOXICOLOGIST ...

« There are lots of UNQUALIFIED people out there trying to undermine the efforts of the PMRA [Health Canada]. »

For more information concerning THE MYTHS ABOUT ANTI-PESTICIDE PROHIBITION, go to the following web-page ...

WILLIAM H. GATHERCOLE AND NORAH G

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

NORAHG

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

HUJE are enviro-lunatics, anti-pesticide activists, and lawn-haters, who particularly DESPISE the golf industry.

There is NO RECOURSE but LITIGATION against these HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of their organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library Force Of Nature Reports and References, which is a VAST ARCHIVE of DOCUMENTS, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION against Anti-Pesticide Vermin.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that there is sufficient information to lead to a SUCCESSFUL PROSECUTION !

For The Pesticide Truths Web-Site that contains History, Links, Audios, Videos, and Media News Reports right off the press, go to the following link ...
