FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

The golf industry is on a collision course with golf-hating politicians and activists who want to obliterate all golf facilities

The Mayor of Kingston, MARK GERRETSEN, is considering SHUTTING DOWN the city's public Golf Facility to make room for a SOLAR FARM or a PARK SPACE.

The Mayor comes from a family of ANTI-PESTICIDE POLITICIANS AND ACTIVISTS who have already ANNIHILATED the Professional Lawn Care Industry in Ontario.

The Golf Facility's PESTICIDE EXCEPTION STATUS WILL EXPIRE ON DECEMBER 31<sup>ST</sup>, 2017, and the Mayor is NOT expected to EXTEND THE EXCEPTION STATUS.

Without pest control products, the Golf Facility will be UNABLE to provide ADEQUATE PLAYING CONDITIONS for its customers, and will become a GARBAGE DUMP.

Its customers will be DRIVEN AWAY.

## The Imminent Demise of Belle Park Fairways Golf Course

July 3<sup>rd</sup>, 2012

Kingston Whig-Standard

Kingston, Ontario

Selected and Adapted Excerpts

# Collision Course !

The Imminent Demise of Belle Park Fairways

BELLE PARK FAIRWAYS GOLF COURSE is on the CHOPPING BLOCK.

It is a Municipal 9-Hole Golf Facility owned and operated by City of Kingston in the Province of Ontario.

The Mayor of Kingston, MARK GERRETSEN, is considering SHUTTING DOWN the Golf Facility to make room for a SOLAR FARM or a PARK SPACE.

On December 13<sup>th</sup>, 2007, Kingston IMPOSED a PROHIBITION against pest control products used in the Urban Landscape.

A LIMITED PESTICIDE EXCEPTION STATUS was provided to Belle Park —

*On a GOLF COURSE or lawn bowling green ONLY UNTIL DECEMBER 31, 2017, provided that :*

- i. The GOLF COURSE or lawn bowling green existed as of the date this By-law was passed; and*
- ii. After January 1, 2009, any Pesticide is applied by or under the direction of an I.P.M. Accredited Agent.*

*For purposes of this section, a GOLF COURSE or bowling green may apply Pesticides until January 1, 2009 without an I.P.M. Accredited Agent provided that the Pesticide is applied in accordance with I.P.M. management practices and provided that the applicator has made application for I.P.M.*

# Collision Course !

The Imminent Demise of Belle Park Fairways

It is now common-knowledge that it is IMPOSSIBLE for a Golf Facility to keep its property playable and beautiful WITHOUT the use of pest control products, and Integrated Pest Management ( IPM ) is a DISMAL FAILURE.

Since the GOLF EXCEPTION STATUS WILL EXPIRE ON DECEMBER 31<sup>ST</sup>, 2017, Belle Park will be UNABLE to provide ADEQUATE PLAYING CONDITIONS for its customers.

It will DEGRADE INTO LOW-END PLAYING and GARBAGE DUMP CONDITIONS, and its customers will be DRIVEN AWAY.

The Mayor is aware of this situation, but is NOT expected to EXTEND THE EXCEPTION STATUS, and WILL NOT allow the Golf Facility to use pest control products beyond 2017.

Why ?

Because the Mayor comes from a family of ANTI-PESTICIDE POLITICIANS AND ACTIVISTS who have already ANNIHILATED the Professional Lawn Care Industry in Ontario.

THEY WANT TO OBLITERATE ALL GOLF FACILITIES NEXT !

See the next segment for more details on the Gerretsen Family — BELLE PARK GOLF COURSE IS DOOMED !

# Collision Course !

## The Imminent Demise of Belle Park Fairways

In June 2012, during a discussion about ways in which Kingston could reduce taxes, Gerretsen remarked that THE CITY-OWNED GOLF COURSE COULD BE CONVERTED INTO A PARK AND SOLAR POWER FACILITY.

Many who play at Belle Park — nicknamed THE DUMP because it was built atop a former landfill site — do so because they cannot afford to play elsewhere.

The 6,000-yard, 100-member Golf Facility is a MONEY-LOSING VENTURE for Kingston.

In 2011, Belle Park saw revenues of 214,000 dollars, but had expenses totalling 374,000 dollars, leaving a deficit of 160,000 dollars.

According to Mayor Mark Gerretsen —

*Belle Park does tremendous things for 100 people or so, but, at the end of the day, we would be better off buying those 100 people memberships at another golf course.*

Gerretsen said he would be interested in using the land for something that would benefit thousands of residents rather than 100.

Other cities, including Winnipeg and Kitchener, have been taking a look recently at whether they will keep their city-owned Golf Facilities.

# Save the Belle Park Fairways Golf Course

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

# **Belle Park Golf Course Is DOOMED !**

The Golf Industry is on a COLLISION COURSE with ANTI-PESTICIDE GOLF-HATING POLITICIANS AND ACTIVISTS who WANT TO OBLITERATE ALL GOLF FACILITIES.

The Mayor of Kingston is the SON OF JOHN GERRETSEN, who WAS the Enviro-Lunatic Minister of the Environment who IMPOSED the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT against pest control products in the Province of Ontario.

This was achieved with strategies of CONCOCTED FEAR-MONGERING, THREATS, MIS-CONCEPTIONS, TERROR, FRAUDULENT LIES, COERCION, DECEPTIONS, and PARANOID CONSPIRACIES.

The same concocted strategies were subsequently used AGAINST the FERTILIZER INDUSTRY with ECO-FEES.

Because of a PESTICIDE BAN IN ONTARIO, the Professional Lawn Care Industry LOST OVER 500,000,000 DOLLARS, with UP TO 12,500 UNEMPLOYED.

In ONTARIO, ONE-COMPANY-PER-WEEK DISAPPEARS INTO TOTAL OBLIVION.

There were serious issues with Gerretsen, who was INDISCREET with his close public ties with Anti-Pesticide Terrorists, who became his PARTY PALS, raising the question about RADICAL SUBVERSION influencing government.

On August 18<sup>th</sup>, 2009, John Gerretsen was DEMOTED, DUMPED FROM CABINET, and PUT OUT TO PASTURE.

# Belle Park Golf Course Is DOOMED !

Gerretsen was DUMPED primarily because he presided over the ECO-FEE FIASCO that was hugely embarrassing to the Government of Ontario.

The ECO-FEES, levied on certain household products, were designed to fund a program that kept certain hazardous materials out of the landfill.

Gerretsen was widely criticized for the ECO-FEES, as well as the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products that are, in fact, HEALTH-CANADA-APPROVED and SCIENTIFICALLY SAFE.

ECO-FEES and PROHIBITION also guaranteed safe, secure, and well-paying jobs for greedy and avaricious Government Officials who worked in Gerretsen's ministry.

After a MASSIVE PUBLIC UPROAR, Gerretsen BACK-TRACKED AND DROPPED THE ECO-FEES.

Consequently, Gerretsen was PUT OUT TO PASTURE WHERE HE COULD DO THE LEAST HARM — in the Ministry of Consumer Services.

Ostensibly, GERRETSEN'S SON IS ALSO AN ANTI-PESTICIDE ENVIRO-LUNATIC, and will decide the FATE of the Kingston-owned BELLE PARK GOLF COURSE.

Clearly, BELLE PARK IS DOOMED !

John Gerretsen and his son should Stay Off Our grASS.

# The Demise of the Golf Industry Is Imminent

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUI that seek to harm the Green Space Industry (NORAHG)

# NORAHG

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver / Fraser Valley region • with Dr. Peter Dernoeden, confirmed the presence of Take All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to anti pesticide prohibition • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT reports.
