The Whole Truth from an Independent Perspective

Daddy !

Why did I get
only one gift
for Christmas
this year ?

I wished for lots
of nice clothes
and make-up.

I wanted to show
all my friends
how lucky I am.

Just like last year.

I'm sorry,
My Darling.

Not this year.

We are too poor.

Why are we poor ?

Some evil people
destroyed the family
lawn care business
for no reason at all !

Who are these
awful people ?

They are
terrorists that
preach about
saving the
environment
by hurting
people like us !

I hate these people,
Daddy !

And you should,
Darling !

Maybe Christmas
will be better
next year.

Will Mommy be
coming back soon ?

I don't know.
We may have lost
Mommy too,
because of what
these evil people
did to us !
