

Daddy !
Daddy !
I want to
Trick-Or-Treat
this year !

I want a nice
costume.

I want to give
all my friends
lots of candies.

Just like last year.

I'm sorry,
My Darling.
Not this year.
We are too poor.

Why are we poor ?

Some evil people
destroyed the family
lawn care business
for no reason at all !

Who are these people ?

They are terrorists
that preach about
saving the environment
by hurting our family !

I hate these people,
Daddy !

And you should,
Darling !

Maybe we'll do
Halloween next year.

Am I still getting
Christmas gifts
this year ?

I don't know,
Darling.
