

*Environmental
Terrorists
could not
care less about
High-Quality
Turf and
Ornamental
Plants ...*

*After the annihilation
the Professional Lawn
Care Industry, terror
will be spread to ...*

*The Golf Industry,
The Nursery Industry,
Horticultural Crops,
and Agriculture.*

*There will be
NO END to the
demands, threats,
and attacks
of Terrorists
who will seek to
drive these industries
into bankruptcy,
unemployment,
despair & destitution.*

*The entire
Green Space
Industry,
and beyond,
will soon be as
defenceless
as a pussy
facing the
barrel of
a gun.*

*We must defend our industry,
whatever the cost may be !*

Which side are you on ?

On **September 20th, 2001**, in an address to a joint session of Congress following the « 9-11 » attacks, U.S. President **George W. Bush** made the following inspirational statement. —

<< *Either you are with us, or you are with the terrorists.* >>

This is our warning to all who work in the « *Green Space Industry* ». Either you stand and fight AGAINST « *environmental terrorism* », or you stand WITH the « *terrorists* » themselves. Stand up and be counted. If we do not successfully defeat these people NOW, the consequences will be devastating.
