# Enviro-Terrorism in America

Schools in the State of New York will be largely PROHIBITED from using outdoor pest control products ON THEIR GROUNDS, but NOT for INDOOR EXTERMINATION.

The Child Safe Playing Fields Act was signed by then-Enviro-Lunatic-Governor David Paterson in 2010.

Lunatic-Environmental-Terrorists ALLEGE that the law was designed to keep SO-CALLED HARMFUL pest control products off of athletic fields and playgrounds.

The law reads in part —

| << *No school shall apply pesticide to any playgrounds, turf, athletic or playing fields.* >>

Patti Wood is a Non-Expert Enviro-Lunatic who operates Grassroots Environmental Education, a Prohibition-Terrorist-Organization.

According to lunatic Patti Wood, the PRETEXT for PROHIBITING pest control products was because they were USED FOR AESTHETIC PURPOSES ONLY, and schools will now be COERCED to monitor grass growth and use so-called ORGANIC METHODS that are VIRTUALLY INEFFECTIVE.

The use of the very same type of pest control products used for INDOOR EXTERMINATION is NOT affected by this NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION.

In fact, pest control products are APPROVED BY THE ENVIRONMENTAL PROTECTION AGENCY and SCIENTIFICALLY SAFE.

The state School Boards Association OPPOSED THE LAW as it worked its way through the Legislature in 2010.

**PROHIBITION Leads to  
DISMAL and DANGEROUS  
GARBAGE DUMP Playing Surfaces  
for CHILDREN ...**

**... and Enviro-Lunatic-Terrorists  
COULD NOT CARE LESS**

New York's Lunatic-Terrorist-Prohibition Will Lead To

# FAILURE

## DANGEROUS and DISMAL

In every jurisdiction where PROHIBITION has been IMPOSED, parks and sports fields look like GARBAGE DUMPS, and they have become DANGEROUS playing surfaces — ESPECIALLY FOR CHILDREN !

Without conventional pest control products, public green spaces and playing surfaces become WEED-INFESTED and INSECT-INFESTED.

Pest control products used in the Urban Landscape are ARBITRARILY DEEMED by New York lunatics AS COSMETIC OR NON-ESSENTIAL.

New York Government Officials were COERCED and MISINFORMED by Non-Expert Enviro-Lunatics about RIDICULOUS Green Alternatives, or Non-Chemical Methods, or Organic Maintenance, that in fact, DO NOT WORK.

Despite claims to the contrary by LYING Enviro-Lunatics, overall, there are NO viable, efficacious, or economical Green Alternatives to replace conventional pest control products.

Without conventional pest control products, public green spaces and playing surfaces become OVER-RUN by Dandelions and other weed pests, and become DESTROYED by damaging insect pests like European Chafer.

THE PROHIBITION OF PEST CONTROL PRODUCTS WILL REPRESENT A HAZARD TO ANYONE USING PLAYING SURFACES — ESPECIALLY TO THE CHILDREN OF NEW YORK.

When it rains, DESTROYED and PEST-INFESTED playing surfaces are SLIPPERY MUD BOGS.

New York's Lunatic-Terrorist-Prohibition Will Lead To

# FAILURE

DANGEROUS and DISMAL

When dry, DESTROYED and PEST-INFESTED playing surfaces are AS HARD AS CONCRETE.

New York's Anti-Pesticide By-Law will lead to GARBAGE DUMPS, creating potentially DANGEROUS PLAYING SURFACES, and HURT CHILDREN.

In New York, the State Government IMPOSED PROHIBITION of pest control products that ensures CHILDREN will be playing on DANGEROUS playing surfaces maintained like GARBAGE DUMPS.

A woman with long dark hair, wearing sunglasses and a halter-neck top with an American flag pattern (stars and stripes), is performing on stage. She is holding a microphone and singing. She is also wearing a blue sequined skirt and a gold watch. The background is dark with blue and yellow stage lights.

*America  
must STOP  
enviro-terrorists*

At least ONE MALICIOUS ACT  
of Lunatic-Environmental-Terror  
Is Perpetrated EVERY SINGLE DAY

# NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. Mr. Gathercole was the FIRST PERSON EVER to obtain University degrees and contribute to BOTH the Professional Lawn Care and Golf Maintenance Industries. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has advised, certified, instructed, and trained thousands of turf and ornamental managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE TREATED DAF-FODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
