LETTER TO THE EDITOR
RESPONSE TO TORONTO SUN
TORONTO, ONTARIO

Prohibition Is a FARCE

- MOST ONTARIO RESIDENTS STILL DO NOT KNOW THE REASONS FOR PROHIBITION — in jurisdictions where PROHIBITION has been legislated, government has done a POOR JOB OF INFORMING THE PUBLIC as to the reasons why greens spaces now LOOK LIKE WEED-INFESTED and INSECT-DESTROYED GARBAGE DUMPS
- MANY ONTARIO RESIDENTS HOARDED PRODUCT PRIOR TO PROHIBITION — residents simply stockpiled products prior to PROHIBITION, and are using them as they see fit — correctly or incorrectly — we will never know, since it is now out of reach of provincial over-sight and regulation that licensed applicators and companies needed to obey — so the misuse of pest control products remains — and PROHIBITION has ENSURED this
- ONTARIO RESIDENTS ARE OBTAINING PRODUCTS FROM OUTSIDE — residents are obtaining products either from other provinces, or mostly from across the border in the United States — it is NOT illegal to own or possess these products, only to apply them — again, the mis-use of products remains — thanks to PROHIBITION
- ONTARIO RESIDENTS ARE USING HOME-MADE AND INTERNET RECIPES — this is where it gets scary — gasoline, kerosene, naphtha, bleach, sodium chloride, nicotine tea, and the list goes on
