# The Culprits of the 9/11 Era of the Green Space Industry

The following prominent enviro–maniac–culprits and their environmental–terror–organizations are accountable for conspiring to change public policies that TERRORIZE and THREATEN the Green Space Industry. Their policies have led to the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE conventional pest control products. Furthermore, their policies have led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Ontario GREEN SPACE INDUSTRY

*We must defend the industry,  
whatever the cost may be*

# The Culprits of the 9/11 Era of the Green Space Industry

## KOSWAN, SUSAN

[info@pesticidefree.ca](mailto:info@pesticidefree.ca)  
[dandelion@gto.net](mailto:dandelion@gto.net)

- Main Spokesperson. Member of Steering Committee. Pesticide Free Ontario ( P.F.O. ).

According to observers, P.F.O. consists of a medley of silly middle-aged gardening busy-bodies who have nothing better to do with their time. The individual little P.F.O. local groups often have cutesy titles, like *Get Rid Of Urban Pesticides* ( G.R.O.U.P. ). These people know how to keep their priorities straight !!! Nobody in P.F.O. has any recognized expertise, training, or background in matters concerning pest control products, or lawn and ornamental maintenance.

On January 15<sup>th</sup>, 2008, Susan Koswan said —

*The majority of Ontarions want the province to ban both the sale and use of lawn and garden pesticides. We want legislation that sets the world standard for eliminating pesticides from our landscape practices. [ ? ]*

Pesticide Free Ontario used the PUBLIC AFFAIRS SHIELD organization Coalition for Pesticide Reform Ontario, that was created to influence public policy regarding the Ontario Cosmetic Pesticides Ban Act. Pesticide Free Ontario conspired to prohibit FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products in the Province of Ontario. The following is an excerpt from a 2008 coalition advertisement supported by Pesticide Free Ontario —

*Health Canada evaluates each pesticide one at a time in isolation from other pesticides and without accounting for the multiple chemical exposures that occur in our daily lives. There is overwhelming public support for eliminating needless exposure to chemicals like cosmetic pesticides. [ ? ]*

# The Culprits of the 9/11 Era of the Green Space Industry

## McCLENAGHAN, THERESA

[theresa@cela.ca](mailto:theresa@cela.ca)

- EXECUTIVE DIRECTOR and COUNSEL. Canadian Environmental Law Association ( C.E.L.A. ).
- Former SENIOR POLICY ADVISOR to the Ontario Environment Minister.

On November 13<sup>th</sup>, 2008, Theresa McClenaghan said —

*In general, these proposed regulations [ in Ontario ] are strong and appropriate. They are also part of the new green economy. Under this new law, Ontario's lawn care industry can continue to become innovators in non-toxic lawn care, creating economic growth and green jobs. [ ? ]*

In 2002, Laidlaw funded C.E.L.A. for *Education and Public Policy for Children's Health*. According to the *Laidlaw Annual Report 2002*, funding was supplied for the following prohibitionist reasons —

*This grant provides CELA with support to enable the Partnership for Pesticide Bylaws to educate key Toronto City Councillors to support this regulation. The Partnership is a collaborative community network that will guide current pesticide efforts into a common focused campaign to ensure passage of a pesticides bylaw in the City of Toronto.*

In 2008, C.E.L.A. used a PUBLIC AFFAIRS SHIELD ORGANIZATION called Coalition for Pesticide Reform Ontario. This shield was created to ensure the passage of the Ontario Cosmetic Pesticides Ban Act, which C.E.L.A. clearly supported. Here is an excerpt from a 2008 coalition advertisement —

*We support the Ontario government's plan to enact pesticide legislation.*

# The Culprits of the 9/11 Era of the Green Space Industry

## MACKENZIE, ALEX

[alex@mgcheo.med.uottawa.ca](mailto:alex@mgcheo.med.uottawa.ca)

- PAEDIATRICIAN. CHIEF EXECUTIVE OFFICER AND SCIENTIFIC DIRECTOR. VICE-PRESIDENT. RESEARCH INSTITUTE. Children's Hospital of Eastern Ontario ( C.H.E.O. ).
- HONOURARY CO-CHAIR. The Coalition for a Healthy Ottawa, an organization that conspired to prohibit FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products in the Province of Ontario.

In February 2004, Alex MacKenzie said —

*We are facing increasing numbers not only of some childhood cancers but other conditions such as type one diabetes, autism, and childhood asthma. These are real and consistent and are happening so quickly that they are clearly caused by the environment. Pesticides are associated with an increased incidence of childhood neuroblastoma. How many deaths are acceptable before we move on this? Speaking as a paediatrician, a father and a citizen of Ottawa, it is important to ban cosmetic pesticide use.*

MacKenzie also said —

*You put them [ pesticides ] on the lawn, they will go into the water table.*

In 2008, Children's Hospital of Eastern Ontario used a PUBLIC AFFAIRS SHIELD ORGANIZATION called Coalition for Pesticide Reform Ontario. This shield was created to ensure the passage of the Ontario Cosmetic Pesticides Ban Act, which C.H.E.O. clearly supported. Here is an excerpt from a 2008 coalition advertisement —

*[ C.H.E.O. is among the ] Health and Environmental Organizations [ that ] Support Ontario-wide Ban on Cosmetic Pesticides.*

# The Culprits of the 9/11 Era of the Green Space Industry

## MACKENZIE, MARK

[mark@appleseedlawn.com](mailto:mark@appleseedlawn.com)

The following are MacKenzie's personal affiliations with organizations that conspired to prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** pest control products in the Province of Ontario —

- BOARD MEMBER. Prevent Cancer Now.
- Consultant. City of Toronto and others.
- Failed Candidate. 2007. Green Party of Ontario.
- Founder & former President. Organic Landscape Alliance ( O.L.A. ). A small group of lawn care companies.

In 2008, MacKenzie's organization claimed that —

*Many homeowners now believe that lawns require chemicals for survival. This simply is NOT true. A traditional lawn can be maintained without chemicals. In fact, the misuse of chemical pesticides and fertilizers results in an unhealthy lawn. Chemical-dependent lawns are highly susceptible to pests and diseases. [ ? ]*

On April 22<sup>nd</sup>, 2008, MacKenzie said —

*The Organic Landscape Alliance is pleased that all Ontarians will be now be protected by legislation that was previously only protecting those in select municipalities. OLA looks forward to strong regulations and an effective education program that will empower Ontarians to create healthy and sustainable landscapes with truly organic products. [ ? ]*

# The Culprits of the 9/11 Era of the Green Space Industry

## McGUINTY, DALTON

[dmcguinty.mpp.co@liberal.ola.org](mailto:dmcguinty.mpp.co@liberal.ola.org)

Dalton James Patrick McGuinty Junior is the PROHIBITION-IST PREMIER of the Province of Ontario. McGuinty has consistently pandered to minority organizations and fringe lobbyists. And he has sought to curry favour with the RADICAL Environmental-Terror-Movement. The McGuinty-Ontario-Enviro-Terror-Regime is the POLITICAL SHIELD for the Environmental-Terror-Movement in Ontario.

Consequently, the RAPE AND ASSAULT of the Green Space Industry by the McGuinty and his Enviro-Maniac allies has proven to be ENDLESS. It started with pest control products, and it continues with fertilizers, with the Terrorist-Agency Stewardship Ontario. IT WILL NEVER END !

There are serious issues with McGuinty's ENVIRONMENT MINISTER, who has been indiscreet with his close public ties with Prohibition-Maniacs, raising the question about the radical interests of the Enviro-Lobby taking precedence.

Under the McGuinty-Ontario-Enviro-Terror-Regime, The Ontario Trillium Foundation has been used as a FINANCIAL SHIELD for supplying vast amounts of money to organizations in the Environmental-Terror-Movement, effectively aiding it to conspire to prohibit FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products.

Because of the McGuinty financing of Enviro-Terror, and because of the passage of the Cosmetic Pesticides Ban Act in 2008, the Modern Professional Lawn Care Industry is systematically being TERRORIZED AND ANNIHILATED, with the resulting LOSSES OF REVENUES, BUSINESS FAILURES, BANKRUPTCIES, AND UNEMPLOYMENT, inflicting TERROR, DESPAIR, AND DESTITUTION ON THOUSANDS of hapless victims. Ontario is an ENVIRO-TERRORIST HAVEN !

# The Culprits of the 9/11 Era of the Green Space Industry

## MITCHELL, ANNE

---

[anne@cielap.org](mailto:anne@cielap.org)  
[cielap@cielap.org](mailto:cielap@cielap.org)

- EXECUTIVE DIRECTOR. Canadian Institute for Environmental Law and Policy ( C.I.E.L.A.P. ). Until 2009.

Mitchell is one of the culprits that can be held accountable for the passage of the Cosmetic Pesticides Ban Act by the Government of Ontario.

C.I.E.L.A.P. is an organization that conspired to prohibit FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products in the Province of Ontario.

In 2008, Anne Mitchell said —

*The draft legislation will not apply to the use of cosmetic pesticides on golf courses. As the use of pesticides on golf courses is for purely cosmetic purposes, CIELAP does not believe that such an exemption is necessary.*

C.I.E.L.A.P. has publicly stated that it DOES NOT SEE THE NEED for any Ontario prohibition exceptions for the Golf Industry. On December 18<sup>th</sup>, 2008, C.I.E.L.A.P. issued the following recommendations —

*CIELAP did not believe that an exemption in the Act for the cosmetic use of pesticides on the golf course was necessary. Accordingly, CIELAP recommends that these sections of the regulation be strengthened to better protect the environment and human health by ensuring that golf courses comply quickly with the new requirements of the Act. The draft regulation sets out a time frame of three years for golf courses to become fully accredited by an integrated pest management accreditation body. This time line should be accelerated to ensure compliance by golf courses in a more timely fashion.*

# The Culprits of the 9/11 Era of the Green Space Industry

## ONTARIO COLLEGE OF FAMILY PHYSICIANS PROJECT TEAM MEMBERS PESTICIDES LITERATURE REVIEW

- **Margaret Sanborn.** McMaster University.
- Donald Cole. University of Toronto.
- Kathleen Kerr. Sunnybrook & Women's College Health Sciences Centre.
- Cathyl Vakil. Queen's University.
- Luz Helena Sanin. University of Toronto.
- Kate Bassil. University of Toronto.
- And others.

The Ontario College of Family Physicians ( O.C.F.P. ) produced a DISGRACEFULLY UNSCIENTIFIC, UNBELIEVABLY INACCURATE, and BOGUS report claiming a « *growing body of evidence* » against pest control products.

The O.C.F.P. report has absolutely **NO** CREDIBILITY in the legitimate scientific community, and has been INTERNATIONALLY DISCREDITED. It is merely a deceptive ENVIRO-MANIAC-JUNK-SCIENCE document that consists of simply a CHERRY-PICKING of some of the most recklessly negative reports regarding pest control products. It has been used as an effective « *weapon of mass destruction* » by the Environmental-Terror-Movement.

O.C.F.P. used the PUBLIC AFFAIRS SHIELD organization Coalition for Pesticide Reform Ontario, and claimed that ...

*In a world of multiple chemical exposures, we must remove needless risks from lawn and garden pesticides.*

## **Why We Support a Province-wide Ban on Cosmetic Pesticides**

### **Cosmetic Pesticide Use is a Public Health Issue, Particularly For Children**

- We routinely concoct non-existent health issues and deceive the public by blurting out hollow expressions like cancer, serious illness, reproductive problems, and neurological diseases. We are lying bastards.
- Children have been very useful to our twisted cause as weapons of mass destruction when we invent the story that pesticides pose an alleged risk our children's health, and the health of the environment.
- There will be no end to our needless hysteria, fear, and terror. We want to mislead everyone with the lie that children and adults are being exposed to cancer-causing agents whenever a pesticide is used.
- The Pesticides Literature Review released by the Ontario College of Family Physicians has also been very useful to us as a weapon of mass destruction, even though we know it is disgracefully unscientific and unbelievably inaccurate. This bogus report has absolutely NO credibility in the legitimate scientific community, and has been internationally discredited. More and more lies, fear-mongering, and misconceptions.

### **Pesticide Bans Work – Quebec's Success Story**

- Our terrorist activities have been especially fruitful in the Province of Quebec, where over sixty per cent of the modern professional lawn care industry has now been annihilated ! We love hurting, harming, and terrorizing people with our usual depraved indifference.

### **Alternatives to Lawn and Garden Pesticides Work and Are Good For Business**

- Even though we have no idea what we are talking about, we claim that mowing high, over-seeding, and top-dressing will restore ecological soil health. This implies that we don't really need pesticides to control dam-aging pests in our lawns. Of course, we know that this too is a lie. We just can't help ourselves.
- We routinely concoct the story that green alternatives to pesticides are low-risk and effective. We know that most green alternatives are bogus, and have negatives ranging from almost total ineffectiveness except under very specific circumstances, to a question about their toxicity. Many are high-risk and illegal.
- Once pesticides are banned in a community, our enviro-vermin-suppliers move in with our own highly expensive and highly profitable bogus alternatives. We are simply rich and greedy enviro-salesmen.
- Bans have been devastating to lawn care businesses. Following the adoption of a ban in Halifax, revenues plummeted by forty per cent, and customers disintegrated by fifty per cent. Mission accomplished.

### **A Cosmetic Pesticide Ban in Ontario has Broad Public Support**

- We often concoct the story that, according to a small limited poll, most people support legislation to restrict pesticide use. Of course, we bought and paid for this poll ourselves, and designed the questions in a way that supports the ban of pesticides. We love deceiving everybody with our doctored poll.

# NORAHG

**FORCE OF NATURE** WAS LAUNCHED FOR CONTINUOUS TRANSMISSION ON THE INTERNET ON JANUARY 1ST, 2009. IT IS A SERIES OF E-NEWSLETTERS DESTINED FOR THE GREEN SPACE INDUSTRY, THE ENVIRONMENTAL-TERROR-MOVEMENT, GOVERNMENT OFFICIALS, AND THE MEDIA, NATION-WIDE ACROSS CANADA, THE UNITED STATES, AND OVERSEAS.

FORCE OF NATURE IS THE BRAINCHILD OF WILLIAM H. GATHERCOLE AND HIS ENTOURAGE. NORAH G IS ACTUALLY AN ACRONYM FOR THE STABLE OF ANONYMOUS PRODUCERS AND WRITERS THAT CONTRIBUTE TO THIS E-NEWSLETTER AND HAVE NOW REPLACED MR. GATHERCOLE. THEY CONSIST OF PEOPLE FROM THE FOLLOWING INDUSTRIES : DISTRIBUTION, FERTILIZER, GOLF, LAWN CARE, MANUFACTURING, MUNICIPAL, NURSERY, AND ORCHARD. MANY OF THESE PEOPLE ARE LEADERS IN THEIR OWN INDUSTRIES. THE OPINIONS EXPRESSED IN FORCE OF NATURE, EVEN THOUGH FROM AN INDEPENDENT PERSPECTIVE, MAY NOT REFLECT THOSE OF EVERYONE IN THE GREEN SPACE INDUSTRY, OR MR. GATHERCOLE'S MANY ASSOCIATES. BE WARNED ! FORCE OF NATURE MAY SOMETIMES BE VERY IRREVERENT AND FEARLESS WITH THESE E-NEWSLETTERS. MR. GATHERCOLE IS NOW RETIRED FROM FORCE OF NATURE, ALTHOUGH HIS NAME CONTINUES TO APPEAR AS THE FOUNDER.

WILLIAM H. GATHERCOLE IS A PRINCIPAL FOUNDER OF THE MODERN PROFESSIONAL LAWN CARE INDUSTRY IN BOTH ONTARIO AND QUEBEC. HE HOLDS A DEGREE IN HORTICULTURE FROM THE UNIVERSITY OF GUELPH, AND ANOTHER PURE AND APPLIED SCIENCE DEGREE FROM MCGILL UNIVERSITY. HE HAS WORKED IN VIRTUALLY ALL ASPECTS OF THE GREEN SPACE INDUSTRY, INCLUDING GOLF AND PROFESSIONAL LAWN CARE, AND HAS SERVED IN PUBLIC AFFAIRS, WORK-PLACE SAFETY, AND ENVIRONMENTAL COMPLIANCE. MR. GATHERCOLE HAS SUPERVISED, CONSULTED, PROGRAMMED, AND/OR OVERSEEN THE EXECUTION OF HUNDREDS OF THOUSANDS OF PEST CONTROL APPLICATIONS IN THE URBAN LANDSCAPE. HE HAS TRAINED, INSTRUCTED, AND CONSULTED WITH THOUSANDS OF TURF MANAGERS AND TECHNICIANS. MR. GATHERCOLE HAS ALSO BEEN AN AGRICULTURAL AGRONOMIST. FOR MANY YEARS, MR. GATHERCOLE WAS A CONTRIBUTING COLUMNIST FOR TURF & RECREATION MAGAZINE, CANADA'S TURF AND GROUNDS MAINTENANCE AUTHORITY.

MR. GATHERCOLE HAS FOLLOWED THE EVOLUTION OF ENVIRONMENTAL TERRORISM FOR OVER A QUARTER-CENTURY. HIS INVOLVEMENT IN ENVIRONMENTAL ISSUES REACHED A FEVERED PITCH IN THE 1990s, WHEN HE ORCHESTRATED, WITH HIS COLLEAGUES, LEGAL ACTION AGAINST THE PROHIBITION OF PEST CONTROL PRODUCTS IN THE TOWN OF HUDSON, QUEBEC. FOR FIFTEEN YEARS, THE STRATEGIES DESIGNED AND IMPLEMENTED BY MR. GATHERCOLE AND HIS COLLEAGUES GUARANTEED THE CONTROL OF ENVIRO-TERROR FOR THE ENTIRE MODERN GREEN SPACE INDUSTRY ACROSS CANADA. ALTHOUGH HE CAN BE ACCUSED OF BEING ANTI-ENVIRONMENT-MOVEMENT, HE IS, IN FACT, SIMPLY A STRONG ADVOCATE FOR THE MODERN GREEN SPACE INDUSTRY. HOWEVER, THIS POSITION HAS NOT PRECLUDED HIM FROM CRITICIZING THE GREEN SPACE INDUSTRY ITSELF. NONETHELESS, HIS VAST KNOWLEDGE OF OUR LONG JOURNEY WITH ENVIRONMENTAL ISSUES IS UNDENIABLE. ( HOPEFULLY ! )

FORCE OF NATURE IS THE INSTRUMENT OF NATIONAL ORGANIZATION RESPONDING AGAINST HUJE THAT HARM THE GREEN SPACE INDUSTRY (NORAHG) BY CONCOCTING STATEMENTS AND ACTIVITIES SEEKING TO PROHIBIT FEDERALLY LEGAL, SCIENTIFICALLY SAFE, AND TOTALLY IRREPLACEABLE CONVENTIONAL PEST CONTROL PRODUCTS. ENVIRO-MANIAC-CULPRITS ARE IDENTIFIED ON THE BASIS OF THEIR STATEMENTS, ACTIVITIES, AFFILIATIONS, AND WHEREABOUTS. EVEN THOUGH EACH ENVIRO-MANIAC-CULPRIT IS A MIS-GUIDED ADVERSARY, EACH STILL DESERVES OUR RESPECT. THE TERMS MANIAC, CULPRIT, TERRORIST, OR BASTERD ARE NOT ACCUSATIONS OF ANY LEGAL WRONG-DOING. FORCE OF NATURE IS SIMPLY HOLDING CULPRITS ACCOUNTABLE FOR CONSPIRING TO CHANGE PUBLIC POLICIES THAT TERRORIZE AND THREATEN THE GREEN SPACE INDUSTRY. FORCE OF NATURE BELIEVES THAT THE PRETENTIOUS PROHIBITIONIST POLICIES OF THE ENVIRONMENTAL-TERROR-MOVEMENT IS LEADING TO LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, AND UNEMPLOYMENT, INFLECTING DESPAIR AND DESTITUTION FOR THOUSANDS OF VICTIMS THROUGHOUT THE GREEN SPACE INDUSTRY. THE ACTIONS OF MANIAC-CULPRITS-TERRORISTS-BASTERDS IN THE MOVEMENT ARE VIEWED AS A FORM OF TERROR AGAINST THE GREEN SPACE INDUSTRY. THE INFORMATION PRESENTED IN FORCE OF NATURE HAS BEEN DEVELOPED FOR THE EDUCATION AND ENTERTAINMENT OF THE READER BY PROVIDING A SEQUENCE OF HISTORICAL EVENTS WITH COMMENTARY. ADDITIONALLY, FORCE OF NATURE INSPIRES PEOPLE TO BELIEVE THAT ENVIRONMENTAL TERRORISM CAN BE STOPPED ! THE EVENTS, CHARACTERS, COMPANIES, AND ORGANIZATIONS, DEPICTED IN THIS DOCUMENT ARE NOT ALWAYS FICTITIOUS. ANY SIMILARITY TO ACTUAL PERSONS, LIVING OR DEAD, MAY NOT BE COINCIDENTAL. ALL DOCUMENT EXCERPTS AND PICTURES CONTAINED IN FORCE OF NATURE WERE FOUND SOMEWHERE ON THE INTERNET. WE BELIEVE THAT THEY ARE IN THE PUBLIC DOMAIN, SERVING ONE OF THE FOLLOWING PURPOSES : ARCHIVE, EDUCATION, PROMOTION, PUBLICITY, OR PRESS RELEASE.
