## Government Cancelling SUBVERSIVE Lunatic Money

July 5<sup>th</sup>, 2011

The Daily Bayonet

Selected and adapted excerpts

# no more Free Money

## Billions of Dollars Saved by Canadian Conservative Government

Canada's eco-left is in uproar over the government's recent decision to SLASH SUBVERSIVE ENVIRONMENTAL SPENDING.

First, the good news –

- 1.6 BILLION DOLLARS in overall cuts related to the environment
- 222 MILLION DOLLARS in reductions specifically at Environment Canada and the elimination of 1,211 enviro-lunatic jobs

You could argue losing 1,211 jobs is bad, but those are merely government or government-funded jobs in the SUBVERSIVE ANTI-INDUSTRY and ANTI-ENERGY environmental sector.

Killing those « *green* » jobs will probably save ten times that number in the industry and energy sectors as there will be fewer busy-body enviro-lunatic bureaucrats blocking innovation and progress.

Second, the better news –

Enviro-lunatics are mad as hell that the government is taking their FREE money away:

SELF-SERVING environmental-terrorist-organizations issued a statement addressed to Prime Minister Stephen Harper decrying cuts to Environment Canada and the impact they will have on Canada's fresh-water sources.

# enviro PROFIT

## Snivelling Environmental-Lunatics Cry For Money to Lie and Terrorize

The statement is endorsed by nearly fifty TAX-EXEMPT environmental, social justice, women's and First Nations organizations, including –

- Canadian Union of Public Employees
- Centre for Indigenous Environmental Resources
- Council of Canadians
- International Institute of Concern for Public Health
- Keepers of the Athabasca Watershed Council
- Métis Women's Circle
- Mining Watch Canada
- National Council of Women of Canada
- National Network on Environments and Women's Health
- Polaris Institute
- Public Service Alliance of Canada
- Sierra Club Canada

It's acronym soup, boiling.

IT'S THE SMELL OF A MAJORITY CONSERVATIVE  
GOVERNMENT IN THE MORNING.

THE SMELL OF ANTI-LUNATIC NAPALM.

# no more Free Money

## Billions of Dollars Saved by Canadian Conservative Government

Finally, just when you thought it couldn't get any better, it does –

According to David Suzuki, non-expert enviro-lunatic fund-raiser and entertainer –

*<< In these times when human activity is altering the properties of the planet on a geological scale, as documented in The Economist, we need far more information on the state of the planet and the potential consequences.*

*It makes no sense to be cutting back on scientific work in the name of the economy, when the economic consequences of what is happening to the biosphere will be immense. >>*

David « Jail 'em » Suzuki is reduced to quoting the « well-known climate science peer-review paper » The Economist [ ?!?! ] as « proof » of so-called global warming.

Priceless.

SOMEWHERE, A FAT LADY IS WARMING UP  
HER VOCAL CHORDS.

Note – In 1991, James Fallows argued in The Washington Post that The Economist suffers from British class snobbery, pretentiousness, and simplistic argumentation.

## DANGEROUS, HYPOCRITICAL, and INSATIABLE David Suzuki Foundation

David Suzuki Foundation is a TAX-EXEMPT MILLIONAIRE FOR-PROFIT LOBBYING ORGANIZATION that operates with a budget of over SIX MILLION DOLLARS PER YEAR.

Suzuki is arguably the largest MULTI-MILLION DOLLAR MONEY-MAKING MACHINE of its kind.

Suzuki claims that ...

*<< The David Suzuki Foundation works through science and education to protect the diversity of nature and our quality of life, now and for the future. >> [?!?!]*

In fact, Suzuki's MAIN OBJECTIVE is PROFIT, with MORE DONATIONS by SCAMMING THE PUBLIC with the CONCOCTION OF FRAUDULENT LIES and IMAGINARY DANGER about issues like pest control products.

MORE SUZUKI-LIES means MORE PROFIT.

Suzuki has EXPLOITED EMOTIONS and FEARS about a variety of issues, including pest control products — and it has demanded accountability from everyone else BUT ITSELF.

Suzuki has PROFITED FINANCIALLY or POLITICALLY from FALSE STORIES and PREDICTIONS, and IMAGINARY DANGER, and HAS NEVER BEEN HELD ACCOUNTABLE.

Suzuki's ADMITTED LEGACY is TOTAL FAILURE.

Suzuki's REAL LEGACY is DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP FOR PEOPLE, ANXIOUS CHILDREN, and WEAKENED COMMUNITIES.

Suzuki is obsessed and unhappy that we focus on the economy instead of the ecology, since the economy is fundamentally flawed and destructive, and is speeding up our destruction. [?!?!]

Now in his 70s, David Suzuki himself is busy RE-WRITING HISTORY by promoting his FALSE LEGACY through books and events.

*Enviro-Lunatic-Basterds  
DO NOT DESERVE ANY  
Tax Exempt Free Money*

# Force Of Nature is NOT just The Whole Propaganda Independent Truth from an Perspective

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. Mr. Gathercole was the FIRST PERSON EVER to obtain University degrees and contribute to BOTH the Professional Lawn Care and Golf Maintenance Industries. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban Lands-CAPE. He has advised, certified, instructed, and trained thousands of turf and ornamental managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
