force of nature

THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

Peddling for Money

This is your chance to send David a personal birthday message and GIFT for the Foundation before his birthday on March 24, 2011.

Your gift will go twice as far, thanks to an amazing matching offer from TELUS.

All DONATIONS for David's birthday will be matched by TELUS up to a total of \$50,000 !

That means you can double your support for the David Suzuki Foundation's projects that help Canadians find ways to live within the limits of nature.

David Suzuki has had an enormous impact on how we think about and treat the Earth.

You can help honour all that David has achieved over his lifetime by sending him a personal message for his 75th birthday with your DONATION to the David Suzuki Foundation.

Tell him how he's inspired you and what his work means to you !

Be a part of the celebrations — send your message and DONATION.

Thank you for your generous support. WE WANT MONEY !

The David Suzuki Foundation Team

Background Information from an Independent Perspective

In fact, Suzuki's MAIN OBJECTIVE is PROFIT, with MORE DONATIONS by SCAMMING THE PUBLIC with the CONCOCTION OF FRAUDULENT LIES and IMAGINARY DANGER about pest control products.

MORE LIES means MORE PROFIT.

Suzuki CONSPIRES to PROHIBIT pest control products that are otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and TOTALLY-IRREPLACEABLE.

Here are TWO interesting statements from David Suzuki Foundation —

« *The Ontario law [prohibition of pest control products] is something the David Suzuki Foundation, along with a range of health and environmental organizations, has been pushing for.* » — March 17th, 2009.

« *The Suzuki Foundation challenges other provinces to meet or beat Ontario 's ban on cosmetic pesticides to ensure a high standard of protection for human health and the environment across the country.* » — March 4th, 2009

Suzuki FALSE Legacy

Suzuki has spread MORE ENVIRONMENTAL MISINFORMATION THAN MOST other Environmental-Terrorist-Organizations.

Together, Suzuki and ALLIES in other Environmental-Terrorist-Organizations have EXPLOITED EMOTIONS and FEARS about a variety of issues, including pest control products — they have demanded accountability from everyone else BUT THEMSELVES.

They have PROFITED FINANCIALLY or POLITICALLY from FALSE STORIES and PREDICTIONS, and IMAGINARY DANGER, and have NEVER been held accountable.

Suzuki and ALLIES in other Environmental-Terrorist-Organizations use FALSE IDEAS that are presented OUT-OF-CONTEXT, then left uncorrected by lack of follow-up.

Suzuki's REAL LEGACY is DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP FOR PEOPLE, ANXIOUS CHILDREN, and WEAKENED COMMUNITIES.

Now in his 70s, David Suzuki himself is busy RE-WRITING HISTORY by promoting his FALSE LEGACY through books and events.

Background Information from an Independent Perspective

Suzuki Funding

David Suzuki Foundation operates as a so-called non-profit INDEPENDENT charity that DOES NOT accept government grants.

However, this policy DOES NOT preclude Suzuki from accepting money from organizations that DO accept government grants.

Suzuki has claimed to be funded by more than forty-thousand donors from around the world (including eighteen-thousand in Ontario), as well as over fifty corporations and foundations.

Suzuki Donors and Contributors

- Bank of Montreal BMO Employee Charitable Foundation
- BC Buddhist Church Federation
- Bell Canada
- Canadian Association of Physicians for the Environment (another PROHIBITION-TERRORIST-ORGANIZATION)
- Canon Canada Inc.
- Congregation of Notre Dame
- Domtar Inc
- IBM Canada Ltd.
- McGraw-Hill Ryerson
- Patrick and Barbara Keenan Foundation — OVER 1,000,000 DOLLARS
- Pfizer Canada Inc.
- Power Corporation of Canada — OVER 1,000,000 DOLLARS

Background Information from an Independent Perspective

On its web site, David Suzuki Foundation has also made the following statement about GOLF EXCEPTIONS on October 15th, 2008 —

« *If provincial prohibitions exempt GOLF COURSES, as proposed in the discussion paper, MUNICIPALITIES need clear authority to RESTRICT PESTICIDE USE on GOLF COURSES within their boundaries to better protect public health and the environment.* »

Suzuki, The Puppet-Master of the Environmental-Terrorist-Movement

Suzuki has definitely taken a LEADERSHIP role among those groups in the ENVIRONMENTAL-TERRORIST-MOVEMENT.

It appears that sometimes Suzuki even acts as THE PUPPET MASTER.

Suzuki has many PUPPETS that actively support the LUNATIC-TERRORIST-PROHIBITION of pest control products.

Sometimes, Suzuki simply pulls THE STRINGS, and makes these guys PERFORM.

It's actually FUN to watch.

Suzuki Puppets

All SUZUKI PUPPETS are themselves PROHIBITION-TERRORIST-ORGANIZATIONS.

Here are THE PUPPETS (allies) of THE PUPPET MASTER —

- Canadian Association of Physicians for the Environment
- Canadian-Cancer-Society
- Canadian Environmental Law Association
- Canadian Union of Postal Workers
- Environmental Defence

Background Information from an Independent Perspective

Suzuki-Enviro-Terror-Alliances are set up for one or several of the following reasons —

- For collecting MILLIONS OF DOLLARS in memberships and donations for the PROFIT of GREEDY RADICAL PROHIBITION-TERRORIST-ORGANIZATIONS.
- For concealing the views of supposedly moderate professionals, such as Enviro-Lunatic-Health-Care-Workers, in an attempt to mask their SUBVERSIVE LUNATIC views, hence DISCRETELY satisfying their cravings as a POWER-HUNGRY, AVARICIOUS, UNSCRUPULOUS, DEPRAVED ENVIRO-LUNATIC PSEUDO INTELLIGENTSIA.
- For ensuring that the non-profit tax status of the PARENT ORGANIZATIONS is not jeopardized by their SUBVERSIVE LUNATIC ACTIVITIES.
- For ensuring that the non-profit tax status of the participating lunatic organizations is not jeopardized by their activities
- For giving everyone the FALSE and FRAUDULENT impression that the Environmental-Terror-Movement has considerable size and power, when in fact, it DOES NOT — many of the so-called independent Environmental-Terror-Organizations are often ONE-IN-THE-SAME GROUP.
- For giving the public the FALSE and FRAUDULENT impression that there is grass-roots support for SUBVERSIVE LUNATIC public policies.
- For PROTECTING Suzuki and ALLIES from legal liability through the use of SHIELD ORGANIZATIONS

Suzuki ALLIANCES in Quebec

In 2009, the Quebec-Suzuki-Enviro-Terror-Alliances were formed with SEVEN PROHIBITION-TERRORIST-ORGANIZATIONS to CHALLENGE the threat against the Quebec PROHIBITION of pest control products.

The Quebec-Suzuki-Enviro-Terror-Alliances were operated by LESS THAN A DOZEN Enviro-Lunatic-Activists.

Some of the Enviro-Lunatic-Activists OPERATED MORE THAN ONE ORGANIZATION.

Background Information from an Independent Perspective

Suzuki NATIONAL Lunatic Alliances

On November 19th, 2009, Suzuki organized National-Enviro-Lunatic-Alliances with twelve organizations representing all areas of the HEALTH SECTOR.

The National-Suzuki-Enviro-Terror-Alliances represent one of THE GREATEST THREATS to the future of the Modern Green Space Industry !

The OBJECTIVES of National-Suzuki-Enviro-Terror-Alliances is to COERCE, INTIMIDATE, and INFLUENCE government at all levels with so-called LINKS between health and the environment and incorporate these links into policy decisions through legislative [i.e. PROHIBITION] and budgetary actions.

If successful, the National-Suzuki-Enviro-Terror-Alliances will become the INSTRUMENT OF NATIONAL ANNIHILATION of the Modern Canadian Green Space Industry by seeking to IMPOSE a NATIONAL PROHIBITION of conventional pest control products.

The National-Suzuki-Enviro-Terror-Alliances are composed of ...

- ☒ Association of Canadian Academic Healthcare Organizations
- ☒ Canadian Association of Physicians for the Environment
- ☒ Canadian Coalition for Green Health Care
- ☒ Canadian College of Health Service Executives
- ☒ Canadian Dental Association
- ☒ Canadian Healthcare Association
- ☒ Canadian Healthcare Engineering Society
- ☒ Canadian Medical Association
- ☒ Canadian Nurses Association
- ☒ Canadian Pharmacists Association
- ☒ Canadian Public Health Association

Background Information from an Independent Perspective

Suzuki SHIELDS

Suzuki-Enviro-Terror-Alliances have set up SHIELD ORGANIZATIONS that perform acts of FRAUD, CONSPIRACY, and SUBVERSION without the actions being attributed to Suzuki or its PUPPETS.

SHIELDS act for Suzuki without the actions being attributed to Suzuki directly.

SHIELDS are expected to provide some limited protection from legal liability.

SHIELDS (also called UMBRELLAS or FRONT GROUPS or ALLIANCES or COALITIONS) are often used by Suzuki and its PUPPETS.

Suzuki SHIELD in Ontario

The Suzuki-Enviro-Lunatic-Alliance in the Province of Ontario is COALITION FOR PESTICIDE REFORM ONTARIO.

This coalition was created to ensure the passage of the Ontario Cosmetic Pesticides Ban Act.

COALITION FOR PESTICIDE REFORM ONTARIO was co-created by Canadian Association of Physicians for the Environment, Registered Nurses' Association of Ontario, and David Suzuki Foundation.

Here is a sample of the coalition's FRAUDULENT and SUBVERSIVE advertising on April 26th, 2008 —

« *Lawns and gardens are closer to where most people live and where children play. Lawn and garden pesticides represent a potentially significant and often involuntary pathway of exposure.* » [Wrong !]

Background Information from an Independent Perspective

Suzuki Hypocrisy

On March 27th, 2009, Suzuki wrote (with Lunatic-Ghost-Writer Faisal Moola) ...

« *Now's the time to take science seriously.* »

« *How can any society make important decisions about these issues without being SCIENTIFICALLY LITERATE AND INFORMED ?* »

« *Too often, the role of science in solving our social, medical, and economic problems is poorly understood be-cause the nature of scientific research, discovery, and applica-tion is not understood.* »

« [...] *good SCIENTISTS make important discoveries, and to maintain a top group of scientists, we need a culture that supports and honours its researchers. That can't happen when science funding becomes a political hockey puck slapped around by whichever party comes into power. We need generous long-term support for our top scientists so that they can create clusters of enthusiastic, inspired researchers.* »

Evidently, Suzuki SUPPORTS SCIENTISTS WHEN IT SUITS HIM.

He evidently DOES NOT SUPPORT those SCIENTISTS working for Pest Management Regulatory Agency of Health Canada.

How can any society make important decisions about pest control products without the expertise of the SCIENTIFICALLY LITERATE AND INFORMED Health Canada ?

In fact, Suzuki himself has NO expertise whatsoever in matters relating to pest control products.

Suzuki Lunatics

David Suzuki Foundation and its Enviro-Lunatics present themselves as a SUPPOSED EXPERTS in matters concerning pest control products. [Wrong !]

Suzuki-Lunatics even present themselves as supposed experts in matters concerning TURFGRASS and ORNAMENTAL PLANT MANAGEMENT. [Wrong !]

Background Information from an Independent Perspective

Here are David Suzuki's PERSONAL CREDENTIALS with PROHIBITION-TERRORIST-ORGANIZATIONS that CONSPIRE to PROHIBIT pest control products —

- Chairman and co-founder — David Suzuki Foundation
- Honorary board member — Ecojustice Canada
- Honorary Board Member — Environmental Defence

Lisa Gue

Lisa Gue is a Suzuki-Enviro-Lunatic, operating under the title of Environmental Health Policy Analyst, Researcher, and Writer in the CONSPIRACY to PROHIBIT pest control products for David Suzuki Foundation.

Suzuki has NO recognized expertise, training or background in matters concerning pest control products.

In June 2008, Gue said ...

« *The use of pesticides to improve the appearance of lawns, gardens, parks, and schoolyards poses UNNECESSARY RISKS to human health and the environment.* »
[Wrong !]

« *GOLF COURSES are responsible for a significant volume of urban pesticide use and this use is clearly cosmetic as defined in the bill — i.e. NON-ESSENTIAL.* »

Meg Sears

Meg Sears is a Suzuki-Enviro-Lunatic who has worked on some Suzuki projects in the CONSPIRACY to PROHIBIT pest control products.

Sears has NO recognized expertise, training or background in matters concerning pest control products.

Sears merely has a Doctorate in Biochemical Engineering.

Background Information from an Independent Perspective

Everybody must STOP MAKING DONATIONS to David Suzuki Foundation !

The GOLF INDUSTRY must TERMINATE ALL RELATIONSHIPS with organizations within the Suzuki-Enviro-Terror-Alliances, like Contemptible and Radical Canadian-Cancer-Society, and suspend all related charitable tournaments that provide financial donations and support to these organizations.

The LOATHSOME and RIDICULOUS Golf Canada (formerly RCGA, Royal Canadian Golf Association) must immediately TERMINATE ALL RELATIONSHIPS with Environmental-Terrorist-Organizations like the Contemptible and Radical Canadian-Cancer-Society, World Wildlife Fund, and others, and suspend all related charitable tournaments and programs that provide financial donations and support to these organizations.

At least ONE MALICIOUS ACT
of Lunatic-Environmental-Terror
Is Perpetrated EVERY SINGLE DAY

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IR-REPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
