The Force Of Nature Library of Reports

*That's all a man can hope for during his lifetime
— to set an example —
and when he is dead,
to be an inspiration for history.*

— William McKinley Junior,
The 25th President of the United States

The Force Of Nature organization and its various forerunners have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century, as early as 1982.

Force Of Nature Reports are THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). Don't thank us. It's a public service. And we are glad to do it.

The Force Of Nature Library of Reports contains PESTICIDE TRUTHS and OTHER FACTS with Library, History, Links, News, and Videos destined for the Green Space Industry, the Environmental-Terror-Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas.

Many FON Reports provide a sequence of historical events WITH COMMENTARY, the neutrality of which might be disputed.

It is a LINK DATABASE created to support efforts to fight and exterminate the Environmental-Lunatic-Vermin with reports developed for the education and entertainment of the reader.

Environmental-Lunatic-Vermin, or HUJE, are Lying Sacs of Cwap who rely of Junk Science, Fear-Mongering, and Terrorism to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with the use of conventional pest control products that are otherwise SCIENTIFICALLY SAFE for health and environment.

Force Of Nature Reports were launched for CONTINUOUS transmission on the Internet on January 1st, 2009.

However, the VERY FIRST Stand-Alone Force Of Nature Report was issued on September 19th, 2008.

By early 2009, the reports were released no more than five times per week, but by August 25th, 2009, Force Of Nature was produced on a DAILY basis.

On March 15th, 2010, Uncle Adolph independently launching the Blog-Site called Pesticide Truths, for the posting of information right-off-the-press. <http://uncleadolph.blogspot.com/>

Uncle Adolph is an organization that operates INDEPENDENTLY from NORAHG and Force Of Nature, and its activities are restricted to posting and archiving.

By May 27th, 2010, Uncle Adolph expanded Pesticide Truths to a SECOND Blog-Site, and independently acquired the rights to archive The ENTIRE Force Of Nature Library of Reports through a Link Database called Scribd. <http://pesticidetruths.com/>

By mid-December 2010, The Force Of Nature Library of Reports was FULLY SUMMARIZED and CROSS-REFERENCED. <http://pesticidetruths.com/toc/>

Julia LANGER

Prominent Architect of Lunatic-Terrorist-Prohibition

Julia Langer is one of the Greatest Lunatic-Prohibition-Terrorists to have EXTENSIVELY DAMAGED the Professional Lawn Care Industry.

She has been under consideration for inclusion in lawsuits.

Langer is an Enviro-Lunatic-Activist who SUPPORTS the PROHIBITION of the use of pest control products in the Urban Landscape.

Langer was a PROMINENT ARCHITECT in DEFENCE of LUNATIC-TERRORIST-PROHIBITION involving The Supreme Court of Canada.

Langer has operated as Leader / Spokesperson / Consultant for the following Environmental-Terror-Organizations —

- Ministry of the Environment — Government of Ontario — Policy Advisor (1985 - 1987)

- Friends Of the Earth (FOE) — Executive Director (1987 – 1991)
- Canadian Federation of Municipalities — Policy Analyst (1991 – 1992)
- World Wildlife Fund of Canada (WWF) — Director — Global Threats Program and Wildlife Toxicology (1992 – 2009)
- Organic Landscape Alliance — Director
- Toronto Atmospheric Fund — Executive Director (2009 – present)

Langer's husband is Kai Millyard of Kai Millyard & Associates Toronto and Pollution Probe, another Environmental-Terror-Organization.

Coincidentally, Millyard is consultant to Ontario Energy Board for the Toronto Atmospheric Fund.

Langer, her husband, and/or other lunatics partake in the continuous Enviro-Nonsense of LUCRATIVE MULTIPLE REDUNDANT ENVIRO-FINANCING AND PARTICIPATION.

JULIA LANGER

1984

In 1984, Langer obtained a MERE Bachelor's Degree in Toxicology.

Neither Langer nor any of her Enviro-Lunatic co-conspirators have ANY recognized expertise, training or background in matters concerning pest control products.

Consequently, Langer's opinions specifically concerning pest control products are TOTALLY VALUELESS and UTTERLY WORTHLESS.

Nevertheless, she is referred to as a so-called expert, but mostly by other lunatics, such as her friends in Environment Canada.

Pesticide Truths Reference — 2008 Document — Environment Canada — World Wildlife Fund and Langer —

<http://www.scribd.com/doc/47902639/Reference-History-of-Environmental-Movement-Environment-Canada>

Langer is NOT competent to give advice, but she has proven to be very competent at providing FEAR-MONGERING PARANOID MIS-INFORMATION —

« Once a pesticide is registered — perhaps decades ago — there's no regular process to re-evaluate or de-register it. » [Wrong !]

Langer has also used **CANCERS, DISEASES, and DISORDERS** as Weapons of Ultimate Environmental-Terror in order to impose her life-style choices on an unsuspecting public —

« There's a growing number of scientific studies showing the risks of pesticides. Pesticides have been linked to leukemia, breast cancer, brain cancer, non-Hodgkins lymphoma, birth defects, learning disabilities, asthma, liver and kidney dysfunctions and other ailments, in humans and their pets. »

[Wrong ! Wrong ! Wrong !]

On TWO occasions, Langer played a VITAL ROLE as a PROMINENT ARCHITECT for the DEFENCE of LUNATIC-TERRORIST-PROHIBITION involving The Supreme Court of Canada.

JULIA LANGER

1991

In 1991, the Town of Hudson, Quebec, governed by a SUBVERSIVE GROUP OF LUNATICS, enacted a by-law that PROHIBITED the use of pest control products that were nevertheless FEDERALLY LEGAL and SCIENTIFICALLY SAFE.

The PROHIBITION of pest control products in the Urban Landscape became an issue which essentially tested the boundaries of local authority.

In these Supreme Court cases, Langer was THE PROMINENT ARCHITECT BEHIND the decisions AGAINST the Professional Lawn Care Industry.

JULIA LANGER

1998

As early as 1998, Langer and other lunatics have CONSPIRED across Canada to PROHIBIT pest control products, despite the fact that they are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

FORCE OF NATURE

JULIA LANGER

1999

At the time, Langer was Director of World Wildlife Fund Of Canada (WWF), a Prohibition-Terrorist-Organization with MASSIVE FUNDING at its disposal.

Since 1999, World Wildlife Fund of Canada alone was provided with almost 250,000 DOLLARS by The Ontario Trillium Foundation (OTF).

The Ontario Trillium Foundation has acted as the FINANCIAL SHIELD for the Government of Ontario to SUPPLY VAST SUMS OF MONEY to PROHIBITION-TERRORIST-ORGANIZATIONS, like WWF.

In 1999, Langer continued to CONSPIRE to PROHIBIT pest control products in the City of Toronto.

JULIA LANGER

2001

On June 28th, 2001, The Supreme Court of Canada, which was clearly infested with Enviro-Lunatic-Activists, up-held the ACTS OF SUBVERSION by the Town of Hudson, despite the fact that its by-law CLEARLY CONTRADICTED provincial and federal law.

This case was known as INDUSTRY v HUDSON CHALLENGE.

This marked the FIRST TIME that Langer and World Wildlife Fund of Canada INTERVENED in DEFENDING the CONSPIRACY to PROHIBIT pest control products.

The INDUSTRY v HUDSON CHALLENGE was defended by no less than one-dozen Environmental-Terror-Organizations, brimming with MILLIONS OF DOLLARS in budgets, donations, and grants.

They are listed below —

- Breast Cancer Prevention Coalition
- Canadian Environmental Law Association (CELA)
- Ecojustice Canada
- Federation of Canadian Municipalities (FCM)
- Healthy Lawns – Healthy People
- Nature-Action Québec Inc.
- Parents' Environmental Network
- Pesticide Action Group Kitchener
- Sierra Club of Canada
- Toronto Environmental Alliance (TEA)

- Vaughan Environmental Action Committee
- Working Group on the Health Dangers of the Urban Use of Pesticides
- Environmental Action Barrie
- WORLD WILDLIFE FUND CANADA (WWF).

With this Supreme Court victory, Langer and her co-conspirators were VALIDATED into further CONSPIRING to PROHIBIT pest control products.

Force Of Nature

JULIA LANGER

2002

In 2002, Langer and other Enviro-Lunatics COERCED, INTIMIDATED, and TERRORIZED RETAIL STORES that sold FEDERALLY-LEGAL pest control products.

Consequently, Canadian Tire, Home Depot, Loblaws, and Rona STOPPED selling these products in the Provinces of Ontario, Quebec, and other jurisdictions.

According to Langer —

« This is an absolutely marvellous boost for the entire industry to move toward pesticide reduction and elimination. »

« If I'm not using this on my lawn, then maybe I shouldn't be eating it in my food. »

JULIA LANGER

2003

In 2003, the City of Toronto passed a by-law that PROHIBITED the use of pest control products in the Urban Landscape.

This was challenged in court by CropLife Canada Trade Association, and became known as CROPLIFE v TORONTO CHALLENGE.

This marked the SECOND TIME that Langer and World Wildlife Fund of Canada INTERVENED in DEFENDING the CONSPIRACY to PROHIBIT pest control products.

Pesticide Truths Reference — 2003 Document — CROPLIFE v TORONTO CHALLENGE — World Wildlife Fund Intervention —

<http://www.scribd.com/doc/47902611/Reference-Culprit-Julia-Langer-2003-12-08-WWF>

JULIA LANGER

2005

In 2005, The Supreme Court of Canada dismissed the case of CROPLIFE v TORONTO CHALLENGE with costs.

Again, several Environmental-Terror-Organizations CONSPIRED to PROHIBIT pest control products in the City of Toronto.

They are listed below —

- Canadian Association of Physicians for the Environment (CAPE)
- Canadian Cancer Society (CCS)
- Canadian Environmental Law Association (CELA)
- Ontario College of Family Physicians (OCFP)
- Ontario College of Family Physicians (OCFP)
- Ontario Public Health Association
- Organic Landscape Alliance (OLA)
- Partnership for Pesticide Bylaws
- Pesticide Free Ontario (PFO)
- Registered Nurses' Association of Ontario (RNAO)
- Sierra Club of Canada
- Toronto Environmental Alliance (TEA)
- WORLD WILDLIFE FUND OF CANADA (WWF).

During the case of CROPLIFE v TORONTO CHALLENGE, Langer said —

« Lawns, gardens and parks can be maintained without chemical pesticides. » [Wrong !]

« Municipalities are simply responding to peoples' [i.e. enviro-lunatics'] concerns for the environment and their health. »

« Instead of using the legal system to filibuster legitimate local bylaws, the lawn-care sector should wake up, smell the pesticide-free roses and go organic. »

Langer was in a clear CONFLICT-OF-INTEREST to make ANY comments concerning PROHIBITION, in view of her position as Director of Organic Landscape Alliance, a Prohibition-Terrorist-Organization that SOLD-FOR-PROFIT so-called organic products and services (which, for the most part, were BOGUS but HIGHLY LUCRATIVE).

With these Supreme Court decisions, provincial and municipal governments sought to increase their powers, especially concerning the use of conventional pest control products in the Urban Landscape.

JULIA LANGER

2009

Toronto Atmospheric Fund (TAF) is an ENVIRO-LUNATIC-SHIELD-AGENCY of the City of Toronto that was created in 1991 to MEDDLE in issues of so-called global warming and air pollution.

Langer became Executive Director of TAF in 2009.

Jack Layton was one of the originators of Toronto Atmospheric Fund — today, Layton is the Lunatic-Enviro-Leader of National Democratic Party of Canada (NDP), the POLITICAL SHIELD for the Environmental-Terror-Movement — NDP has CONSPIRED to PROHIBIT pest control products in the Urban Landscape.

Langer is VERY CLOSELY ASSOCIATED with New Democratic Party.

JULIA LANGER

2011

Toronto Atmospheric Fund claims to have obtained a STAGGERING 21,500,000 DOLLARS in independent endowments.

As of January 2011, Toronto Atmospheric Fund also obtained SEVENTEEN GRANTS worth an INCREDIBLE 26,000,000 DOLLARS awarded before Mayor Rob Ford took control of City of Toronto.

Under Langer's leadership, several Environmental-Terror-Organizations have prospered.

However, her true legacy is wasted money, destroyed economies, lost jobs, and hardship for people, and weakened communities.

Julia Langer is, without a doubt, one of the Greatest Lunatic-Prohibition-Terrorists to have EXTENSIVELY DAMAGED the Professional Lawn Care Industry.
